SUPERINTENDENT'S LETTER

I am delighted to welcome you to the 2017-2018 school year! Last school year was a successful year for Lincoln Consolidated Schools; we eliminated the Deficit Elimination Plan, removed the High School from the Priority School list, erased Bishop Elementary from Focus School Status, and most importantly raised student academic performance as indicated on our NWEA tests. On behalf of the staff, we are waiting with excitement to greet students back to school on September 5th for the first day of school.

New in 2017-2018 the Bishop, Brick, and Childs Elementary Schools students will receive Spanish as an elective. The district has implemented a new sixth through twelfth grade math curriculum and Kindergarten through fifth grade will receive new English Language Arts materials. In addition to reviewing the Kindergarten through fifth grade math curriculum implemented last school year, the staff will now begin focusing on Kindergarten through twelfth grade science curriculum.

Our facilities have received several enhancements this school year. We resurfaced the track in Lincoln school colors. Our parking lots are being seal coated while several sidewalks are being replaced. In the area of technology, we have made improvements to our WiFi system, added and replaced security cameras, installed a new network core, and procured over 400 computers. We have received our first new bus in several years; four more are currently being built with an early September delivery date.

We are looking forward to a dynamic partnership with you to guarantee our children can achieve their highest potential. We know that in order to be successful, our children need support from both home and school. We know a robust partnership with you will make a difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. On behalf of all staff, we are looking forward to the return of our students and an outstanding year together.

Sincerely,

Sean R. McNatt, Superintendent

BOARD POLICY 9130: PUBLIC COMPLAINTS

(See full Board Policy at www.lincolnK12.org)

Any person or group, having a legitimate interest in the operations of this District shall have the right to present a request, suggestion, or complaint concerning District personnel, the program, or the operations of the District. At the same time, the Board of Education has a duty to protect its staff from unnecessary harassment. It is the intent of this policy to provide the means for judging each public complaint in a fair and impartial manner and to seek a remedy where appropriate.

It is the desire of the Board to rectify any misunderstandings between the public and the District by direct discussions of an informal type among the interested parties. It is only when such informal meetings fail to resolve the differences, shall more formal procedures be employed.

Any requests, suggestions, or complaints reaching the Board, Board members, and the administration shall be referred to the Superintendent for consideration.

LINCOLN EARLY CHILDHOOD SERVICES

The Lincoln Early Childhood Center, located in Model Elementary School, offers a range of comprehensive services for children from birth through age five. The center utilizes a model that emphasizes that parents are a child's first, best, and most influential teachers.

The Early Childhood Center includes classrooms for Great Start Readiness Program, Early Childhood Special Education, and Lincoln's Early On Program. The goal of the center is to establish a primary prevention community available to families living in the Lincoln community. Through strong parental involvement, the Early Childhood Center is an avenue promoting the improved social, cognitive, and physical growth of young children in our community.

Pre-School

Lincoln offers two different pre-school programs. Students for these programs must be four years old by September 1st and reside in the Lincoln School District. Great Start Readiness Program (GSRP) is a grant-funded pre-school program. Eligibility for this program is based on household income and a child's "risk factors." For more information on this program please call 484-7045.

Lincoln also offers a tuition-based pre-school run by Bemis Farms, and located at Model Elementary. For more information on this program please call 484-7000, ext. 7308 or 994-1709.

BEMIS FARMS AT LINCOLN: WHERE FRIENDS MEET FRIENDS

Bemis Farms is pleased to provide Preschool and Extended Care Programs for the children of Lincoln Consolidated Schools. We are proud and excited to be a part of this wonderful school district.

Programs are located inside Model and Childs Elementary Schools. Model, Bishop, and Brick Elementary students go to Model Elementary for Extended Care.

Our theme for Lincoln is "Where Friends Meet Friends." Our program provides a safe and friendly place where children can have the opportunity to relax and play with their friends after a long school day. Children learn many important social skills to succeed in life through play, and the Bemis Farms staff will help with conflict management skills, talking through problems, and using manners with friends - all important life skills for today and the future.

The children in the Bemis Farms Lincoln program have daily opportunities to engage in activities to help them both scholastically and socially. Teachers are available to help with homework, and all children will have the opportunity to play alone or in a group. Some of the favorite activities have been silent seatball, tag, fuse beads, large puzzles, science experiments, board and card games, sports, and art projects. Bemis Farms offers a variety of programs to meet your needs. Meeting friends in a relaxed environment makes this program special. For more information on this program please call 944-1709.

FREE & REDUCED LUNCH

FOR QUICKER SERVICE, APPLICATIONS CAN BE COMPLETED ONLINE!

Free and reduced-price meals are available to qualified families. Eligibility is based on family income and size. If you think you may qualify, please fill out **one application per family** and return to any school office, or mail to Lincoln Consolidated Schools, 8970 Whittaker Road, Ypsilanti, MI 48197. Applications are also available on our website at www.lincolnK12.org. Applications will be accepted at any school building, but please mark **Food Service** on the envelope to ensure prompt delivery.

If you attended Lincoln Schools and received free or reduced-price benefits last year, you will begin the new school year on the same status. **However, a new application must be submitted and processed by October 16, 2017 in order for meal benefits to continue for the 2016-2017 school year.** If you received benefits at another school district, you will not be eligible for free or reduced meals at Lincoln Schools until an application has been processed and approved. You may apply for free and reduced-priced meals at any time during the school year. If you are not eligible now but have a later change such as a decrease in household income or an increase in household size, you may complete an application at that time.

New applications must be completed every school year. You are responsible to purchase meals or send a lunch until your application is approved.

WHAT IS A REGULAR LUNCH MEAL??

A regular lunch meal is the meal at the regular meal price or can qualify for the free or reduced meal price. It consists of an entree item (including bread and protein), a fruit, a vegetable, and milk. Students must take three of these items; one of which **MUST** be a fruit or vegetable for the meal to qualify as a "regular meal". If they take less than three components or more than the five, they will be charged the a la carte price for each item regardless of free or reduced status.

Milk-only purchase price is \$0.50. Milk alone is not free or discounted for eligible students.

At the middle school and high school chips, cookies, bottled drinks, etc. are **NOT** included in the regular lunch meal. These items are available for purchase separately.

Breakfast @ Lincoln!

If there is a way to be less hurried in the morning, would you take advantage of it? If there is a way to improve your child's grades, would you consider it worthwhile? Breakfast at school could be the answer!

Finding the time to fit a healthy breakfast into your child's daily routine is probably just as difficult as fitting it into your own. Studies show that children who acquire the breakfast habit early are less likely to develop illness, while successful in maintaining a healthy weight, good grades, solid attendance, and overall performance.

Breakfast is available at all buildings within Lincoln's district. The price is \$1.20 and menus can be found at each school or on our website at lincolnk12.org. If your children qualify for free or reduced-priced lunch, they also qualify for free or reduced-priced breakfast!

What Multiage is and isn't...

Multiage classrooms are classrooms with students from more than one grade level. They are created because of a pedagogical choice of a school or school district. They are different from split classes which are formed when there are too many students for one class - but not enough to form two classes of the same grade level.

Some Advantages of Multiage Practices

The school should fit the child....

Rather than grouping students by grade level, we can group and regroup students based on developmental needs, interests, skills, and learning styles. We value the process of learning and lay the ground work for lifelong learning.

It is an efficient and effective learning environment....

A multi-year placement encourages friendships, trust, bonding, and a sense of belonging. Knowing a child over time increases a teacher's understanding of that child's needs and how he/she learns best. At the start of a year, the teacher knows a majority of the class, and the students know each other.

Multiage classrooms promote collaboration, cooperation, self-esteem, and a caring community....

Younger children get a preview of what they will eventually be able to do. Students can work with children who possess a similar skill level but a different chronological age. There is an opportunity for all children to be both the younger and older members of a peer group. A child can reinforce a newly learned skill by teaching it to someone else. It brings out older children's willingness to help younger ones, and older children accept the responsibility of being role models.

SCHOOLS VACCINES REQUIRED FOR SCHOOL ENTRY IN MICHIGAN

Whenever children are brought into group settings, there is a chance for diseases to spread. Students must follow state vaccine laws in order to attend school. These laws are the minimum standard to help prevent disease outbreaks in school settings. The best way to protect students in your care from other serious diseases is to promote the recommended vaccination schedule at www.cdc.gov/vaccines. Encourage parents to follow CDC's recommended schedule; by doing so, school requirements will be met.

	All Kindergarteners and 4-6 year old transfer students	All 7th Graders and 7-18 year old transfer students
Diphtheria, Tetanus, Pertussis (DTP, DTaP, Tdap)	4 doses DTP or DTaP 1 dose must be at or after 4 years of age	4 doses D and T or 3 doses Td if 1st dose given at or after 1 year of age 1 dose Tdap at 11 years of age or older upon entry into 7th grade or higher
Polio	4 doses 3 doses if dose 3 was given at or after 4 years of age	
Measles, Mumps, Rubella (MMR)*	2 doses at or after 12 months of age	
Hepatitis B*	3 doses	
Meningococcal Conjugate (MenACWY)	None	1 dose at 11 years of age or older upon entry into 7th grade or higher
Varicella (Chickenpox)*	2 doses at or after 12 months of age or Current lab immunity or History of varicella disease	

During disease outbreaks, incompletely vaccinated students may be excluded from school. Parents and guardians choosing to decline vaccines must obtain a certified non-medical waiver from a local health department. Visit www.michigan.gov/immunes.

*If the student has not received these vaccines, documented immunity is required.

All doses of vaccines must be valid (correct spacing and ages) for school entry purposes.

PERSONAL CURRICULUM ALTERNATIVE

Generally, to earn a high school diploma, a student must satisfy the requirements of Michigan's Merit Curriculum. The District may modify those requirements, however, by developing a personal curriculum for a student. All students are entitled to a personal curriculum.

A parent or guardian of a student who has completed ninth grade (or the student if at least 18 years old or emancipated), or a student's teacher or counselor, may request a personal curriculum by contacting the High School Principal. A group that includes the student; the student's parent or guardian; and a teacher, guidance counselor, or person acting in a counseling role, will consider the request. If the personal curriculum request is made by a student who is at least 18 or who is emancipated, or by a parent or guardian, the group will grant the request and will develop a personal curriculum for the student. For all other requests, the group will develop a personal curriculum if the group determines one is appropriate. For most students, the group that develops the personal curriculum may make only certain modifications to the Merit Curriculum.

For students with disabilities under the Individuals with Disabilities Education Act and for certain students transferring to the District from a nonpublic school or from out of state, the group may make additional modifications. For all students, a personal curriculum must incorporate as much of the Michigan Merit Curriculum content expectations as is practicable for the student, must include measurable goals for the student to achieve while in high school, must include a method to evaluate whether the student met those goals, and must align with the student's educational development plan.

Before a personal curriculum becomes effective, the High School Principal and the student's parent or guardian (or the student if at least 18 or emancipated) must agree to its terms. Once effective, the student's parent or guardian (or the student if at least 18 or emancipated) must communicate with each of the student's teachers to monitor the student's progress on the personal curriculum goals. A student who successfully satisfies his or her personal curriculum may earn a high school diploma even if the student does not otherwise satisfy all of the Michigan Merit Curriculum requirements.

For more information on personal curricula, including what may and may not be modified, please visit the Michigan Department of Education's Personal Curriculum page at: http://www.michigan.gov/mde/0,1607,7-140-6530_30334_49879---,00.html

ATTEND TODAY, ACHIEVE TOMORROW

GOOD SCHOOL ATTENDANCE MEANS...

ELEMENTARY STUDENTS

read well by the end of third grade

MIDDLE SCHOOLERS

pass important courses

HIGH SCHOOLERS

stay on track for graduation

COLLEGE STUDENTS

earn their degrees

WORKERS

succeed in their jobs

Too many absences—excused or unexcused—can keep students from succeeding in school and in life. How many are too many? 10% of the school year—that's 18 missed days or 2 days a month—can knock students off track.

ATTENDANCE MATTERS

All absences, whether unexcused or excused, count toward your child's total number of absences. Absences totaling more than 10% or 18 days per year are considered chronic absences. Research has shown when a student is chronically absent or tardy their education suffers. Coursework for excused absences can be made up, but not the lost instructional time and classroom experience. It is important that every effort is made for your child to be in school every day.

We understand that there may be some family or medical issues that may make attending school on a regular basis a challenge and we are committed to working with families to find solutions that allow every child to take full advantage of their educational experience.

Please assist your child in making sure they attend class every day and every hour to assure academic success.

HOW TO APPLY FOR FREE AND REDUCED PRICE SCHOOL MEALS

Please use these instructions to help you fill out the application for free or reduced price school meals. You only need to submit one application per household, even if your children attend more than one school in Lincoln Consolidated Schools. The application must be filled out completely to certify your children for free or reduced price school meals. Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact the Lincoln Food Service Department at 734-484-7072.

PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.

STEP 1: LIST ALL HOUSEHOLD MEMBERS WHO ARE INFANTS, CHILDREN, AND STUDENTS UP TO AND INCLUDING GRADE 12				
Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household.				
Who should I list here? When filling out this section, please include ALL members in your household who are: <ul style="list-style-type: none"> Children age 18 or under AND are supported with the household's income; In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth; Students attending Lincoln, regardless of age. 				
A) List each child's name. Print each child's name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children present than lines on the application, attach a second piece of paper with all required information for the additional children.	B) Is the child a student at Lincoln? Mark 'Yes' or 'No' under the column titled "Student" to tell us which children attend Lincoln. If you marked 'Yes,' write the grade level of the student in the 'Grade' column to the right.	C) Do you have any foster children? If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are ONLY applying for foster children, after finishing STEP 1, go to STEP 4. Foster children who live with you may count as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to step 3.	D) Are any children homeless, migrant, or runaway? If you believe any child listed in this section meets this description, mark the "Homeless, Migrant, Runaway" box next to the child's name and <u>complete all steps of the application.</u>

You will need to complete a new form if you have a childcare provider. **Previous years forms will not be recognized.** Childcare Arrangement Forms can be picked up from the Transportation Department or your child's school office.

For your convenience the transportation hotline is updated twice a day. The line will inform you of any school closings, school delays, road closures, or late buses during the school year.

**Transportation Hotline:
(734) 484-7000 ext. 6041**

Finding Your Bus

To find your child's bus pick-up location, find the section that applies to your student(s) -- Secondary or Elementary -- and then find the number and address nearest your home. Because many buses may pick up on the same road, please check the list carefully. You will find the approximate pick-up time by the address nearest your home.

For your child's safety, a parent/guardian or appointed emergency contact person (must be on the emergency card) **must be at the bus stop to pick up your kindergarten student every day.**

Childcare Arrangement Forms

Childcare Arrangement Forms are available at the Transportation Department or in your child's school office. Forms can be completed and/or dropped off at the Transportation Department between the hours of 8:00 am and 4:00 pm. There could be up to a two (2) week delay in processing the forms at the start of the school year.

Bus Stop Change Request

Requests for a bus stop change can be made on a Concern/ Complaint Form available in the Transportation Office. All requests will be researched and you will be notified of the results within thirty days of the request. Please be aware that all requests must meet the criteria for change and are not automatically honored.

Bus Stop Criteria

For more information on Public Act 187, the list of criteria used to establish bus stops, or frequently asked questions and answers, please visit the Michigan Department of Education website at www.michigan.gov/mde.

**If you do not
require bus

contact

Times will improve and changes will be implemented if needed. Students need to be at the bus stop, not waiting inside homes.

INTEGRATED PEST MANAGEMENT NOTIFICATION

State of Michigan law requires that schools and day care centers that may apply pesticides on school or day care property must provide an annual advisory to parents or guardians of students attending the facility.

Please be advised that Lincoln Consolidated Schools utilizes an Integrated Pest Management (IPM) approach to control pests. IPM is a pest management system that utilizes all suitable techniques in a total pest management system with the intent of preventing pests from reaching unacceptable levels or to reduce an existing population to an acceptable level. Pest management techniques emphasize sanitation, pest exclusion, and biological controls. One of the objectives of using an IPM approach is to reduce or eliminate the need for chemical applications of pesticides. However, certain situations may require the need for pesticides to be utilized.

As required by State of Michigan law, you will receive advance notice regarding the non-emergency application of a pesticide such as an insecticide, fungicide, or herbicide, other than a bait or gel formulation, that is made to the school or day care grounds or buildings during this school year. Please note that notification is not given for the use of sanitizers, germicides, disinfectants, or anti-microbial cleaners. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied without prior notice to prevent injury to students, but you will be notified following any such application.

Advance notification of pesticide applications, other than a bait or gel formulation, will be given by at least 48 hours to the application by the following two methods. The first method will be by posting at the main entrance to your school/day care center. The second method will be posting in a public, common area of the school or day care center, other than an entrance. We will post in your school's Main Office.

Please be advised that parents or guardians of children attending the school or day care center are entitled to receive the advance notice of a pesticide application, other than a bait or gel formulation, by first class United States mail postmarked at least 3 days before the pesticide application, if they so request. If you prefer to receive the notification by first class mail, please contact your building/program administrator for a form and return it to our office.

Parents and eligible students have a right to be notified and informed. In accordance with FERPA, you are notified of the following:

1. **RIGHT TO INSPECT:** You have the right to inspect and review substantially all of your education records maintained by or at the Lincoln Consolidated School District. This right extends to the parent of a student under 18 years of age and to any student age 18 or older.
2. **RIGHT TO REQUEST AMENDMENT:** You have the right to seek to have corrected any parts of an education record which you believe to be inaccurate, misleading or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if a designated official of the Lincoln Consolidated School District decides not to alter the education records according to your request. If no change is made to the education record after the hearing, you have a right to place a written rebuttal in the record.
3. **RIGHT TO PREVENT DISCLOSURES:** You have the right to prevent disclosure of education records to third parties with certain limited exceptions. It is the intent of the Board of Education to limit the disclosure of information contained in your education records to those instances when prior written consent has been given to the disclosure, as an item of directory information of which you have not refused to permit disclosure, or under the provisions of FERPA which allow disclosure without prior written consent.
4. **RIGHT TO COMPLAIN:** You have the right to file a complaint with the United States Department of Education concerning the alleged failure of the Lincoln Consolidated School District to comply with FERPA. Your complaint should be directed to:

6. **RIGHT TO OBJECT TO RELEASE OF DIRECTORY INFORMATION:** Generally, school officials must have written permission from the parent of a student or an eligible student before releasing any information from a student's record. However, FERPA allows school districts to disclose, without consent, "directory" type information. The Board of Education of the Lincoln Consolidated School District has designated the following personally identifiable information contained in a student's education record as "directory information":

You have three weeks from the receipt of this notice to advise the District in writing of any or all of those types of information about the student you refuse to permit the District to designate as directory information. OWL NESTING BOXES

This past spring the fourth and fifth grade students in Mrs. Heather Smith's multi-age class read about the barred owl in "Tracks" magazine, published by Michigan United Conservation Clubs. As part of their studies, they had visitors from the Leslie Science Center come into their class with a barred owl. The students dissected owl pellets to uncover what small mammal the owl had been eating. Afterward they decided to make owl nesting boxes and hang them in the little forest surrounding the playground to attract owls. Students followed detailed plans found in "Tracks" magazine, and measured and assembled these large nesting boxes. They learned a lot of practical mathematics skills, as well as getting the opportunity to use power tools to create and assemble the nesting boxes. Look for them when you are in the woods between the Middle School and Bishop.

LHS THEATRE: THANK YOU SENIORS!

LHS Theatre said goodbye to several talented seniors in 2017. The Musical" "Pippin!", "Shrek the Musical", "Bye Bye Birdie!", "As You Like it", "Tale of Two Cities", "Jane Eyre", "Hamlet", "An Actor's Nightmare", "The Importance of Being Earnest", and more. We'd like to take a moment and acknowledge these talented seniors:

- Daisy Chapin will attend EMU to study Athletic Training.
- Sydney DiOrio will attend EMU to study elementary education. May continue theatre and choir.
- Hannah Henry will attend EMU to start her journey of becoming an elementary school teacher.

LHS THEATRE: SEASON PREVIEW

The 2017-2018 season is already in the planning phases with scripts being cut for MIFA, and set design happening for the fall musical. The LHS Theatre program is open to any LHS, ECA, or WIHI student willing to audition and work hard, as well as a small number of middle school students. We also need students who are interested in working behind the scenes in areas such as make up, costumes, props, lighting, set construction, stage crew, set painting, and of course, the band! Please contact Mr. Jacobs to volunteer for these opportunities.

November 16 – 19: “The Boy Friend” by Sandy Wilson. Come watch this comedic romp through relationships set in the roaring 20’s. The show will be accompanied by the LHS Pit Orchestra directed by Ms. Leslie Schwegler, with choreography by Ms. Robin Myrick, and Vocal Directing by Mr. Paul Bowling. Auditions will be held September 6 – 7 with callbacks on September 8. Rehearsals start Monday, September 11. Those interested the technical positions described above will be screened approximately the third week of rehearsal. Participation for cast is \$70 and participation for crew is \$30.

The parent meeting for “The Boy Friend” will be Monday, September 25 with fees due at the end of that week. All parents of cast and crew should attend the parent meeting. Parents will be asked to sign up for one or more committees at that time, after which they will be assigned committees to participate on.

January and February 2018: “The Glass Menagerie” by Tennessee Williams. Every year, LHS Theatre competes in the MIFA Theatre Festival. The MIFA plays are one-act plays, as they are either cut-down versions of full length plays, or short plays written expressly for one-act festivals. The performances are adjudicated by a panel of judges, with the top shows at the regional level being invited to perform at the state competition. LHS’ production of “Hamlet” (2016) and “The Importance of Being Earnest” (2017) were advanced to perform at the state competition, the first shows in our history to earn such an honor. In 2018, we hope to repeat the achievement with “The Glass Menagerie”. This script will be adapted by our very own Drew Bos and will be performed at the LHS PAC on February 9. The show will also be performed at the Mid-Michigan Theatre Arts Festival at Garber High School in Essexville, MI on February 2nd. Auditions are in late September with part-time rehearsals starting in October.

April 2018: “Curious George” (tentative). Another LHS Theatre annual tradition is a completely student-run production of a children-focused play. It is adapted and directed by LHS student, Ashleigh Wallin, who did the same thing with “The Giving Tree”, last season. It is performed at our very own elementary schools as well as neighboring day care and senior citizen centers. More details to come in future Communicator publications.

May 10-13, 2018: “The Comedy of Errors” by William Shakespeare is a crazy comedy about two sets of twins who are mistaken for each other. The 2018 season will wrap up with Shakespeare’s classic comedy. Auditions will occur in February – exact dates TBD.

Tickets for all shows will be available in advance at www.LincolnTheatreBoosters.org/tickets. Remaining tickets will be available at the box office starting 30 minutes before the show.

The Theatre Boosters are desperately in need of more parental involvement. If you have a student in the program, or have a student rising from the middle school, please reach out to the Theatre Boosters to discover how you can volunteer. There are many kinds of opportunities available, some are behind the scenes and some are out front. We can accommodate both. We specifically need folks who are willing to organize and guide a committee and/or join our executive board. As of the writing of this article, we have openings for Vice-President and Treasurer. Please send an email to LincolnHSTheatreBoosters@gmail.com if you are interested or if you would like to nominate someone. We welcome parents at our monthly booster meetings – several non-officers have been attending which has been great!

Like us on Facebook to keep track of booster meetings and future productions: www.facebook.com/LincolnTheatreBoosters.

August 28, 2017 from 7:55am-12:00pm.
Lincoln Middle School

WEB (Where Every body Belongs) Orientation is for any incoming sixth grade student or any student that is new to Lincoln Middle School. This orientation is designed to make the transition from elementary school to middle school a positive and successful one. Eighth graders will be serving as leaders and mentors. Large and small group activities are designed to address students' needs and concerns in an enjoyable manner. Following is some important information:

- You may drop your child off at the parent drop-off loop at the front of the building. Your son/daughter will need to follow the sidewalk to enter through the doors near the gymnasium. This is a student only function so we encourage you to let your child attend on his or her own.
- An optional parent meeting will be held at 8:00 am in the Middle School Media Center with our administrators and the Middle School parent group, PS3.
- Your child is encouraged not to bring backpacks, purses or other like items, as the day is quite active. Also, please make certain that your child wears comfortable clothing that does not restrict movement. Skirts for girls are not recommended.
- A healthy snack will be provided.

FRESHMAN LINK CREW ORIENTATION

August 29, 2017 from 8 am - 12 noon
LHS East Gym

All freshmen and new students to LHS are encouraged to attend. This is a student only activity so please drop your student off by 8am and be back to pick them up by noon. The day will be very active so please do not bring any bags, books or other items. Also, dress comfortably!

This is the time that new students to LHS are able to meet upperclassmen Link Crew leaders, do various activities in small groups, and tour the school prior to the first day of classes. All currently enrolled freshmen and new students should receive a mailing with information a few weeks before the event. If you do not receive the mailing or have any questions, please contact Rebekah Ward (ward@lincoln12.org) or Steven Mientkiewicz (mientkiewicz@lincoln12.org). Link Crew can't wait to meet the class of 2021!
