What is a consent agenda?

A consent agenda groups the routine, procedural, informational, and self-explanatory non-controversial items typically found in an agenda. These items are then presented to the board in a single motion for an up or down vote after allowing anyone to request that a specific item be moved to the full agenda for individual attention. Other items, particularly those requiring strategic thought, decision making or action, are handled as usual.

Why would an organization want to use a consent agenda? Consent agendas are popular with many organizations because they help streamline meetings and allow the focus to be on substantive issues.

What does it mean if we adopt a consent agenda?

- Documentation for consent items must be provided to the board prior to meetings so that directors feel confident that their vote reflects attention to their duty of care.
- Board members are encouraged to ask prior to the meeting all the questions that they want related to consent agenda items. If it is determined that an item on the consent portion of the agenda actually requires action or a decision that item should be removed from the consent portion of the agenda and raised

Agenda May 13, 2024 Page 1

- later in the meeting.Any board member can request that an item be moved to the full agenda.A vote on the single motion applies to all the items on the consent portion of the agenda.

5.0 PRESENTATIONS

5.1 Employee of the Month

My nominee for Employee of the Month brings strong assets to her role and Brick has been incredibly fortunate to have them as one of our new 1st grade teachers.

Ms. Schnakenberg is dedicated and hardworking. She is focused on continuously learning and developing best practices. She manages routine expectations both efficiently and effectively. She has high expectations for our students and our building. She brings positivity and a lot of energy to both her classroom and the school community.

My nominee has already developed and continues to foster relationships with her students, families and the school community. She actively participates in meetings and her participation is invaluable. She is a veteran teacher who has a lot of tools in her toolbox but also has the ability to break down ideas to a more realistic approach. She understands the needs and initiates ideas to support our building efforts. She is a terrific educator and a wonderful asset. Ms. Schankenberg is a true team player and a respected member of our Brick community.

Thank you for your consideration, Cassandra Coker

10.0 NEW BUSINESS

10.1 CTE Equipment 61c1 Grant

Please see the attached documentation. The items attached have been selected and approved by the CTE program advisory committee at our spring meeting (minutes attached). The items are complimentary equipment with SME Prime batch of equipment and furniture for the space at the HS. Items from Haskell (link at end) and Smith System (attached doc) are being purchased through OMNIA. It is the understanding that items from IST will need to go out to bid. All items are being funded through the 61c1 grant applied for via the WISD for our new CTE program. This is presented for information only; Board action will be requested at a subsequent meeting.

10.2 Pediatric Therapy Associates, LLC Contract Lincoln Consolidated Schools has partnered with Pediatric Therapy Associates since 2000 to provide additional ancillary support staff. Pam Curtis, the owner of Pediatric Therapy Associates provides staffing solutions across Washtenaw County at competitive rates.

Ancillary support staff are speech language providers, occupational therapists, and physical therapist. These roles are required for the implementation of special education services across the district. These services provide much of our Medicaid revenue. As such, they are funded through Act 18 special education funds and not IDEA. Please read the information in the Board packet. This is presented for information only at this time; Board action will be requested at a subsequent meeting.

10.3 Handheld Personal Communication Devices

Replace, modernize, and provide each employee of the district with a uniform handheld personal communication device, that allows; employees to communicate privately within their own building; building to building communication; all employees to communicate with transportation; and for the district to support an emergency broadcast system where all employees can get up to date accurate information in the event of an emergency.

District Capital Investment from carry over of the 22/23 school year & from the 23/24 31 aa funding \$231,047.34. This is presented for information only at this time; Board action will be requested at a subsequent meeting.

10.4 Push-to-Talk Cellular Mobile Radio Transportation

To replace, modernize, and provide clear two-way communication devices from dispatch to the drivers in the field, and/or from buildings to the drivers utilizing push-to-talk cellular mobile radios with a national unlimited plan. This will allow the transportation department to utilize cellular towers instead of repeaters with limited range and clarity.

District Capital Investment from carry over of the 22/23 school year 31 aa funding \$24,778.60. This is presented for information only at this time; Board action will be requested at a subsequent meeting.

10.5 Internal & External Security Cameras

Additional Internal/External security cameras placed throughout the district to increase coverage, clarity of images and infrastructure to support AI technology for early warning of threat protection.

District Capital Investment from 23/24 school year 31aa funding \$208,789.82 (Bishop \$38,939, Childs \$27,939.81, LMS \$34,152.27, Model \$40,060.98 and LHS \$67,697.04) This is presented for information only at this time; Board action will be requested at a subsequent meeting.

11.5 OneGoal

The website for OneGoal is: <u>https://www.onegoalgraduation.org/</u> Their slogan is Many Paths, One Goal

Currently we are working on prioritizing one goal by the end of the school year for the HS level - this could be FAFSA completion, freshmen on track with credits, graduation percentage, etc. In our last meeting we were figuring out what works best for the data we have and where we are at with the HS. Michael Allen, our coach, is trying to look at where our positive initiatives are at this point and where they can lead us over the next few years. The POG is always front and center in our discussions. Our next steps will be individual meetings with the HS and MS teams, separately, to see where we are going in each building.

Our Vision: Every student will have an equitable opportunity to achieve their greatest postsecondary aspirations.

Our Mission: Lead the movement to transform postsecondary advising and support.

Our Approach: We're a postsecondary access and success organization working with schools and districts to transform postsecondary advising and support through our <u>Classroom-Based Model</u> and <u>OneGoal</u> <u>Leadership Network</u> so that all students can define their futures.

Board action was requested.

It was moved by LaBombarbe and seconded by Sparks that we approve the purchase of OneGoal as presented by the Superintendent.

2) Career & Technical Education (CTE) in Washtenaw County (Rowe) 6:10-6:15

Ryan Rowe communicated the effort to build an engineering/manufacturing network with educators and business/industry leaders throughout the region. He explained the expansion of state-approved CTE engineering/manufacturing programs at Lincoln, Ypsilanti, Ann Arbor, and Manchester. This is in addition to existing programs at Chelsea and Saline (SWWC). The network of teachers met last summer to collaborate and to tour Zoller and Liebherr.

Ryan Rowe spoke of CTE opportunities meeting the needs of all students, those earning an industry-recognized credential and entering employment following high school graduation, those choosing to engage in an apprenticeship or a blended approach to college and career preparation such as through FAME, and those enrolling in a 4 year institution. He spoke of the opportunities for tech jobs throughout the prosperity region for those earning more than a high school diploma (credential, certificate, license, associate's degree) and less than a bachelor's degree. Sensitile has joined the network of business leaders participating with FAME. Thank you!

3) Role of Program Advisory Committee (Rowe) 6:15-6:20

Ryan Rowe spoke of the role of the advisory committee. He commended the individuals who participated in the committee meeting as it reflects the strength of the CTE program itself. Resources are provided for review pertaining to <u>CTE Instructional Resources</u> and the <u>Program</u> <u>Advisory Committee Toolkit</u>.

The 61c1 CTE Equipment Grant was presented to the committee. Richard Roe presented the proposed equipment and resources to the committee, detailing the purpose of each item. Meg Wallace stated the importance of vetting resources such as the A/V Conferencing Package as some are much better than others. Al Coleman asked about the CNC machines, specifically the brand. Ryan Rowe stated that one aspect and role of the committee is to, "Assess, recommend, and/or provide supplies, resources, equipment and facilities". If the committee moves to approve the listed equipment then the District will work to gather quotes and estimates so that it may proceed with purchase, in alignment with post-secondary (WCC), business/industry, and SME PRIME allocations.

3) Program Updates - 61c1 CTE Equipment Purchase Approval (Roe/Rowe) 6:20-6:30 (Action Item)

Basic Electrical Training Package incl. Educator Training - \$85,164 Programmable Logic Controller Training Package incl. Educator Training - \$42,115 Additive Manufacturing Package - Ultimaker - \$49,440 Additive Manufacturing Package incl. Educator Training - Stratasys \$36,477 Machining and CNC Package - \$35,335 FANUC Robotics Package incl. Educator Training - \$118,036 Laser Engraver Package w/extraction - \$44,940 Engineering Assembly Furnishing Package - \$42,470 Classroom and Conference/Lounge Furnishing Package - \$67,660 Project Storage Package - \$20,119 A/V Conferencing Package - \$340,907 Computing Workstation Package - \$96,607 Switch EV kit - \$90,000

Following discussion, the Committee, informed of the upgrades and updates pertaining to the program, including the equipment requested through the 61c1 CTE Equipment Grant, available to non-millage funded regions throughout the state of Michigan moved to approve the list of proposed resources. Mariano Marks moved to approve purchase of equipment, furniture, and additions to the classroom/lab that has potential to lead to student attainment of industry-recognized credentials, certifications, and licenses. Vanika Lath seconded the motion. The Committee voted to approve and support the listed equipment as well as any resources deemed appropriate by the CEPD and District staff to implement the new program and courses with fidelity.

4) Curriculum Offered, Courses Offered, and Segments Covered (Roe) 6:30-6:35

Richard discussed the future of the program, and the plan to expand, including the goal to offer additional sections of engineering-related courses, specifically three paths based on interest and desired outcome. This may lead to students enrolling in the state-approved CTE program under CIP Code 51.0000 - Engineering Technology. This program will serve not only Lincoln High School students at LHS but also provide foundational learning for students looking to progress to the SWWC engineering/manufacturing programs such as CAD, CIM, and Auto, and Welding. Launching this program at LHS will better utilize available facilities and satisfy demand for the number of students applying for CTE programs. It will also ensure that students have an opportunity to complete all 12 Segments or Perkins Core Competencies (PCCs):

Donna Bentey asked if this program is open to all SWWC students. Ryan Rowe stated that this program is intended for LHS students as they may progress through the courses, including the state-approved Engineering Technology program at LHS or choose to pursue a specific area through the SWWC.

- 1 Overview of Engineering
- 2 Component Design Processes/Problem Solving
- 3 System Project Planning
- 4 Engineering Ethics
- 5 Engineering Graphical Communications
- 6 Materials and Engineering Systems
- 7 Logistical Engineering Technologies
- 8 Civil Engineering Technologies
- 9 Electrical Engineering Technologies
- 10 Thermal Dynamic Principles
- 11 Mechanical Engineering Principles
- 12 Manufacturing, Assembly and Fabrication Principles

Richard presented aspects of how the program at LHS aligns well with the First Robotics program and connects with aspects of Additive Manufacturing through SkillsUSA.

5) Facilities & Maintenance of Program (Rowe) 6:35-6:40

Ryan Rowe discussed the alignment of, and opportunity through, both Toyota *Driving Possibilities* and SME PRIME - What an opportunity to offer students at LCS!

Educational Materials - Software, Textbooks, and Other Items

Current equipment is requested and approved by the Committee through the 61c1 grant and through SME PRIME.

6) CTSO / Student Leadership Development (Roe/Rowe) 6:40-6:45

Richard Roe spoke of how the program aligns with First Robotics and how students in the program will have an opportunity to participate in SkillsUSA - Additive Manufacturing. Richard has been in contact with other SkillsUSA advisors regarding opportunities for students at LHS. Richard provided an update on the success of FIRST and spoke to the alignment with student leadership and competition opportunities.

7) Work-Based Learning (WBL) Opportunities (Rowe) 6:45-6:50

Rvan Rowe spoke of the opportunities for students through WBL and internships. He discussed both the FAME Chapter at Washtenaw Community College (WCC) and options available to students through Zoller. With the current state of the industry and economy, there are numerous work-based learning opportunities for students as the program gets underway next school year. Ryan and Michael Stepke invited participants to attend the Zoller Student Open House April 4th.

10 1

8) Program Data – Participants, Concentrators, Completers, Tech. Skills, Non-Traditional Students (Rowe) 6:50-6:52

Ryan Rowe discussed the requirements of a state-approved program. He stated that the amount of students pursuing post-secondary education and/or entering the workforce, as well as the percentage of male and female students currently enrolled in courses is submitted to MDE OCTE. Also important is the number of students taking engineering-related courses at LHS leading to this state-approved CTE program serving as capstone experience. Second year students are often the most desirable employee candidates from high school CTE programs by business owners as they may have completed each segment of the course/program their 11th grade year and are seeking a WBL opportunity as part of the 12th grade experience.

9) Industry Certifications and Assessments (Roe) 6:52-6:54

Richard Roe spoke of the opportunities students will have to obtain industry-recognized credentials. Richard discussed what is currently offered and Ryan presented opportunities through SME PRIME. Richard will work with Charlie Jones, WISD CTE Data & Reporting Specialist, to report to CTEIS as part of the data and reporting process. This will also be documented by Richard through the CIP Self Review.

10) Post-Secondary Alignment (Rowe) 6:54-6:55

Richard will work with Al Coleman at Washtenaw Community College towards potential articulation (free college credit) between LHS and WCC. In addition, Richard is working with the Federation of Advanced Manufacturing Education (FAME) program and Mitten Chapter at WCC.

11) Questions/Comments (Committee) 6:55-7:00

Nathan Soos asked about MMC credit offered through the state-approved CTE program. Ryan Rowe stated that 4th year Math, 3rd Year Science, and VPAA are all aligned with this course. A recommendation to grant Algebra II must complete a curriculum review process.

Industrial production power on your desktop

Our unique production solution gives busy engineers and designers the freedom to focus all day on doing their best work. Transform your office 3D printing workflow with automated material handling, air filtration, and filament humidity control. The Ultimaker S5 Pro Bundle boosts productivity, flexibility, and confidence to unlock demanding applications with an extended range of materials.

Material handling without the hassle

Spend less time configuring your 3D printer and more time innovating. The Ultimaker S5 Pro Bundle delivers the market's widest range of materials in conditions perfect for 3D printing. No worries about first-layer adhesion, temperatures, or filtering ultrafine particles (UFPs) – every setting is predefined and every print job monitored via our award-winning software tools.

- Productivity: Anytime 3D printing means all-the-time productivity
- Extended materials range: 6 material bays. Over 28 million material combinations. More materials, less hassle
- Continuous printing: Auto-switching materials for 24/7 production with reduced operator time
- Safer work environment: Air Manager removes up to 95% of ultrafine particles
- Seamless software integration: Easy end-to-end management through the Ultimaker platform
- Low integration time: Out of the box setup. Out of this world productivity
- Large enclosed build chamber: Safely print bigger parts at consistent temperatures for better results
- Award-winning interface: One touchscreen controls all integrated components
- Zero-maintenance humidity control: All spools stored at < 40% relative humidity
- Ultimaker Essentials NEW : Unending access to security-assessed software – with remote printing, user management, and e-learning

Ultimaker PVA Removal Station Product data sheet

Simple post-processing. Faster parts

Experience quicker and easier post-processing when using PVA support material for complex parts or stunning visual prototypes, with the Ultimaker PVA Removal Station. Part of our start-to-finish 3D printing platform, it ensures quicker design iterations with minimal operator time and no mess.

Remove PVA up to 4x faster

The Ultimaker PVA Removal Station features a high-speed dissolving process driven by a magnetic rotor. Compared with motionless water in an improvised container, it removes PVA up to four times faster – even from hard-to-reach cavities in complex designs. So you have parts ready as soon as possible.

- Rotor-powered circulation: A magnetic rotor circulates water to reach all parts of your 3D print
- Adjustable rotor speed: Adjust for faster dissolving or to protect fragile parts
- Keeps prints secured: A rinsing basket keeps prints in place and submerged
- Easy to follow progress: A transparent, illuminated container makes it easy to know exactly when your part is ready
- Low maintenance: Ergonomically designed for easy cleaning
- ✓ No chemicals needed: Just fill with regular tap water, which can be safely disposed of when finished
- Clean and no-mess: Ergonomic design features help keep your workspace clean and tidy

TERMS AND CONDITIONS

- 1. This Proposal is not a binding order unless signed by an authorized representative of the Buyer and accepted by a Manager at INTERIOR SYSTEMS CONTRACT GROUP INC. ("ISCG").
- 2. If requested by ISCG, the Buyer agrees to provide reasonable financial information necessary to approve credit. ISCG reserves the right to modify the terms of this Proposal, including deposit requirement, based on the information obtained.
- 3. The Buyer warrants that any financial information provided to ISCG is true and correct.
- 4. Product purchased on this Proposal is not cancelable or returnable.
- 5. All imposed tariffs assessed after order placement, and applicable sales and use taxes will be added at the time of invoicing and are the responsibility of the Buyer.
- 6. The Buyer agrees to ISCG's NET 30 payment terms. Payment in full is required on all delivered product. Payment for incorrect, or damaged product, may be withheld until issue is resolved or product replacement is delivered. Should Buyer be unable to accept delivery when product is available, Buyer agrees to be invoiced and ISCG will warehouse product for 30 days at no charge.
- 7. In the event of construction delays, or other causes not within ISCG's control, force postponement of the delivery and/or installation beyond 30 days, the products will be stored until installation can take place. The products will be considered accepted by the Buyer for purposes of invoicing and payment. The Buyer agrees to pay any reasonable storage charges incurred.
- 8. In the case of partial deliveries, the Buyer will accept invoice for all products delivered.
- 9. Delivery and installation will be made during normal business hours utilizing non-union labor. Buyer agrees to pay any additional charges resulting from overtime work, and/or union labor, performed at the Buyer's request.
- 10. Interest will be charged at the higher of 18% per annum, or the maximum rate permitted by law, on all past due amounts.
- 11. Buyer grants ISCG a security interest in the products described in this Proposal until full payment has been received. Buyer agrees to keep product free and clear of all claims and liens until ISCG has been paid in full.
- 12. ISCG is authorized to file a UCC-1 to further protect its security interest in any unpaid products.
- 13. Buyer understands and agrees that ISCG is not responsible for a manufacturer's inability to meet their estimated or expected ship dates. There is no offset, or other price reduction, due to a manufacturer delay.
- 14. Buyer must provide a free and clear job site during the installation. Elevator service and adequate facilities for offloading, staging, moving, and handling of products must also be provided by the Buyer and without charge to ISCG. The Buyer is responsible for securing all necessary building permits.
- 15. Buyer is responsible for any damage to, or loss of, products after delivery. Until ISCG has been paid in full, Buyer shall maintain a policy of fire, and extended coverage insurance, on the full value of all products with loss payable to ISCG.
- 16. ISCG assigns all rights derived from the manufacturer's warranties to Buyer to the extent such rights are assignable. There are no other warranties, or extended warranties, provided as part of this Proposal.
- 17. Any controversy or claim arising out of, or relating to, this Proposal and Terms and/or Conditions, or any breach thereof, shall be settled in accordance with the Rules of the American Arbitration Association and judgment upon the award may be entered in any court.
- 18. Buyer agrees to pay ISCG's attorney's fee and all other costs incurred in the enforcement of these Terms and Conditions.
- 19. The use of VISA, MasterCard or American Express for deposits and/or invoice payments, above \$2,000, will be assessed an additional fee equal to 2.0% of the amount charged.
- 20. The Proposal and Terms and Conditions represent the entire Agreement between Buyer and ISCG and may not be changed without ISCG Management's written authorization. 12/14/18

Re: Summary of contracted therapy services for the 2024-25 school year, and contract

Thank you for meeting with me last week to discuss our services for the 2024-25 school year. We appreciate the opportunity to work with you and the staff and students of LCS again for the coming year. Below is a summary of the budget we discussed for next year that you approved. As we discussed, for the coming school year, our contract's wording will remain the same as last year, however our rate will increase from \$64.00 per hour to \$66.00 per hour. Staffing has been increasingly challenging and an increase is needed to allow for a cost-of-living increase for staff and to continue to retain experienced, quality staff. This new rate is reflected in the budget summary below. Please let me know if you have questions. We look forward to continuing to work together with you and the staff and students of LCS.

2024-25 THERAPY SERVICES

SPEECH THERAPY - 2.8 FTE (98 hr/wk)

LINCOLN CONSOLIDATED SCHOOL DISTRICT CONTRACTED SERVICE AGREEMENT

This agreement is made this twenty-second day of April 2024, between Pediatric Therapy Associates, LLC, P.O. Box 8355, Ann Arbor, Michigan, 48107, whose tax identification number is 38-260-4341, hereafter referred to a Contractor, and the Lincoln Consolidated Schools of Washtenaw County, hereafter referred to as School District.

It is the intention of the parties to enter into an Agreement defining the nature and extent of the duties to be performed by the Contractor, the place the services are to be performed, the amount of time for the performance of the duties and the responsibilities of the school district.

SECTION I

1) The Contractor shall commence performance of the duties no earlier than August 1, 2024. The duration for providing services shall be for one year.

2) The Contractor agrees to perform the following duties and any necessary tasks incident to full performance of the described duties.

A. Provide direct Physical, Occupational and Speech Therapy services, as designated by the IEP or IFSP and the referring physician (for Physical Therapy only), to students enrolled in School District programs who are assigned to the Contractor by the School District.

- B. Provide training and consultation to School District staff, as directed by the Director of Special Education.
- C. Provide evaluations as needed, and requested by the School District.
- D. Attend IEPC and IFSP meetings and team meetings as appropriate.
- E. Maintain written records, documentation and Medicaid billing as required by the School District.
- F. Provide ongoing communication with appropriate school personnel, parents, other professionals associated with the students' therapy programming.

3) The Contractor agrees to perform and shall provide, at the request of the School District, periodic reports describing services the Contractor is providing.

4) The Contractor shall submit a detailed invoice describing the services for part payment of the contract price not more frequently than once per month.

5) In the event that the Contractor uses motor vehicles in the course of performing the services described above, the Contractor will provide proof of public liability insurance upon request.

6) The Contractor understands that the School District liability insurance does not afford any coverage to the Contractor for any work associated with this contract. The Contractor agrees to hold harmless the School District for any sum related to the cost of liability

insurance and any associated attorney fees arriving out of the performance described above. The School District shall request the Contractor provide proof of professional liability insurance.

7) The Contractor acknowledges by her signature that she has read the Agreement and understands same and agrees this contract constitutes the total agreement between the parties and that anything not included in this contract is expressly excluded.

8) The Contractor will hold a current license in the state of Michigan and will furnish a copy upon request.

SECTION II

The School District agrees as follows:

1) The Contractor's services are based on the time reasonably expended by the Contractor to complete the tasks described and is based on a rate of \$66.00 per hour of time expended for therapy services, not to exceed the amount of **\$777,777.00**

2) The Contractor agrees that the relationship with the School District shall during the life of this Agreement be that of an independent contractor. As such, the School District agrees that the Contractor shall be free to dispose of such portion of his entire time, energy, skill during the time he is not obligated to devote to the School District in such manner as the Contractor sees fit and to such persons, firms or corporations as the Contractor deems advisable. The Contractor shall not be considered as having an employee status or as being entitled to participate in any plans, arrangements, or distributions by the school district pertaining to or in connection with any fringe, pension, bonus or similar benefits for the School Districts regular employees. The School District will not withhold or pay any sums, state, federal or local taxes, FICA, Michigan School Employees Retirement, insurance, or workman's compensation insurance. The Contractor agrees to hold the School District harmless for the payment of such sum, interest, penalties or costs in the collection of the same.

3) The School District acknowledges that the Contractor has no responsibility for the supervision of any personnel in caring out their educational functions, and any recommendations made by the Contractor, other than those related to a student's therapy performance, will require the consideration of the School District.

4) The School District agrees that the Contractor shall have access to the School District premises at such times as is necessary for the Contractor to perform the above prescribed tasks. The location in which the services are provided will be mutually agreed upon by the Contractor and the School District as to best serve the student's needs. Time required for travel between sites within a district will be billed at the hourly rate.

5) The School District agrees that the Contractor shall have access to records related to students assigned to them.

6) The School District agrees to purchase evaluation and treatment material necessary for provision of the therapy services.

7) The School District agrees to pay the invoices submitted by the Contractor within thirty calendar days from receipt in the School District's Business Office.

8) The School District acknowledges by signature that they have read the Agreement and understand same and agrees that this contract constitutes the total agreement between the parties and that anything not included in this contract is expressly excluded.

SECTION III

1) Either party may terminate this Agreement by giving the other 30 days advance written notice.

2) The Contractor understands that therapists providing contractual therapy services for the School District will perform their services as directed by the School District's Special Education Director and such Special Education Director may request removal of a given contract therapist for reasonable cause and request replacement of such therapist for the remainder of the contract period by providing the request in writing to Pediatric Therapy Associates.

3) Any change in the duties of the Contractor as described above, shall be at the mutual agreement of the Contractor and the School District.

Hi Phili:

Thanks for the chat yesterday. Budget figure for this project is attached.

I have reviewed with Engineering and we have a solid design (basically same thing we discussed on the phone). We will use LHS or LMS as a shared tower site for a 3 repeater trunked system which will be able to accommodate all of the talkgroups we discussed.

- LHS
- LMS
- Bishop
- Bricks
- Childs
- Model
- ALL CALL (over ride all users and received no matter what channel the radio is on)
- *all buildings/channels will be reachable by neighboring buildings/users

For Budgetary purposes, I went with 30 ADMIN radios and 420 STAFF radios. We can easily +/- those at time of order once we have hard counts.

Let me know if I missed anything or you see anything you want changed before you submit on Thursday and I'll jump on it.

Thanks! Matt

Thanks, I'll have my assistant set up a call for us. Can you send me over some pricing so I have an idea of cost.

Talk to you soon! phil

Good afternoon,

I hope all is well with you. We are looking to make a very large order for handheld walkies like the ones we have ordered in the past so that every employee in the district has the same type of equipment.

I am still working on the exact quantity; however, I believe it's around 450. Would it be possible for you to get us that many, if so, how long would it take to product them. We would like them all to be on the same frequency, with the ability for each building to use their own channel and be able to switch channels if they would like to speak to someone at another building, transportation, or switch to an emergency broadcast channel.

We are also interested in outfitting all our buses with the 1:1 chirp radios that use the cell towers to allow for a better range on the outskirts of our district. We have approximately 35 buses, along with dispatch and mechanics that would need to be outfitted.

Let me know what you think, and if you would like to set up a quick call to discuss if you need more information.

Warm Regards, Phil Bongiorno Director of Facilities Lincoln Consolidates Schools 734-484-7039

Subject:Sentinel - LCS InformaCast Budgetary ProposalDate:Wednesday, April 24, 2024 at 11:02:13 AM Eastern Daylight TimeFrom:Shingle, RobTo:bongiornop@lincolnk12.orgAttachments:InformaCast.008068.v3.67.pdf

Hi Philip,

Thanks again for the earlier email. I hope my earlier response was helpful. Please see the refreshed Budgetary Estimate for Singlewire InformaCast Fusion. Per our earlier conversations, we have presented 4 options from which to choose:

Option #1: \$59,460.25

- 36 Months
- Virtual Machine

Option #2: \$60,425.03

- 36 Months
- Dedicated Appliance

Option #3: \$75,829.63

- 60 Months
- Virtual Machine

Option #3: \$76,794.41

- 60 Months
- Dedicated Appliance

As I mentioned earlier, Sentinel has been working with LCS and YCS both for many years, and Sentinel is on many State and National contracts, and can sell Singlewire InformaCast. Also, our local engineers have many years experience installing and configuring this system. If you would like to schedule a meeting to further discuss, please reply and let me know. We can review each option and discuss the difference between the virtual machine and the dedicated appliance options. I can send over some open dates/times to meet.

Thanks, Rob Shingle Team Lead, Sales Sentinel Technologies, Inc. 734-794-5713 office 734-223-8983 cell rshingle@sentinel.com

We have prepared a contract for you

InformaCast Fusion

Budgetary Proposal # 008068

Prepared for:

Lincoln Consolidated School District

Solomon Zheng techdirector@lincolnk12.org

Statement of Work

- Sentinel will setup Mobile Phone SMS Alerts in Informacast Fusion
- Sentinel assumes that the district will be responsible for setting up user devices to receive SMS alerts.
- Sentinel assumes that the districts firewall vendor will be responsible for making changes to firewall policy to facilitate Singlewire Fusion Connectivity and Functionality
- Paging Zone Controllers
 - Sentinel will install the zone controllers at each of the nine building and integrate them with the existing analog paging system.
 - Sentinel assumes that the zone controllers will be installed in the same room as the analog paging system.
 - Sentinel assumes that the district will provide a CAT5/6 Drop at each of the locations to provide connectivity back to the nearest IT Closet.
 - Sentinel assumes that the district will provide a POE+ port on a switch in the IT Closet to power the zone controllers.
- Access Control IO
 - Sentinel will install the Access Control IO Units at each of the nine building and integrate them with the existing S2 Access Control System.
 - Sentinel assumes that the Access Control IO Units will be installed in the same room as the S2 Access Control System.
 - Sentinel assumes that the district will provide a CAT5/6 Drop at each of the locations to provide connectivity back to the nearest IT Closet.
- Acceptance Testing
 - Sentinel will work with the district to perform acceptance testing.
- Training
 - Sentinel will provide informal training on Singlewire Informacast Operation for up to four IT Staff Members
- Documentation
 - Sentinel will provide documentation of the project including producing some minor operational procedures such as updating page groups and adding phones to page groups.

It is the intent of this engagement that Sentinel will architect, design, and implement the project according to Sentinel established best practices and, in a manner, ready for production computing. During this project, knowledge transfer of general administration tasks, points of scale, and the environment will be provided to prepare the customer staff moving forward after the engagement. It is assumed that the customer has valid entitlements for all applications required for access to upgrades as described within this project. If not, additional time and effort may be required as a PCR. Sentinel can also supply quotes for needed/required maintenance or licenses needed to move forward with the upgrades and integrations. The next section "Project Overview" highlights the main phases involved in this project. The "Scope of Work" section then lays out in further detail what is covered as part of this project. Finally, "Customer Responsibilities and Assumptions" details important assumptions Sentinel has made in discussion with Lincoln Consolidated School's Team.

Phase 6 - Project Completion

Upon conclusion of all other phases of work Sentinel's engineers will provide the Customer with updated design documents for the project. Sentinel's project management team will then arrange for a meeting with the Customer to review the status of all project items. If no project items remain open Sentinel's project managers will request that the Customer sign off on the project, thus closing the project at that time.

- Sentinel will work with the district to determine the Alerts and Notifications required by the district as specified in the implementation blueprint.
- Sentinel will implement the required Alerts and Notifications in SingleWire Informacast Fusion as specified in the implementation blueprint.
- Application Authentication Sentinel engineers will work with the district to implement a Google as the Identity Provider. If a supported Identity provider is not available, then Sentinel will Setup the Local User Database.

Implementation - Cisco Unified Communications Manager Configuration

- Sentinel will configure Cisco Unified Communications Manager to provide the functionality required by Saginaw Public Schools including:
 - o Cisco IP Phone Paging
 - One Paging Group per School

Implementation – Zone Controllers and Contact IO Units

• Sentinel engineers will perform the physical installation of the Zone Controllers and Contact IO Units

Implementation - Network Switching for Device Connectivity

- Switching
 - Sentinel engineers will configure an "IP Speaker" VLAN(S) on the core switch and if necessary, on access layer switches to be used for IP devices as specified in the Implementation Blueprint.
 - Sentinel engineers will configure DHCP Scopes to allow for SLP discovery as specified in the Implementation Blueprint.
 - Sentinel will configure DNS to facilitate device configuration as specified in the Implementation Blueprint.
 - Sentinel engineers will configure Multicast on the existing LCS core switch as required to implement this project.

Acceptance Testing

• Sentinel engineers will work the district provide acceptance testing as specified in the Implementation Blueprint

Cutover / Migration Strategy

Sentinel has provided Engineering and Project Management professional services to support a cutover/migration strategy. The project team will deploy the solution within an estimated 9 cutover window(s). Any additional cutovers or phased installation work will be added into scope via the change order (PCR) process and may require additional professional services to complete.

Cutover Planning Services Provided by Sentinel

- Optimal coordination of all resources.
- Guiding the Customer on aspects of the project they are required to perform.
- Tracking and reporting of progress.
- Management of agreed to budget issues.
- Management of expected timelines for implementation.
- Changes to the project and communications of changes in writing using a Project Change Form.
- Post installation document gathering, assembly and presentation.
- Post installation project completion agreement and signature.

Project management will ensure complete project success. Communication is the cornerstone of project management and the project manager will be the central communication mechanism for all parties. This will assure all relevant parties are informed about decisions that may affect the success of their component of the solution.

Agenda Item

Statement of Work

could be an additional charge to source through a warehousing distribution partner.

Site Readiness and Site Survey Requirement

Every effort has been made to ensure that proper power cords and patch cables have been included to match your environment's infrastructure. The notes section of the Bill of Materials (BOM) explicitly states the quantity and type of cords quoted.

Permits & Access

Unless otherwise agreed, all permits, variances, access to facilities, roof access, building warranty concerns or other site specific information and procedures are the responsibility of the Customer. Sentinel can assist as needed, but will need to be informed of any requirements prior to the site survey to consider these within the validation process.

Remote Support

Sentinel's service estimate assumes remote access support through IP VPN or IP PPP connection. Without this access, additional services may be incurred for optimization and tuning required pre and post installation.

Travel Requirements and Cost

Unless specified within the proposal, all travel expenses and time are not included. Travel time shall be invoiced at pre-negotiated rates and expenses plus per diem at actual costs.

Existing Hardware Compatibility & Firmware Updates

Where Customer provides existing server or other hardware, it is assumed the Customer has verified all such hardware is compatible with the versions of the software specified within the scope. This includes relevant firmware updates. Sentinel will not be providing firmware updates to any servers as part of this Scope of Work.

3rd Party Integration

Unless noted otherwise, Sentinel assumes no reliance on 3rd Party applications, connections or plug-ins to software deployments and updates as specified in this scope. If during Analysis and Planning any required

devices upon request.

Labor Union Requirements

Sentinel has NOT included any parameters for Union workers. Any requirement would require a subcontract arrangement to be determined up front and would increase the cost of deployment.

Patching and Equipment Cabling

Sentinel assumes, unless noted here, that the Customer will patch in all equipment to the cabling plant within the facility. Sentinel can perform this connection service at an additional charge with an approved PCR.

Customer Proposal Acknowledgement

Four options are available to ensure the accuracy of the selected items; please initial next to which method you agree to: (SELECT AND INITIAL ONLY ONE)

Note: In the absence of the Customer selecting one of the four options below, it is agreed that the contract will default to Option #1.

Initials	Option 1
	Customer waives the opportunity to complete a site/closet checklist, has reviewed the BOM and agrees to quantity, type and length of the power and patch cables provided. [Financial obligation for labor and materials for changes identified post order will be the Customer's responsibility] Option 2
	Customer has provided a site/closet review checklist document and confirms the quantity, type and length of the power and patch cables quoted. [Financial obligation for labor and materials for changes identified post order will be the Customer's responsibility, unless Sentinel provided the incorrect part based upon the provided checklist] Option 3
	Customer elects a "for charge" onsite survey of the facilities and closets to determine the quantity, type and length of the power and patch cables required. In addition, Sentinel will assess each closet's cooling and UPS readiness for the proposed equipment being provided. [Financial obligation for labor and materials for changes identified post order will be Sentinel's full responsibility, unless changes to the site have taken place subsequent to the site assessment]

Hi Tom and Philip,

Thanks for the email. I am glad to hear that the Singlewire InformaCast solution looks to be a great tool for LCS. Sentinel has worked and works with LCS on many IT-related projects (hardware as well as Professional Services). Sentinel is on many state and national contracts for purchasing, which allows our customers to avoid any RFPs. These contracts allow Sentinel to provide pre-bid, heavily discounted pricing for our customers. So, I believe to answer your question, yes, Sentinel is approved.

To assist you with understanding Sentinel's involvement with National and State Contracts, please see the link below. This is to our website and our contracts page:

Contract Vehicles | Sentinel

Also, Sentinel has sold many Singlewire InformaCast solutions in Michigan as well as other states.

Sentinel has presented a proposal to Solomon Zheng at LCS in February, and while we will need to refresh the proposal, we can do so in order to get this in your hands as well as Solomon's for review. I will get this refreshed and over to you in the next 1-2 days.

Philip, I hope this answered your question. I am completely open to scheduling a meeting to further discuss if you prefer.

Thanks,

NOC: 1-800-860-8102 (24x7x365) Incident Response Hotline: 1-844-297-4853 (24x7x365)

WISD Programs and Budgets Review

including

Local School District Services 2024-25

presented April 2024

Our Goal

- Explain the mandated budget review process.
- Review your role in this process.
- Give you the information you need to carry out your role.
- Support you in your efforts.

Mandated Budget Review (new)

Section 624 of the Revised School Code, as amended, requires an ISD Board to have its proposed General Fund budget reviewed by its constituent districts each year.

ISD Board

By May 1 of each year:

The intermediate school board shall submit its proposed General Fund budget for the next school fiscal year to the board of each constituent district for review.

Local Board

By June 1 of each year:

- The local board will review the proposed ISD budget.
- Adopt a resolution expressing its support for or disapproval of the proposed ISD budget.
- Submit any specific budget objections and/or proposed changes to the ISD board.

ISD Board

If an intermediate school board receives any specific objections or proposed changes, the intermediate school board shall consider the proposed budget changes.

Role of WASB Director

Now

- Serve as an ambassador.
- Learn about ISD budget process.
- Ask clarifying questions.
- After May 1 (with superintendent)
 - Present information to your board.
 - Ask for help, if needed.
 - Answer questions from your board.
 - Submit resolution to WISD by June 1.
 - Throughout the year
 - Remain involved, stay informed.

WASHTENAW ISD

Our mission is to **support** the **physical**, **mental**, and **emotional well-being** of K-12 students

throughout our community.

BRIDGE TEAM

Agenda Item 11.2 May 13, 2024

Our vision is to **empower** students, families, and educators by expanding intervention strategies to **increase mental well-being** for academic success.

The Need	Mental health profoundly influences academic success. Conditions like depression and anxiety correlate with lower grades and higher dropout rates. Our intervention can mitigate these impacts, fostering an environment conducive to learning and growth. Schools offer a unique platform for mental health support. They provide continuity of care, identification, and referral services. Moreover, schools can combat stigma, fostering open dialogue and resilience among students.
Our Offerings	Our Bridge Clinical Team comprises skilled professionals: • Clinical Social Workers offer counseling, coordination, and intervention strategies • All mental health specialists provide direct support, consultation, and home-school collaboration. • Crisis Mental Health Coordinators facilitate crisis transitions and Wraparound services. • Dur streamlined process ensures timely assistance: • Each district designates points of contact for referral coordination. • Referring staff receive contact within three school days. • Clinicians began working promptly to assess and address students needs.

Agenda Item 11.2 May 13, 2024

•Children's Savings Account program operated by the WISD in collaboration with Washtenaw County Government.

•Provides a jump start on planning and saving for college and career training for students in 1st-6th grades in Washtenaw Public Schools and participating Public School Academies.

•12,111 accounts have been opened with over \$500,000 already invested for students to use for their educations after high school.

•All eligible students automatically receive a \$25 starting deposit and some students, based on family income, may qualify for an additional \$475.

School Safety

•Annual Meetings with Police Chiefs & County Superintendents

•Support on development of Emergency Operating Plans

•Shared Learning Sessions: MSU Emergency Services Lessons Learned and Oxford Report Review and Lessons Learned

Special Education

Lincoln Consolidated Schools, Washtenaw County, Michigan (the "School District")

A regular meeting of the board of education of the School District (the "Board") was held in the Board of Education Office 7425 Willis Road Ypsilanti, within the boundaries of the School District, on the 13th day of May 2024, at 6 o'clock in the p.m.

The meeting was called to order by Czachorski, President.

Present: [Add all board members present]

Absent: [Add all board members absent]

The following preamble and resolution were offered by Member [Insert Name] and supported by Member [Insert Name].

WHEREAS:

- 1. The School District is a constituent local school district of the Washtenaw Intermediate School District, Michigan (the "ISD"); and
- The School District has received information from the Board of the ISD detailing the ISD's anticipated request for an election to consider a special education millage renewal ballot question; and
- 3. This Board desires to express its support for the ISD's proposed special education millage renewal question.

NOW, THEREFORE, BE IT RESOLVED THAT:

- 1. This Board of Education formally states its support for the ISD's proposed special education millage renewal question to be placed on the ballot of the November 5, 2024, election.
- 2. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same are hereby rescinded.

Ayes: [Insert members' names]

Nays: [Insert members' names]

Resolution declared adopted.

Secretary, Board of Education

The undersigned duly qualified and acting Secretary of the Board of Education of Lincoln Consolidated Schools Washtenaw County, Michigan, hereby certifies that the foregoing constitutes a true and complete copy of a resolution adopted by the Board at a regular meeting held May 13, 2024, the original of which is part of the Board's minutes. The undersigned further certifies that notice of the meeting was given to the public pursuant to the provisions of the "Open Meetings Act" (Act 267, Public Acts of Michigan, 1976, as amended).

6002 Safety and Security

School District facilities and grounds will be kept safe, clean, and attractive. The Superintendent will develop and implement a maintenance program for the safe and efficient operation of the School District. The program will provide for the regular inspection and periodic maintenance of all School District facilities and be compliant with all applicable safety, health, and environmental requirements.

The School District will undertake reasonable cooperative efforts with law enforcement agencies. The Superintendent and building administrators have the responsibility and authority to determine when the presence or assistance of law enforcement officers is necessary on School District premises and School-related functions.

Threat Assessment and Suicide Intervention

The Superintendent will develop a threat assessment and suicide intervention protocol aimed at addressing situations which may pose a threat to the health, safety, and welfare of themselves or the school community. The goal of the threat assessment and suicide intervention process is to take appropriate preventive or corrective measures to maintain a safe school environment, protect and support potential victims, and provide assistance, as appropriate, to any student or staff member being assessed.
