January 2020 Middle School Newsletter

December was a very busy and successful month at Lincoln Middle School. As we embark on our new beginning in 2020, I hope we have learned from our 2019 experiences. I trust that everyone is rested and rejuvenated for 2020! The New Year always sets a positive energy in our spirit and I hope we can capitalize on the opportunity. The New Year is about starting over with a sense of excitement to learn from our previous lessons and become better in the future. Please remember that life is a moving forward experience and not a going backward to experience. There will be greater opportunities that lie ahead with new relationships and old ones to build upon. So, please have an open mind and spirit and move forward with great expectations!!!

Now that school has resumed after the much-needed break, parents please make sure your student is ready to do their best academically and socially. Students have three weeks remaining before the semester ends, it is critical that they finish out strong. We also need you to review the student code of conduct to ensure they are doing positive things in relation to our PBIS expectations.

Our first day with the middle school bus loop and parking changes went pretty well. Parents, please remember that students are to be dropped off and picked up at the North entrances closest to the gymnasium/tennis courts. Students arriving to school after 7:40 am must go to the main office to receive a tardy pass. In addition, parents that need to go to the main office to see a counselor, have a meeting or to see an administrator, they must enter through the main office doors. Thank you for your support as we work to improve all aspects of our middle school community. Wishing everyone a safe and prosperous New Year!

Sincerely,

Principal Green

Sincerely,

Timothy K. Green, Ed.S
Principal
