Back Packs & Large Bags are Prohibited at Athletic Events

Athletics started enforcing a strict no backpack or large bag policy last school year for the security of everyone attending our athletic events.
About PBIS

PBIS stands for Positive Behavior Support. It is a program designed to teach respect, responsibility, and safety at school. We at LMS hope to encourage students to continuously make good behavior choices by implementing this program.

PBIS provides teachers and other school staff with information to prevent behavior problems and support ongoing efforts to maintain a safe learning environment.

Research shows that the use of PBIS in schools has resulted in increased time for instruction. In addition, it increases positive behaviors school-wide, therefore decreasing disruptive behaviors.

What Can Parents Do?
- Parents can help by reading and discussing the Behavior Expectations Matrix found in the student agenda on a regular basis.
- If your child experiences behavior problems in school, review with them the Behavior Expectations Matrix.
- Work on a plan to assist your child with strategies for appropriate behaviors.
- Support teacher and administrative behavior decisions. Discuss problems privately with staff.
- Volunteer to be a parent member of the LMS PBIS team.
- Chaperone PBIS sponsored events.

How the Program Works
- All students and staff are taught the school-wide expectations and they receive regular and frequent opportunities to practice them and be acknowledged when they use them.
- Contact that students have with adults in the building focuses on positive reinforcement as opposed to negative reinforcement. It is our goal to provide students with positive interactions using a reward system.
- Staff uses data to make decisions regarding school behavior expectations.
- A PBIS school provides consistent rewards and interventions for all students.

Program Highlights
- Posters are placed throughout all areas of the school to remind everyone of our behavior expectations.
- Behavior expectations are broadcast through our daily announcements.
- Teachers provide all students with instruction and practice opportunities for expected behaviors.
- Staff provides rewards for students demonstrating respectful, responsible, and safe behaviors.
- Rewards are given for positive behavior on an individual, team, grade level and school-wide basis.

Both Lincoln Middle School and Lincoln High School now carry the Flu vaccine. The state provides us with vaccines to give to uninsured or under insured children. We bill insurance for those that have it however charge no co-pays.

You must be registered with RAHS & unfortunately we only see children < 21 years old.

We give vaccines whenever the clinic is open, however, we schedule the visits. To space them apart (this is not a walk-in event).

Are you interested in our state government? If so, Lincoln Middle School’s newest club may be for you! **Youth in Government** will start Thursday, September 19th. We will meet after school from 2:45 to 3:45.

In this club you will learn how the legislative side of our state government works. You may have a chance to go to the state *Youth in Government* Conference where you will spend a day at the capital in Lansing. If you are interested, join Mrs. Bryant in room 808 on Thursdays starting September 19th. Please see your social studies teacher for a flyer.

This year, as part of our College and Career Readiness Goals, the sixth and seventh grade students will have an opportunity to step foot on a college campus to explore a variety of career interests.

**Engage@EMU** is a student-centered camp that allows our kids to explore, experience, and have fun while learning about a career plan of their choosing.

Students will select a “camp” they wish to attend during their 3-day EMU experience. Possible career classes include: Aviation, Computer: Digital Inclusion (building computers), Photography, Nursing, Drones, Theater and more….

- **7th Grade Camp** – May 5-7
- **6th Grade Camp** – May 13-15

Engage@EMU is a day camp. Students will be transported to EMU each day and returned to school in time to ride the bus home.

Approximate Cost is $120.00 per student. We are working hard to reduce this cost by holding fundraisers that will support the greater good (reduce cost for all students)

- Aubree’s Dine to Donate nights (through Oct)
- Snap Raise (similar to GoFundMe) Information will come out later as an exact date is not set
- Reaching out to local businesses for support
- Additionally, EMU is looking into grants to help support our students

A final cost per student will come out after January 2020. At that time parents will have the option of paying in installments or paying in full.

There will be an informational meeting Wednesday Sept. 25th at 5:30 in the Middle School Media Center. I look forward to seeing you.

If you have any questions please contact:

- Kim Atkins (6th grade) at atkins@lincolnk12.org
- Becca Ward (counseling) at ward@lincolnk12.org
- Sheryl Doty (7th grade) at doty@lincolnk12.org
Middle School Boy Basketball Tryouts

Tryouts for any 7th or 8th grade boy who is interested in playing middle school basketball will be October 28-30 from 3-5pm in the LMS gym.

All athletes must have a current MHSAA physical (dated after April 15, 2019) completed and turned into the Lincoln Athletic Office prior to tryouts. Any athlete that does not have a physical turned in will NOT be eligible to participate in any portion of try outs- no exception!

Need a physical? Contact the Lincoln Middle School RAHS clinic at 734-714-9509 to set up an appointment for your son. Appointment times can be during school or after....for FREE!

Upon making the team, every athlete is required to maintain a 2.0 or above GPA and pay a $100 Athletic Participation Fee. Athletes are NOT eligible to play in games until fees have been paid in full. To pay your sons fee now, click here. Payment can also be made in the Lincoln Athletic Office with cash or check.

Lincoln Athletics

Middle School Families,

We would like to thank you for your attendance at all of our athletic events and remind you of our athletic procedures that help us manage our many sporting events. Please find attached a short summary of our ticket procedures.

We reach out to you at this time to ask you to honor our athletic procedure that specifically applies to middle school and elementary students. **At all athletic contests, middle school and elementary students will not be admitted without an adult.** Please help us by supervising your kids in and around the football stadium. We’re in a construction stage right now, and we have to keep all of our students safe.

**All students that congregate near the south end of the stadium area grass...as well as in area behind the home grandstand...will be sent back to the grandstand area. Repeat offenders in these areas will be removed from the stadium, and their attendance privileges will be revoked.**

As always, we will encourage you to take advantage of the Lincoln Family Pass...for a one-time fee of $125, your entire family can attend a full school year of athletic events. In addition, Senior passes are available for free for any member of our community over 60 years of age - stop in the Athletic Department at Lincoln HS during regular business hours. As always, all employees of the Lincoln Consolidated School district are admitted for free to all athletic events using your employee badge.

**Our first responsibility is to keep our kids safe...please don’t drop your son or daughter off to an athletic contest unsupervised.**

Thanks for your help!

Hello Parents! #WhyYouMatter is a campaign run by Lincoln Middle School each year. We aim toward building self-esteem, a stronger community, and helping students recognize how very important each and every one of them are.

We are looking for volunteers to help with the photography part of the campaign. All students will be photographed with a personal sign stating “why they matter”. For some students this is a very difficult part of the campaign as they still struggle with identifying their strengths. In addition to these sometimes difficult conversations, you would be helping with the logistics of organizing the picture taking.

You do not need to go out and buy a high-end backpack

You can donate any drawstring backpacks you have at home.

Drop them in the box in the front office before October 31st.
Athletic Office Hours
Submit MHSAA Physical and Consent Forms
9:00 am-12:00 pm or 1:00-4:00 pm
The athletic office is located behind the high school and across from the football field entrance.
The completed MHSAA form can be scanned and sent to hasten@lincolnk12.org or Fax to 734-484-7020.
The MHSAA form that is incomplete will be rejected and will make your child ineligible to tryout until completed. Please submit the form fully completed.
