Greetings, Brick Families!

We have some great things going on at Brick that I’d like you to know about:

*We will be holding our Kids Read Now book event on Tuesday, June 4th at 6:00 pm. Students from Young 5s through third grade are able to come out and get their first free books that night while enjoying some fun reading time in our Brick Media Center.

* Save the date! Our Brick Bash and Parent Appreciation Luncheon will be on Friday, June 7th. I have heard so many amazing things about Brick Bash and cannot wait to experience it for myself!

* Our 2nd grade Spring Sing is scheduled for Tuesday, June 11 from 6:30-7:00. The performance will begin at 6:30 but students are asked to arrive at 6:00. It will be held in the Brick auditorium.

* Parents of 5th graders, as a reminder, we will be holding our 5th grade recognition ceremony on Thursday, June 13th beginning at 9:30 am. We will be doing a student clap out throughout the building that morning and then recognize our 5th graders at 10 am in the Brick Auditorium. We decided to hold this event at Brick this year so our students could have a chance to walk across the Brick stage one last time!

* There are several events coming up in the summer that I’d like you to know about. Brick Elementary will be sponsoring a Reading in the Park on Tuesday, July 16th at 6:00 pm. Our theme this year is Super Heroes. We will have real life superheroes there from the police department, the fire department and more!

We will also be holding our Bounce Back to school on Thursday, August 15th from 4-7 pm. Please watch for more details for both of these fun events later in the summer. I will also put a call out when we are closer to the date.

* Please remind your student to keep reading over the summer. The summer slide is a real thing and we don’t want them to lose any of the progress they’ve made this school year.

This is my last Robinette’s Report for the school year. I want to wish all of you a happy and fun-filled summer. It has been such a joy coming to Brick Elementary and I’m very much looking forward to next year. To my fifth grade families who will be moving on, please know that you and your students will be missed. Please stop by and say hi sometime. I would love to hear how the students are doing at the Middle School.

Important Upcoming Dates to remember:
- June 4th-Kids Read Now for Young 5s-3rd Grade students

**CONGRATULATIONS**

Brick Girls On The Run!!!

We are SUPER proud of all the strong girls that participated in Girls On The Run this year! AND Thank you to all the parents who volunteered to help keep this amazing program at Brick!

**Brick’s Mother’s Day Celebration:**

Thank you to all the Brick Moms, Grandmothers, Aunts and other female role models for helping love and support our Brick students at home!

We had a great turn out celebrating all that you do!

**Brick 5th graders working on STEM by making water filters:)**
Brick Green School

Brick students invited DTE Energy to come teach them about energy conservation and safety in celebration of Earth Day.

To celebrate the Earth, Brick students also cleaned up the school grounds and made “Recycle/Reuse” bags for our local Kroger to raise awareness to our need to conserve our precious resources!

Brick Multicultural Literacy Family Night:
Thank you to all the families that came out to make our Brick Multicultural Literacy Night a success! We had the 1st ever Elementary School Art Gallery and an amazing concert!

Thanks to our guest readers and published authors, Mr. and Mrs. Brad Northrop for sharing their new children’s story with us!

Thank you also to all that families that brought food for our potluck! It was awesome trying foods from different countries!

Brick 5th Grade Young Bankers Club:
Mrs. McKelvey’s 5th Graders had the unique opportunity to work with our local 5/3 Bank to learn all about finances! They even took a trip to Detroit’s Financial District!

Thank you Brick PTO for all the goods and gifts during Teacher Appreciation Week!!
