FROM THE SUPERINTENDENT

I hope this communication finds the Lincoln community enjoying their summer break and preparing for the upcoming school year. Our summer has been busy as we finalize the direction we will take to make this school year one to remember.

Several great things have occurred over the past few months and I am proud to share them with each and every one of you. This past June, Lincoln bid a sincere farewell to an icon that has been in charge of the Athletic Department for twenty plus years. Mr. Sid Wright retired from Lincoln after thirty-eight years of service to this community. We will miss Sid and we wish him years of happiness and good health on his next journey.

One of the most exciting announcements I have for this community is one we can all be very proud of and set as a future standard. All Lincoln Consolidated Schools have made AYP (Adequate Yearly Progress) as mandated by the No Child Left Behind federal mandate. This accomplishment is a direct result of staff, students, and parents being committed to excellence and settling for nothing less. I would also like to express my deepest appreciation to Mr. Richard Schaffner, Executive Director of Curriculum and Instruction, for leading the charge in aligning the district curriculum and providing our teachers and support staff with the tools necessary to make this happen. Congratulations to all.

I believe we have turned a corner in our district and we can’t stop the momentum now. Future planning and our vision must be focused on what’s best for our children. When you look at our school district and the opportunities that exist, what expanded opportunities do you want your child to have in order to become successful and well prepared citizens? On November 3rd, you will be asked to vote on a county enhancement millage of two mills. As you enter the polls—and I encourage each of you to vote—remember these three important outcomes.

1. Strong schools attract jobs. If we are to enhance our community, our schools must be excellent to attract new industry and economic growth. Strong schools indicate we have a strong workforce from which to draw.

2. Our children and grandchildren need and deserve the best preparation possible. Whether they are planning on a four-year degree at a top university or attending a community college or technical school, we must provide 21st century skills for a 21st century job.

3. All of the money that is collected for Washtenaw County stays in our county.

In closing, I am excited to see another school year begin and look forward to seeing many of you throughout the year.

Lynn Cleary
Superintendent of Schools
Lincoln High, our “Alma Mater”

To your school we’ll sing our praise

**Important information for all residents**

**SCHOOL FUNDING ON NOVEMBER BALLOT**

A regional enhancement millage will be on the November 3rd ballot. Residents of Washtenaw County school districts are being asked to consider this proposal, which will provide public school districts with much needed revenue. The 2 mills will generate funding for programs that will provide students with academic support to assist them in securing 21st century jobs. The last day to register to vote in this election is Monday, October 5, 2009.

A positive millage outcome will also assist in retaining quality teachers and support staff who are necessary to guide students through the educational process. Passage of this millage is critical to maintaining a strong and competitive public education system. Please remember to vote on Tuesday, November 3, 2009. For more information call (734) 484-7001 or visit www.lincoln.k12.mi.us.

**LINCOLN EARLY CHILDHOOD SERVICES**

The Lincoln Early Childhood Center, located in Model Elementary School, offers a range of comprehensive services for children from birth through age five. The center utilizes a model that emphasizes that parents are a child’s first, best, and most influential teachers.

The Early Childhood Center also includes classrooms for Michigan Readiness, Early Childhood Developmentally Delayed, and the integration of Lincoln’s Early–On Program with First Steps Washtenaw. The goal of the center is to establish a primary prevention community available to all families living in the Lincoln community. Through strong parental involvement, the Early Childhood Center is an avenue promoting the improved social, cognitive, and physical growth of young children in our community.

**Pre-School**

Lincoln offers two different pre-school programs. Students for these programs must be four years old by December 1st and reside in the Lincoln School District.

Michigan Readiness is a grant-funded pre-school program. Eligibility for this program is based on household income and a child’s “risk factors.” For more information on this program please call 484-7070.

Lincoln also offers a tuition-based pre-school run by Bemis Farms, and located at Model. For more information on this program please call 484-7000, ext. 7130.

**First Steps Washtenaw**

Enrollment for the First Steps Washtenaw program is ongoing. This program offers play groups for children birth through age five. Families enroll in First Steps when they attend their first playgroup session. Call the school office for the schedule.

ATTENTION:

**PARENTS OF CHILDREN BIRTH – AGE FIVE**

If you have any concerns about your child’s development, the staff at the Lincoln Early Childhood Center at Model Elementary is ready to work with you. We can provide free developmental screenings. When screening results indicate a need for more in-depth information, we can provide evaluation services to determine if a child/family is eligible to receive the following services that our center provides:

- Teacher Consultant Services
- Social Work Services
- Services of School Psychologist
- Speech and Language Services
- Occupational Therapy
- Physical Therapy

Contact Nicola Northrop, Early Childhood Teacher Consultant, at 484-7051.

**LINCOLN DISTRICT FOOD SERVICE PROCEDURES**

Students not eligible for free meals are expected to maintain a positive balance in their food service accounts in order to purchase breakfast, lunches, or a-la-carte items. If they do not have money in their accounts, they are expected to bring lunch from home. Students are given numerous verbal and written reminders if their account balance is nearing zero. Once the account balance is depleted, the following policies are in effect:

**Elementary students:** May charge up to two meals if their account is negative or zero. After two meals, breakfast/lunch will not be provided. After May 1st, there is no longer a grace period.

**MS/HS students:** May not charge any meals, but they may purchase a school meal with cash. Negative balances must be brought current before any a-la-carte item may be purchased, even with cash.

The computer software used by the food service department tracks deposits and food purchases. It is important that your student use his/her lunch account only. Sharing accounts is not allowed. Middle school and high school students will be required to show school ID before charging to his or her account. Deposits may be made in any amount, but no change is given.

If we receive a non-sufficient fund check, a letter is mailed home and the check amount plus a $9.00 NSF fee will be deducted from the student’s lunch account. We will only allow two (2) non-sufficient fund checks throughout the school year per household, after which deposits must be by cash or credit card only.

**FREE & REDUCED LUNCH**

Free and reduced-price meals are available to qualified families. As a part of the federal National School Lunch program, the federal government reimburses Lincoln Schools for free and reduced-price lunches provided to eligible students. Eligibility is based on family income and size.

If your household income is below the limits listed on the back of the Free and Reduced Lunch Application, please fill out one application per family, and return to any school office or mail to Lincoln Consolidated Schools, 8970 Whittaker Road, Ypsilanti, MI 48197. Applications are also available on our website at www.lincoln.k12.mi.us, under the Food Service tab. Applications will be accepted at any school building, but please mark Business Office on the envelope to ensure prompt delivery. If you attended any Lincoln School and received free or reduced price benefits last year, you will begin the new school year on the same status. However, a new application must be submitted and processed by September 30, 2009 in order for meal benefits to continue for the 2009/2010 school year. If you attended another school district, you will not be eligible for free or reduced meals until the application has been processed and approved.

You may apply for free and reduced-priced meals at any time during the school year. If you are not eligible now but have a later change such as a decrease in household income or an increase in household size, you may complete an application at that time.

New applications must be completed every school year.

**LUNCH ACCOUNT ONLINE ACCESS**

Using the “Lunch Account Login” button located on the right-hand side of the Lincoln District webpage, parents may view their students’ food service account activity online. You may check balances, monitor food purchases, and make deposits via credit card. A parent user name and password are required. To obtain your login information, send an e-mail to simon@gw.lincoln.k12.mi.us. Include student name(s), parent name(s), and home address. Please allow approximately 48 hours for a reply.

Note that there is a $2.00 fee per transaction to cover processing costs on credit card deposits. One deposit may be split among more than one family member without incurring an additional $2.00 fee. Visa, Mastercard, and Discover cards are accepted.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT
ANNUAL NOTIFICATION OF RIGHTS & DESIGNATION OF DIRECTORY INFORMATION

Each year the Lincoln Consolidated School District is required to give notice of the various rights accorded to parents or students pursuant to the Family Educational Rights and Privacy Act (“FERPA”). Parents and eligible students have a right to be notified and informed. In accordance with FERPA, you are notified of the following:

1. **RIGHT TO INSPECT:** You have the right to inspect and review substantially all of your education records maintained by or at the Lincoln Consolidated School District. This right extends to the parent of a student under 18 years of age and to any student age 18 or older.

2. **RIGHT TO REQUEST AMENDMENT:** You have the right to seek to have corrected any parts of an education record which you believe to be inaccurate, misleading or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if a designated official of the Lincoln Consolidated School District decides not to alter the education records according to your request. If no change is made to the education record after the hearing, you have a right to place a written rebuttal in the record.

3. **RIGHT TO PREVENT DISCLOSURES:** You have the right to prevent disclosure of education records to third parties with certain limited exceptions. It is the intent of the Board of Education to limit the disclosure of information contained in your education records to those instances when prior written consent has been given to the disclosure, as an item of directory information of which you have not refused to permit disclosure, or under the provisions of FERPA which allow disclosure without prior written consent.

4. **RIGHT TO COMPLAIN:** You have the right to file a complaint with the United States Department of Education concerning the alleged failure of the Lincoln Consolidated School District to comply with FERPA. Your complaint should be directed to:
   
   Family Policy and Regulations Office
   Office of Management, U.S. Department of Education
   400 Maryland Avenue SW, Washington, DC 20202
   (202) 732-2057

5. **RIGHT TO OBTAIN POLICY:** You have the right to obtain a copy of the policy adopted by the Board of Education in compliance with FERPA. A copy may be obtained in person or by mail by contacting the office of the Superintendent.

6. **RIGHT TO OBJECT TO RELEASE OF DIRECTORY INFORMATION:** Generally, school officials must have written permission from the parent of a student or an eligible student before releasing any information from a student’s record. However, FERPA allows school districts to disclose, without consent, “directory” type information. The Board of Education of the Lincoln Consolidated School District has designated the following personally identifiable information contained in a student’s education record as “directory information”:
   
   - Student’s name
   - Address
   - Telephone number
   - Picture
   - Parent or guardian
   - Date and place of birth
   - Height & weight
   - Honors and awards received
   - Major field of study
   - Dates of attendance or grade placement
   - Participation in and eligibility for officially recognized activities and sports
   - Most recent educational agency or school attended by the student

Unless you advise the District that you do not want any or all of this information released, school officials may release personally identifiable information which it has designated as directory information. Upon such objection, this information will not be released without the prior consent of the parent or eligible student.

You have three weeks from the receipt of this notice to advise the District in writing of any or all of those types of information about the student which you refuse to permit the District to designate as directory information. Your objections should be addressed to the respective building principal. Completing this form will provide written notification to the District and this information will not be released without the prior consent of the parent or eligible student.

POWERSCHOOL IS A TOOL

PowerSchool is only one of the tools available to parents to help you track how your children are doing. Of course we also all know grades are only part of the story when we look to understand how students learn. Real learning takes place as knowledge is applied.

PowerSchool is a software application Lincoln Consolidated Schools uses to track student demographics, schedules, attendance, and grades. High school and middle school teachers use PowerSchool to enter assignment scores and calculate quarterly and semester grades for progress reports and report cards.

The key benefit of PowerSchool to parents and students is its ability to allow you to track progress by viewing assignment scores, grades, and attendance records via the Internet.

For families with more than one student in grades 6-12, a unique username and password are provided on your student’s class schedule for access to each student’s information. Please keep your unique password confidential so only you can access this information.

To access PowerSchool open your web browser to www.lincoln.k12.mi.us and select the PowerSchool button on the right.

Parent/Student Username: Enter your Web ID
Parent/Student Password: Enter your Password

Allow teachers at least one week after an assignment has been turned in to enter the score into PowerSchool. Beware, however, that there may be times when more time is needed to grade large projects.
“STUFF THE BUS” SCHOOL SUPPLY DRIVE
Help provide a good start to the new school year for local children. Look for the big yellow bus to donate NEW school supplies to students from low-income families. Drop off donations from 9 a.m. to 4 p.m. at the following locations:
- August 25-28: LHS
- August 31: LHS
- September 1-2: LMS

** Drop off during the 8/28 home football game, too.
If you would like to volunteer to accept donations, please contact the Superintendent’s Office at 734-484-7001.

HIGH SCHOOL ORIENTATION AND PICTURE DAY
Mark your calendars for the 2009-10 High School Orientation. Students should enter the main doors of the Arts and Recreation Center and follow the posted signs. Remember that the photos taken will be the photos that will appear in the upcoming yearbook, so dress appropriately. All students will be photographed for identification purposes.

HIGH SCHOOL LOOKS FORWARD TO ANOTHER BANNER YEAR

Mr. John McGehee, LHS Principal

I am looking forward to the 2009-2010 school year with great anticipation and excitement. I look forward to another exciting sports season, entertaining performing arts programs, and high student achievement. While students enjoyed their summer break, the Lincoln High School administration has been making plans for the upcoming school year. Our goal is to improve and continue to offer quality educational services to the Lincoln Consolidated Schools community. Last year saw our 11th grade ACT/MME (college entrance) exam scores increase by 10 percentage points in writing and math. Our after-school credit recovery, tutoring, and summer school academy programs were very successful. Our “Challenge Day” activities helped students and teachers embrace our diversity and recognize the importance of respect, compassion, and empathy as we interact with each other every day. Of course it is not every year that Lincoln High School can make national news with Lincoln students speaking on the Oprah Winfrey Show and our own 2003 graduate Matt Giraud’s success on American idol.

This next school year the high school will implement our new attendance policy and make the final arrangements for our transition to trimester scheduling (beginning fall 2010-2011). There will be several public forums scheduled during the school year for parents and community members to learn more about the changes at Lincoln High School.

LINCOLN TEACHERS ADOPT A HIGHWAY

Twenty-seven members of the Lincoln Education Association helped clean up Whittaker Road on Friday, May 8th. The LEA members worked on the road, from Willis Road north to Sea Mist. Wearing bright yellow-green safety vests, they collected 36 bags of trash. The LEA was proud to be able to help the community.

WHERE DID THE GO?

We are proud to report that Lincoln graduates will be attending top universities and colleges from across the country; the University of Michigan, Alabama University, Michigan State University, Howard University, Bowling Green State University, Ferris State University, Hope College, Vanderbilt University, Michigan Institute of Aviation and Technology, Eastern Michigan University and many, many more. This is proof positive that there is a high quality education available for the children of the Lincoln community.

ATTENTION LINCOLN HIGH SCHOOL CLASS OF 1994!

The Lincoln High School class of 1994 is excited to announce its 15 year class reunion. The main celebration will take place on Saturday, October 10, 2009, at 5:00 p.m. at the Eagle Crest Conference Resort in Ypsilanti. For tickets and more information please visit www.lhsclassof94.com or call Jennifer Scramstad Lawson at (313) 541-9636.
SAFETY TOWN
Childs Elementary was bustling with activity as Safety Town staff introduced safety awareness and preventative procedures to over 100 children entering Kindergarten or 1st grade. The students learned fire, stranger danger, electricity, water, poison, school bus, and bicycle safety.

SUMMER SCHOOL POETRY SLAM
The Lincoln Golden Ages Seniors joined the Summer School students as the guests of honor for a “Poetry Slam” on July 16th in the Childs Elementary Cafeteria. Students who were attending Summer School for writing worked on different writing genres each week for four weeks. During poetry week, they wrote acrostics poems about friendship and focused on new vocabulary words in their writing. These poems were presented to the Lincoln Senior Citizens. At the Poetry Slam, students ranging from first to fifth grade read their poems aloud. Refreshments were served and several students participated. The Lincoln Seniors were thrilled to be the guests of honor and really enjoyed listening to the students read their poetry. Some of the students who had been visited by the seniors in their classrooms during the school year were very excited to see them again at Summer School. Mrs. Aldridge, the Summer School lead teacher, took the Lincoln Seniors on a tour of Childs Elementary School after the poetry event. A great time was had by all!

LINCOLN ENERGY GATEWAY TO ENGINEERING CAMP
The second annual Lincoln Energy Gateway to Engineering Camp took place the week of June 22nd. Approximately 70 students took part in one of three sessions. The sessions included: Rock and Roll, where students discovered the excitement of making their own rockets and watching them soar to new heights; Slide & Glide, where students experienced the thrill of designing and building their own glider and fabricating their own “space shuttle” to safety; and Movin’ & Groovin’, where students explored how the sun’s energy can be used to power their own solar-powered automobile.

The week culminated in an engineering field experience at the University of Michigan. Students got to see how the U of M competitive solar car team developed and designed their solar car and learn all about the engineering principles behind that technology. The Gateway Engineering Academy uses the Project Lead the Way curriculum and was made available thanks to our sponsors, The Society of Manufacturing Engineers and Buffalo Wild Wings (Ypsilanti Location). Look for more sessions next summer. For more information about how to get your Lincoln Middle School student into the Project Lead the Way Engineering classes, contact your child’s counselor or building principal.
2009 Homecoming
Join us for the 2009 Lincoln Homecoming Parade at 5:30 p.m. on Friday, October 9th. The parade will start at Redner Elementary and follow Railsplitter Drive to the LHS football field. Kick off for the game is 7:00 p.m. when the Lincoln Railsplitters face the Ypsilanti Phoenix.

LIGHTS! CAMERA! ACTION! TIME’S UP! AND THE ANSWER IS…
As part of the Media Curriculum, 200 fourth and fifth graders put their research skills to work. After researching interesting and unusual facts about all species of animals, the students from Redner organized and prioritized their data. First, the best information available had to be gleaned from the thousands of books on animals in the Media Center. Secondly, groups of students conferenced with other students to determine the viability of their findings. Each piece of data was converted to a true or false statement. Each group produced at least three documented questions to be used in a quiz show entitled Three on Three: The True or False Show of Knowledge.

Two teams of three students each were asked the questions by a student host. The goal was to be the first team to get three correct answers. In addition, students filmed the show, set up the stage, and had to make sure all contestants were in their places while filming. Students were also the score and time-keepers, as well as show managers.

During weekly Media classes, the Media Center was turned into a live stage for filming the quiz show. Afterwards students critiqued their shows, including “bloopers,” bad angles, unflattering camera shots, and insufficient voice or sound control.

Through this activity the students learned that the Information Age demands that information be gathered, mastered, and put to practical use.

BRICK ELEMENTARY
The 2008/2009 school year was full of new and exciting activities for the students of Brick Elementary School including our first Spring Fling and the continuation of our Girls on the Run program. Each grade level brought a host of different activities and concerts for the school and the community to enjoy throughout the school year. We look forward to having parents and community members join us this year as we continue to plan concerts, after-school activities, dances, and a wildlife educational assembly in conjunction with Model Elementary. Please come and experience the many things Brick Elementary has to offer!
IT TAKES A COMMUNITY TO RAISE A CHILD

Many times community members ask what they can do to help support high school age students in school. There are many things that we, as residents, neighbors, and family members can do to ensure that Lincoln High School students are successful in school and in life. First, help young adults focus on the future. Everything they do in school is in preparation for tomorrow’s career. It is critical with Michigan’s current economic situation that students work hard every day in school and make getting an education a top priority in their life. Keep them looking to the future. School is their investment in their tomorrow. Second, demand that they attend school every single day. It is up to every mom, dad, aunt, uncle, grandma, grandpa, brother, and sister to do everything in their power to ensure that students are in school every single day. You can’t learn much if you are not there and you won’t keep a job long with poor attendance. It is a great habit to have. Lastly, believe in our students, no matter whether they are elementary, middle school, or high school. Attend school functions, sporting events, and performances. Some believe that the older students do not want us there. I know that in their hearts older students want you to be proud of them. Take the time to show our children that they are worthy of your attention. Children are our future.

BIANKA VON KULAJTA NAMED 2009 SCHOOL SOCIAL WORKER OF THE YEAR

Bianka Von Kulajta was chosen by the Michigan Association of School Social Workers (MASSW) Region A for the prestigious award of School Social Worker of the Year. Bianka was selected based on her outstanding service to Redner Elementary and her continued contributions to the advancement of the field of School Social Work. She provides individual and group support to approximately 500 students in grades one through five and is a member of the Michigan Association of Play Therapists.

CRITTERS VISIT MODEL ELEMENTARY!

This year Paul McCormack brought his Classroom Critters to Model Elementary. Our kindergarten students learned about various animal species and had the opportunity to hold a tree frog named Woody, a six foot boa constrictor named Noah, a fat tail gecko named Art, a chinchilla named Cotton, and two Ringneck doves named Squib and Squab. Mr. McCormack visited each kindergarten classroom and taught students the differences between reptiles, amphibians, birds, and mammals. Students enjoyed holding or petting all of the animals. Even Mrs. Aldridge, Model’s principal, got the opportunity to hold Noah the boa.

Welcome to the 2009-2010 school year! Again this year you will be receiving route information from your child’s building, along with their building and teacher assignments. The letters will work in conjunction with this booklet and are the most current routes as of August 6, 2009. All routes and times are subject to change as enrollment changes are received.

For your convenience the transportation hot line is updated twice a day. The line will inform you of any school closings, school delays, road closures, or late buses during the school year.

Transportation Hot Line:
(734)484-7000 ext. 6041

Finding Your Bus
To find your child’s bus pick-up location, find the section that applies to your student(s) -- Secondary, Elementary, Childs, Multi-age (Bessie Hoffman) -- and then find the number and address nearest your home. Because many buses may pick up on the same road, please check the list carefully. You will find the approximate pick-up time by the address nearest your home.

Kindergarten Busing
For your child’s safety, a parent/guardian or appointed emergency contact person (must be on the emergency card) must be at the bus stop to pick up your kindergarten student every day.

Bus Stop Change Request
Requests for a bus stop change can be made on a Concern/Complaint Form available in the Transportation Office. All requests will be researched and you will be notified of the results within thirty days of the request. Please be aware that all requests must meet the criteria for change and are not automatically honored.

Bus Stop Criteria
For more information on Public Act 187, the list of criteria used to establish bus stops, or frequently asked questions and answers, please visit the Michigan Department of Education web site at www.michigan.gov/mde.

If your child does NOT require transportation service, please contact the Transportation Department at (734) 484-7044 so we can remove the stop if needed

**LOWDEN SCHOOLHOUSE ANNUAL PUMPKIN SALE**

The Annual Lowden Schoolhouse Pumpkin Sale will be held on **Saturday, October 17th**, from 10:00 a.m. - 2:00 p.m. The schoolhouse is located next to Model Elementary on Whittaker Road. There will be pumpkins, cider, doughnuts, and perhaps even a raffle. The schoolhouse will be open for visitors and we would enjoy having you stop by.

Lowden Schoolhouse is one of the original one-room schools that consolidated in 1924 to form the Lincoln Consolidated School District. The Lowden Schoolhouse is an independent non-profit corporation. All funds raised during the pumpkin sale are used for maintenance on the building, along with a scholarship fund which is awarded to a Lincoln graduating senior that will be attending Eastern Michigan University.

**LINCOLN GOLDEN AGES SENIOR CENTER**

Are you 55 or older? The mature adults of the Lincoln School District would like to invite you to join us at the Lincoln Golden Ages Senior Center. We are always busy creating crafts, going on trips, playing cards and bingo, enjoying educational classes, learning to dance and, of course, exercising with the best instructors in Washtenaw County. The membership cost for the entire year is only $15.00, with activities such as swimming, art classes, meeting new friends, sharing hot meals four days each week, and much, much more. Stop by and meet these warm, friendly people. The center is located in Brick Elementary, west doors. For more information, contact the Lincoln Senior Center at 734-484-7000, ext. 7557.

**LINCOLN YOUTH FOOTBALL/CHEERLEADING CLUB**

Openings on all squads for Football & Cheerleading for ages 8 - 14

There will be a total of eight games, four home and four away. The game times are usually: Freshman - 12:00 noon, JV - 2:00 p.m., and Varsity - 4:00 p.m. The players are asked to be there two hours before game time for warm-up, weigh-ins, etc. Home games are held on the Lincoln High School football field. You must provide transportation to all games.

Or contact Jennifer LaBombarbe at 734-483-3975

**VOLUNTEERS NEEDED**

The Lincoln Educational Achievement Foundation (L.E.A.F.) is a non-profit organization made up of volunteers from the Lincoln community. Our mission is to raise funds to support innovative and compelling enrichment programs for all students within Lincoln schools.

We are actively looking for people to help us. Whether it's helping to organize a fundraiser, providing advice, suggesting an idea, or writing a thank-you letter -- there are a number of small and large ways to help.

If you are willing to help, either by donating, volunteering, or in some other way, please contact info@lincolnleaf.org.
Today’s tough economic conditions make it difficult for many Lincoln student-athletes to participate in sports without help from people like you. Research shows that on average, student-athletes outperform their student-body counterparts in the classroom, so support of Lincoln athletes is support for academic success. The scholarship you provide will be used to waive the athletic participation fees for deserving students. We’re counting on your support, and will be happy to answer any questions you may have at 734-484-7013.

You can select the level of participation that best meets your needs, and be secure in the knowledge that your sponsorship fee will be used to help Lincoln student-athletes. Please return your sponsorship commitment to the address provided. Thank you in advance for your willingness to support the efforts of Lincoln Athletics and make a difference in our community.
