*Board Workshop
Welcome back to the 2010-2011 school year! I look forward to an exciting year as we lay out plans for the bond projects for the next three years. Some preliminary projects are being completed for the start of this school year, with the majority of major renovations taking place next summer.

This year we are celebrating having our multiage program on campus and housed within the 1950 addition of Brick Elementary School. Construction is underway to complete a temporary main office, renovate the student bathrooms, and install a PA system for the multiage program. We are also replacing the asphalt that has deteriorated throughout the district, with full replacement planned for next summer. As the planning stages begin, we will be asking for community input related to each project. If you are interested in joining any committees for these projects, please contact your building administrator.

One project that is being planned is the renovation of the Bessie Hoffman building into a Career and Tech Academy. Time constraints and state licensing regulations will delay opening our new cosmetology program until second semester. At the same time, we will also be unveiling our online learning opportunities for those students who prefer to learn at their own pace. This program will allow students to earn high school credit and develop skills to be successful in the 21st century workforce. Another aspect of this programming is the development of a partnership with Cleary University (no connection to me) to provide distance-learning business and marketing classes for high school students. We will also be involved in the International Baccalaureate program that will be opening for Washtenaw County students.

I am pleased to announce that all of our elementary schools and the middle school made AYP (adequate yearly progress) as mandated by the No Child Left Behind Act. The high school did not fare as well and did not meet AYP for this year. While it is not my style to make excuses, it is important for parents to know our students enrolled in the Early College Alliance were not counted in our scores. That reduces our test scores by forty students, which can have a significant impact on the high school scores. We have registered an appeal to the state but have been told they will not correct the problem until the next testing cycle. In other words, our scores will remain as is and the state will not include our ECA students or recalculate our scores. It will be my personal goal to see that there are significant improvements in the high school MME scores for the upcoming school year and that our ECA students are included in our high school scores.

Have a fantastic school year, I hope to see each and every one of you this year!

Lynn Cleary
Superintendent

STUDENT ENROLLMENT

Listed below is some important information that will assist residents in enrolling their children for the first time.

All students in kindergarten through fifth grade will register at the Business Office, (located in Brick Elementary, west side of building) from 8:00 a.m. to 3:30 p.m. Middle school and high school students will register in those specific buildings from 8:00 a.m. to 3:00 p.m.

Please bring with you:
- Proof of Residency
- Child’s Immunization Record
- Child’s Birth Certificate and Social Security Card
- Previous Report Card (if available)

You can reach the Lincoln Business Office staff at 734-484-7042.

LINCOLN EARLY CHILDHOOD SERVICES

The Lincoln Early Childhood Center, located in Model Elementary School, offers a range of comprehensive services for children from birth through age five. The center utilizes a model that emphasizes that parents are a child’s first, best, and most influential teachers.

The Early Childhood Center also includes classrooms for Great Start Readiness Program (pending state funding), Early Childhood Developmentally Delayed, and Lincoln’s Early On Program. The goal of the center is to establish a primary prevention community available to all families living in the Lincoln community. Through strong parental involvement, the Early Childhood Center is an avenue promoting the improved social, cognitive, and physical growth of young children in our community.

Pre-School

Lincoln offers two different pre-school programs. Students for these programs must be four years old by December 1st and reside in the Lincoln School District. Great Start Readiness Program (GSRP) is a grant-funded pre-school program. Eligibility for this program is based on household income and a child’s “risk factors.” For more information on this program please call 484-7070. This program is tentative pending state funding.

Lincoln also offers a tuition-based pre-school run by Bemis Farms, and located at Redner Elementary. For more information on this program please call 484-7000, ext. 7411.

ATTENTION:
PARENTS OF CHILDREN BIRTH – AGE FIVE

If you have any concerns about your child’s development, the staff at the Lincoln Early Childhood Center at Model Elementary is ready to work with you. We can provide free developmental screenings. When screening results indicate a need for more in-depth information, we can provide evaluation services to determine if a child/family is eligible to receive the following services that our center provides:

- Social Work Services
- Services of School Psychologist
- Speech and Language Services
- Occupational Therapy
- Physical Therapy

For more information, contact 484-7070.

NEW 2010-2011 SCHOOL IMMUNIZATION RULES

CURRICULUM ON THE WEB

Over the summer, the Lincoln Consolidated Schools' Curriculum Department has been working on a process of making our entire curriculum available electronically in a parent-friendly format for parents, prospective parents, and community members. Currently all of our parent-friendly versions of our curriculum documents are now available for language arts, mathematics, science, and social studies for grades K-8.

Curriculum documents for grades 9-12 will be made available soon, and we are working to have a course syllabus for every course offered at Lincoln High School available electronically as well. To see the K-8 curriculum simply go to the Curriculum Department page located under the “Curriculum” tab and click on either the elementary curriculum or the middle school curriculum link to see all of our available curriculum links. Once inside, you can click on the on the appropriate grade level and subject. In the documents you will find the Essential Overview of Units, Priority Content Standards, and the Essential Vocabulary for each subject and grade level. We hope that this will assist you in not only understanding what is taught at each grade level, but also in helping your child at home. As we continue to update our electronic versions of the documents, we will add them to the website and let families know through our district e-newsletter when they are available. For questions regarding the curriculum for any subject area, contact your child’s teacher, the building principal, or the Curriculum Department for more information.

MEAP SCORES IMPROVE

Thanks to the hard work of our students, staff, and parents, MEAP scores have continued to improve this year in all of our buildings K-8. The Michigan Educational Assessment Program (MEAP) tests were given in October to all students in grades 3-9, in the areas of reading (grades 3-8), mathematics (grades 3-8), science (grades 5 and 8), and social studies (grades 6 and 9).

Our scores improved in eleven of fifteen areas tested, and as a district, and we have closed several gaps in student achievement between our various populations of students. Individual buildings have many points of pride. For a complete look at your child’s school, visit www.lincoln.k12.mi.us.

INTEGRATED PEST MANAGEMENT PROGRAM

Lincoln Consolidated Schools practices an integrated pest management program. As part of an effective, environmentally sensitive pest management program, school district buildings and grounds may be treated periodically with chemicals to aid in the control of pests or weed growth. In accordance with regulation 637 of the Michigan Pesticide Control Act, notice will be posted at the entrance of the facility. Parents may choose to be notified by mail, to be postmarked 3 days before the treatment. Return the form below to be notified prior to a treatment of the affected building or grounds. Pesticides may be applied in an emergency situation without prior notification. For further information on this subject, contact the Facilities Department at 484-7037.

Welcome Back! The Food Service Department is excited to start the 2010-2011 school year! Have you visited our webpage at www.lincoln.k12.mi.us? Click on the Food Service tab and you can find monthly menus, policy updates, helpful information about the program and nutrition, as well as links to websites to get more information regarding school meals and healthy lifestyles. You can also check your student’s lunch account balance, make a deposit, and see what they have been purchasing at breakfast and lunch.

Lincoln Food Service Procedures

The computer software used by the Food Service Department tracks deposits and food purchases. It is important that your student use only his/her lunch account. Sharing accounts is not allowed. Middle school and high school students will be required to show school ID before charging to his or her account. Deposits may be made in any amount, but no change is given.

Students not eligible for free meals are expected to maintain a positive balance in their food service accounts in order to purchase breakfast, lunch, or a-la-carte items. If they do not have money in their accounts, they are expected to bring lunch from home. Students are given numerous verbal and written reminders if their account balance is nearing zero.

Free & Reduced Lunch

Free and reduced-price meals are available to qualified families. Eligibility is based on family income and size. If you think you may qualify, please fill out one application per family, and return to any school office or mail to Lincoln Consolidated Schools, 8970 Whittaker Road, Ypsilanti, MI 48197. Applications are also available on our website at www.lincoln.k12.mi.us, under the Food Service tab. Applications will be accepted at any school building, but please mark Business Office on the envelope to ensure prompt delivery.

If you attended Lincoln Schools and received free or reduced-price benefits last year, you will begin the new school year on the same status. However, a new application must be submitted and processed by September 30, 2010 in order for meal benefits to continue for the 2010/2011 school year. If you received benefits at another school district, you will not be eligible for free or reduced meals at Lincoln Schools until an application has been processed and approved. You may apply for free and reduced-priced meals at any time during the school year. If you are not eligible now but have a later change such as a decrease in household income or an increase in household size, you may complete an application at that time.

New applications must be completed every school year.

What is a regular lunch meal??

A regular lunch meal is a meal at the regular meal price or a meal that can qualify for the free or reduced meal price.

A regular meal consists of an entree item (including bread and protein), a fruit, a vegetable, and milk. Students must take three of these items for the meal to qualify as a “regular meal”. If they take less than three components or more than the five, they will be charged the a-la-carte price for each item. At the middle and high schools; french fries, chips, slush, cookies, bottled drinks, etc... are NOT included in the regular lunch meal. These items are available for purchase but are not discounted for students eligible for free or reduced price meals.

Online Lunch Accounts

Parents may make online credit card deposits to student food service accounts using our secure food service software. Please note that there is a $2.00 fee per transaction to cover processing costs. One deposit may be split among more than one family member without incurring an additional $2.00 fee. Visa, MasterCard, and Discover cards are accepted.

A parent user name and password is needed to review your student’s account and to process a credit card deposit. To request a login and password please email simon@gw.lincoln.k12.mi.us. Include student name(s), parent name(s), and home address. Please allow approximately 48 hours for a reply. Your user name and password carries over to the current school year and it will continue to give you access to your child’s lunch account.

POWERSCHOOL IS A TOOL

PowerSchool is only one of the tools available to parents to help you track how your children are doing. Of course we also all know grades are only part of the story when we look to understand how students learn. Real learning takes place as knowledge is applied.

PowerSchool is a software application Lincoln Consolidated Schools uses to track student demographics, schedules, attendance, and grades. High school and middle school teachers use PowerSchool to enter assignment scores and calculate quarterly and semester grades for progress reports and report cards.

The key benefit of PowerSchool to parents and students is its ability to allow you to track progress by viewing assignment scores, grades, and attendance records via the Internet.

For families with more than one student in grades 6-12, a unique username and password are provided on your student’s report card for access to each student’s information. Please keep your unique password confidential so only you can access this information.

To access PowerSchool open your web browser to www.lincoln.k12.mi.us and select the PowerSchool button on the right.

Parent/Student Username: 
Enter your Web ID

Parent/Student Password: 
Enter your Password

Allow teachers at least one week after an assignment has been turned in to enter the score into PowerSchool. Beware, however, that there may be times when more time is needed to grade large projects.

www.lincoln.k12.mi.us
Welcome to the 2010-2011 school year! Again this year you will be receiving route information from your child’s building, along with their building and teacher assignments. The letters will work in conjunction with this booklet and are the most current routes as of August 9, 2010. All routes and times are subject to change as enrollment changes are received.

NEW TRANSPORTATION PROCEDURE
CHILD CARE ARRANGEMENT FORMS

Starting with the 2010-2011 school year, if you had a Childcare Arrangement Form (Babysitter Form) on file at the end of the school year, your child will be scheduled on that bus route until a new request is made to the Transportation Department. You will need to complete a new form if you have changed childcare providers or are no longer utilizing a sitter. This new procedure is expected to help alleviate many of the route changes that occur at the start of the school year. Childcare Arrangement Forms can be picked up from the Transportation Department or your child’s school office.

For your convenience the transportation hot line is updated twice a day. The line will inform you of any school closings, school delays, road closures, or late buses during the school year.

Transportation Hot Line:
(734)484-7000 ext. 6041

Finding Your Bus
To find your child’s bus pick-up location, find the section that applies to your student(s) -- Secondary, Elementary, Childs -- and then find the number and address nearest your home. Because many buses may pick up on the same road, please check the list carefully. You will find the approximate pick-up time by the address nearest your home.

Kindergarten Busing
For your child’s safety, a parent/guardian or appointed emergency contact person (must be on the emergency card) must be at the bus stop to pick up your kindergarten student every day.

Childcare Arrangement Forms
Childcare Arrangement Forms are available at the Transportation Department or in your child’s school office. Forms can be completed and/or dropped off at the Transportation Department between the hours of 8:00 a.m. and 4:00 p.m. There could be up to a two (2) week delay in processing the forms at the start of the school year.

Bus Stop Change Request
Requests for a bus stop change can be made on a Concern/Complaint Form available in the Transportation Office. All requests will be researched and you will be notified of the results within thirty days of the request. Please be aware that all requests must meet the criteria for change and are not automatically honored.

Bus Stop Criteria
For more information on Public Act 187, the list of criteria used to establish bus stops, or frequently asked questions and answers, please visit the Michigan Department of Education web site at www.michigan.gov/mde.

PLEASE NOTE
Times are approximate and are subject to change. Please be patient, especially for the first couple of weeks of school. Pick-up times could vary as much as 15 minutes, especially early in the year. Times will improve and changes will be implemented if needed.

Fall 2010  13
NEW TRANSPORTATION PROCEDURE
CHILDCARE ARRANGEMENT FORMS

Starting with the 2010-2011 school year, if you had a Childcare Arrangement Form (Babysitter Form) on file at the end of the school year, your child will be scheduled on that bus route until a new request is made to the Transportation Department. You will need to complete a new form if you have changed childcare providers or are no longer utilizing a sitter. This new procedure is expected to help alleviate many of the route changes that occur at the start of the school year. Childcare Arrangement Forms can be picked up from the Transportation Department or your child’s school office.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT
ANNUAL NOTIFICATION OF RIGHTS & DESIGNATION OF DIRECTORY INFORMATION

Each year the Lincoln Consolidated School District is required to give notice of the various rights accorded to parents or students pursuant to the Family Educational Rights and Privacy Act ("FERPA"). Parents and eligible students have a right to be notified and informed. In accordance with FERPA, you are notified of the following:

1. **RIGHT TO INSPECT:** You have the right to inspect and review substantially all of your education records maintained by or at the Lincoln Consolidated School District. This right extends to the parent of a student under 18 years of age and to any student age 18 or older.

2. **RIGHT TO REQUEST AMENDMENT:** You have the right to seek to have corrected any parts of an education record which you believe to be inaccurate, misleading or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if a designated official of the Lincoln Consolidated School District decides not to alter the education records according to your request. If no change is made to the education record after the hearing, you have a right to place a written rebuttal in the record.

3. **RIGHT TO PREVENT DISCLOSURES:** You have the right to prevent disclosure of education records to third parties with certain limited exceptions. It is the intent of the Board of Education to limit the disclosure of information contained in your education records to those instances when prior written consent has been given to the disclosure, as an item of directory information of which you have not refused to permit disclosure, or under the provisions of FERPA which allow disclosure without prior written consent.

4. **RIGHT TO COMPLAIN:** You have the right to file a complaint with the United States Department of Education concerning the alleged failure of the Lincoln Consolidated School District to comply with FERPA. Your complaint should be directed to:
   
   Family Policy and Regulations Office
   Office of Management, U.S. Department of Education
   400 Maryland Avenue SW, Washington, DC 20202
   (202) 732-2057

5. **RIGHT TO OBTAIN POLICY:** You have the right to obtain a copy of the policy adopted by the Board of Education in compliance with FERPA. A copy may be obtained in person or by mail by contacting the office of the Superintendent.

6. **RIGHT TO OBJECT TO RELEASE OF DIRECTORY INFORMATION:** Generally, school officials must have written permission from the parent of a student or an eligible student before releasing any information from a student’s record. However, FERPA allows school districts to disclose, without consent, “directory” type information. The Board of Education of the Lincoln Consolidated School District has designated the following personally identifiable information contained in a student’s education record as “directory information”:

   - Student’s name
   - Address
   - Telephone number
   - Picture
   - Parent or guardian
   - Date and place of birth
   - Height & weight
   - Major field of study
   - Dates of attendance or grade placement
   - Honors and awards received
   - Participation in and eligibility for officially recognized activities and sports
   - Most recent educational agency or school attended by the student

Unless you advise the District that you do not want any or all of this information released, school officials may release personally identifiable information which it has designated as directory information. Upon such objection, this information will not be released without the prior consent of the parent or eligible student.

You have three weeks from the receipt of this notice to advise the District in writing of any or all of those types of information about the student which you refuse to permit the District to designate as directory information. Your objections should be addressed to the respective building principal. Completing this form will provide written notification to the District and this information will not be released without the prior consent of the parent or eligible student.

Lincoln School Song
(Alma Mater)

Lincoln High, our “Alma Mater”
When we are all far a-way.
To your school we’ll sing our praise
When our voice to thee we raise.
Rising high above all others
This is our flag of blue and gray.
Lincoln High our “Alma Mater”
Growing stronger day by day.

MODEL FIELD TRIP TO LOWDEN ONE-ROOM SCHOOLHOUSE

On Friday, June 4th, two kindergarten classes from Model Elementary went on a very special field trip back in time to see what school was like for children who lived in this area one hundred years ago. Students from Mrs. Martinez and Mrs. Krumrei’s classes walked to Lowden School, the one-room schoolhouse located next to our building.

Spelling Bees were very popular during the 19th century so students practiced their kindergarten spelling words. They also used slates and slate pencils to practice letter formation and read from the original McGuffy readers. Students played some traditional games and songs. Several children enjoyed dressing up for the field trip in clothing similar to that time period.

Mr. Dan Makarewich met the classes and spoke to the students about the time of the one-room schoolhouses and the history of the Lincoln area.

REDNER STUDENT EARN SCHOLARSHIP TO SCIENCE CAMP

Jessica Oberhoffer, a Redner fifth grader, earned one of just 48 scholarships to attend a two-week summer science camp at Central State University in Wilberforce, OH. The program applies science, technology, engineering, and math skills to a camp theme. ExxonMobil, Bernard Harris, Central State University, and the Institute for Urban Education sponsored this event. The 2010 theme was “Back to the Future by Way of Aviation.” Jessica comes from a family of aeronautical engineers, and she has a strong interest in learning about air and space concepts. She wants to thank her supportive family, her classroom teacher, Ms. Johnson, her technology teacher, Mrs. Ryburg, and the school social worker, Ms. vonKulajta for bringing this opportunity to her attention.

LHS ARTISTS HONORED BY DTE

On Friday, May 21st, several Lincoln High School students were honored at a luncheon at the DTE building in Detroit. These outstanding young artists won a T-shirt design contest. They each received a plaque, $40.00 gift card, and a goodie bag from DTE. Congratulations to Steven Armos, Andrew Dillon, Brittany Rivera, Samantha Ross, Rachel Serafinski, and their teacher, Karen Nowak-Rochford for this tremendous honor.

LOWDEN SCHOOLHOUSE ANNUAL PUMPKIN SALE

The Annual Lowden Schoolhouse Pumpkin Sale will be held on Saturday, October 16th from 10:00 a.m. - 2:00 p.m. The schoolhouse is located next to Model Elementary on Whittaker Road. There will be pumpkins, cider, doughnuts, and perhaps even a raffle. The schoolhouse will be open for visitors and we would enjoy having you stop by.

Lowden Schoolhouse is one of the original one-room schools that consolidated in 1924 to form the Lincoln Consolidated School District. The Lowden Schoolhouse is an independent non-profit corporation. All funds raised during the pumpkin sale are used for maintenance on the building; along with a scholarship fund, which is awarded to a Lincoln graduating senior that will be attending Eastern Michigan University.
FROM THE DESK OF PRINCIPAL MCGEHEE

As I begin my thirty-third year at Lincoln and my third year as High School Principal, I wanted to take a few moments to share some thoughts about our high school students. It has been my pleasure to serve the Lincoln community. Serving as high school principal has been a very rewarding experience for me. It confirmed what I have always thought, that the Lincoln community has some of the best and brightest students in the county attending our schools. This past spring I wrote an article inviting the community to attend our graduation ceremony. The purpose was to see, first hand, the high quality students we have graduating from Lincoln High School. Many of you took me up on that. We had over 2,600 people witness 292 of our young adults cross over to the world beyond Lincoln. It was an inspiring community event.

As we begin the 2010-2011 school year it is critical that the community and students know that the Lincoln administration expects that each and every one of our students will attend a college or university once they graduate from Lincoln High School. It is very clear to us that there are fewer career opportunities available to our children that do not obtain an education beyond a high school diploma. It is important that we as a community encourage all of our children to work hard, attend school daily, and take advantage of the educational opportunities available to them here at the high school. To that end, I am sure you would like to know what LHS graduates plan to do following graduation. Some of the colleges and universities Lincoln graduates will be attending this fall: Cal State, Central Michigan University, The University of Michigan, Michigan State University, Eastern Michigan University, Indiana Tech, Grand Valley State University, Howard University, New York University, University of Colorado, Western Michigan University, Rose Hulman Institute, Oakland University, Richmond University, Washtenaw Community College, Cleary University, Concordia University, and Wayne State University. We should all be very, very proud of our graduates.

I again want to thank you for allowing me to serve the Lincoln community. Through your support the students of Lincoln High School have quality educational programs and facilities that prepare them for a bright future and rewarding careers. I am proud to be a member of the Lincoln community and a Lincoln Railsplitter.

WELCOME BACK TO BRICK!

You may notice some changes at Brick for the 2010-2011 school year. We are excited to be joined by the Lincoln Multi-Age program, which moved to campus from the Bessie Hoffman building. They will be located in the rooms in the cafeteria wing of the building. We look forward to working together with the students, families, and staff of this very successful program.

We will also be preparing for construction, the bulk of which will happen during the summer of 2011. Brick is scheduled to receive some major updates, including wiring upgrades to accommodate the needs of today’s technology. Speaking of technology, we would like to thank the Brick PTO for purchasing ELMO’s and projectors for each classroom. Some of the staff were able to use the equipment last year, and all staff will receive training for integrating the features into their instruction.

We have made some adjustments within Brick. This year we will have four sections of second through fifth grades, and two sections of first grade. Two additional sections of first grade will be housed at Model Elementary, and students in those rooms will transition to Brick for second grade.

The staff at Brick spent a lot of time reviewing instructional practice and student achievement last year, and this work will continue this year. We saw a lot of growth and are eager to see that trend continue!
PICKRENM SCHOLARSHIP AT LHS
Lincoln High School received a surprise $50,000 bequest this summer from the estate of Ileen Pickrem, Class of 1937. In accordance with her wishes, Lincoln will start a scholarship fund in her name. Our fantastic high school secretary, Mrs. Laurie, located Ms. Pickrem’s report card. Not an easy course load; her classes included chemistry, physics, geometry, biology, and history. We note though that it was a different time for women, since home economics appeared each semester for five straight years.

If any alumni remember Ms. Pickrem or her family, please drop a note with anything you can recall to Mr. McGehee, High School Principal. We would love to include a more personalized history with our scholarship materials.

LHS TEACHER SET OUT ON A “BLUES ODYSSEY” OF THE SOUTHERN DELTA OF THE UNITED STATES
In the spring of 2010, Mr. Kyle Kipp was awarded a grant through the National Endowment of the Humanities to participate in an exclusive educational workshop sponsored by Delta State University in Cleveland, Mississippi. Out of over 300 total applicants, he was one of the 80 individuals selected. Delta State University will award Mr. Kipp six (6) graduate credits and waive all tuition fees upon completion of the course.

Through this workshop, Kipp will travel to the heart of the Mississippi Delta to study the region’s history, culture, and music.

LINCOLN HEALTH EDUCATION INSTRUCTOR AWARDED $10,000 GRANT
An Award of The Judy Ivan Healthy Communities Endowment Committee
Ms. Omer Jean Winborn received a $10,000 grant from “The Judy Ivan Healthy Communities Endowment Committee,” a fund of St Joseph Mercy Saline Hospital. The grant funding will be used to purchase the Real Care Babies and Health Science Simulation that is part of our Parent/Child Development Class Curriculum. Congratulations to Ms. Winborn.

FRESHMEN ORIENTATION LINK CREW
August 31st - 8:00 a.m. to Noon
Lincoln High School participates in the nationwide Link Crew Program, an organization whose sole purpose is to help freshmen feel more comfortable as well as help them achieve success in their first year of high school. The Link-In Crew freshman orientation and transition program is designed to both welcome and support freshmen by assigning them a junior or senior Link-In Leader as a mentor during this first year. This Link-In Leader is a responsible older student who was hand-selected from a large pool of applicants and has met the qualifications of being a good role model and a positive leader on our campus. Following is some information to let you know what you and your student can expect in advance of their first day of school.

1. Your student can expect to receive a reminder invitation to Freshman Orientation Day in the mail. If he or she has not received the invitation by August 24, 2010, please call the main office at 734-484-7004 and request one.

2. A day or two before orientation your student will receive a phone call from her or his Link-In Crew Leader personally inviting your student to orientation day and giving the details of where to be and what time.

3. Your student is encouraged not to bring backpacks, purses, or other items, as the day is quite active.

4. Because the day is active, please make sure your student wears comfortable clothing that does not restrict movement.

This is a student-only function, so we encourage you to let your child attend on her or his own. Please feel free, however, to return at noon and walk through registration with your student. During registration from 12:00 p.m. – 4:00 p.m., pictures will be taken and paperwork will be turned in.

LINCOLN GOLDEN AGES
SENIOR CENTER
Are you 55 or older? The mature adults of the Lincoln School District would like to invite you to join us at the Lincoln Golden Ages Senior Center. We are always busy creating crafts, going on trips, playing cards and bingo, enjoying educational classes, learning to dance and, of course, exercising with the best instructors in Washtenaw County. The membership cost for the entire year is only $10.00, with activities such as swimming, art classes, meeting new friends, sharing hot meals four days each week, and much, much more. Stop by and meet these warm, friendly people. The center is located in Brick Elementary, west doors. For more information, contact the Lincoln Senior Center at 734-484-7000, ext. 7557.

LINCOLN COMMUNITY / SENIOR CENTER RENTAL AVAILABLE
The Lincoln Community/Senior Center is available for rental beginning in September. The center will be rented only on Saturday and Sunday and can accommodate up to 75 people. Please call Community Education at 734-484-7007 or Helen at the Senior Center at 734-483-8366. If interested in reserving or have questions.

LINCOLN RECREATION MILLAGE ENHANCES COMMUNITY PROGRAM OFFERINGS
The .10 mill Recreation Millage is two years old and provides funding for Community Services within the Lincoln School District. Generating approximately $90,000 per year, millage tax revenue is split equally between Community Education, Lincoln Golden Ages, and Youth Recreation Programs. Proceeds have been used in support of these programs:

- Lincoln Golden Ages: Exercise and craft classes
- Lincoln Wrestling Club: portable wrestling mat
- Lincoln Youth Football: football helmets
- Community Education: Affordable fees for ever-popular programs such as swimming lessons, Safety Town, and youth soccer/basketball leagues.
Registration for these classes is through WCC To learn more about these and other Lifelong Learning classes please visit www.wccnet.edu/lifelong-learning or call (734) 677-5060.

Boating Skills & Seamanship
Learn the fundamentals of boat handling and modern navigation techniques in a class that’s co-sponsored by the Ann Arbor Sail and Power Squadron. This course covers required information for a Michigan Boating Safety Certificate, boating tips, and the nautical rules of the road. The first four chapters of the text contain core boating information, while the last chapter contains an introduction to GPS waypoint navigation and piloting via dead reckoning skills. Home study is required. Many insurance companies will offer discounts on boat insurance to boaters who successfully complete this course. You must buy a course pack at the first class session. It includes a textbook, a CD, and practice charts, and costs $35. Families whose members have registered individually can share one course pack.

SCHOOL CLOSING INFORMATION
All Community Education classes follow the school calendar. No classes are held when school is closed for a scheduled day off or for inclement weather. No classes are held during conferences (a.m. only days). Please view the master calendar on the school website www.lincoln.k12.mi.us. As a general rule, programs are cancelled in the evening only if it is absolutely necessary because of a late afternoon storm, mechanical failures, etc. Cancelled classes may be rescheduled. Your instructor will notify you of these make-up dates.

Adult Fitness: Zumba
Ditch the workout….Join the party.

Let’s face it, working out can be healthy, rewarding and beneficial. Working out can be lots of things, but it’s never been known to be an exhilarating experience…UNTIL NOW!

The Zumba® program fuses hypnotic Latin rhythms and easy-to-follow moves to create a one-of-a-kind fitness program that will blow you away. Our goal is simple: We want you to want to work out, to love working out, to get hooked. Zumba® Fanatics achieve long-term benefits, while experiencing an absolute blast in one exciting hour of calorie-burning, body-energizing, awe-inspiring movements meant to engage and captivate for life!

The routines feature interval training sessions where fast and slow rhythms and resistance training are combined to tone and sculpt your body while burning fat. Add some Latin flavor and international zest into the mix and you’ve got a Zumba® class!

Register for package of six or a $10.00 drop-in fee.

Any questions concerning the program, contact Suzanne Bellore at fineartsacademy@comcast.net

**The Director/Dance Instructor/Co-Ballroom Instructor**

Suzanne Bellore, a native Milan resident, has a rich and varied background in dance, program direction, and choreography. Suzanne has danced for the National Academy of Arts in Illinois, the Southwest Ballet Center in Dallas Texas, and the Eastern Michigan University Dance Team. Suzanne was also a coach for the Michigan Twisters (semi-professional football) Dance Team. She began the Lincoln Consolidated School Dance program in 1984 and directed that program for 17 years and took a break from Lincoln for the about 7 years. A member of the Cecchetti Council of America, Suzanne is the owner of the Fine Arts Academy of Dance in Whitmore Lake, the Fine Arts Pre-School, and Whitmore Lake Martial Arts. Suzanne also is the Director of the Milan School of Dance. Her students have danced around the world with performances in New York City, Disney World, Universal Studios, Toronto, The Big Red Boat, Carnival Cruises, Mackinac Island, A Pistons game in Detroit, Frankenmuth, as well as many local performances. Suzanne has two Ballet companies; one in Whitmore Lake and one in Milan. Dancers come together to put on a holiday-themed performance each holiday season.

**Dance Instructors**

Ms. Nina has been dancing for many years and has been choreographing for studios and musicals for several years. She is currently a third year Dance Team Member of the Eastern Michigan Dance Team and is studying early childhood education. She has performed in the “Secret Garden,” “Fame,” “Ragtime,” “Pippin,” “Oliver,” “Annie,” “Mid Summer Nights Dream,” and won first place in the State for her performance in “The Shadow Box.”

**New to Lincoln Dance Program this year.**

Ms. Rachel has been dancing for over twenty years and has been teaching since 2004. Prior to attending college she traveled all over the U.S. competing and taking classes from professional dancers and choreographers. She graduated Magna Cum Laude from Eastern Michigan University with a Bachelor of Science in Dance Performance and Choreography. While at Eastern she focused on ballet and modern dance, performing in the annual faculty/guest artist concert for three consecutive years, the Experimental Dance Concerts, en pointe in Coppelia, and many student pieces. Ms. Pomeroy also presented her research of dance at the EMU Undergraduate Symposium in 2008 and 2009.

**2010/2011 Pricing Schedule**

$200.00 per year. A $100.00 two-payment plan per year available when using a VISA, MASTERCARD, or DISCOVER credit card. Non-refundable costume fee… $55.00/$60.00 due with registration fee. New and revised Dance Recital tentatively scheduled for Thursday, May 19, 2011. Recital tickets are $10.00 per person. This year’s theme: “The Greatest Show on Earth”

**New Location**

We have added Model Elementary Multi Purpose Room for classes. Ms. Rachel’s Thursday classes will be held at Brick Elementary Cafeteria. There will be times that the cafeteria will be used for Brick or Multi-Age events. In the case of a school event the class will be held in Brick Elementary Gym.

**Attire**

Dancers are to wear light pink tights and a plain black leotard. Hair needs to be pulled back off the neck. Tap shoes-black, Ballet shoes-pink, Hip Hop/Jazz shoes-black. No jewelry.
It is recommended that all dancers who dream of dancing at heightened levels of dance take Ballet. Ballet is the foundation to many styles of dance and teaches students technical quality necessary for proper ease in motion.

**Ballet: Ages 4-6 years old, Ages 6-8 years old, Ages 7 to 10 years old**

The ballet technique that is taught is a highly disciplined training, in which a standing progression of exercises that build the strength and flexibility needed for the classical postures, steps, and combinations are taught. The Cecchetti method of dance is taught in this class, a training method by Maestro Enrico Cecchetti, famous dancer and foremost teacher of the artists of the legendary Imperial Russian Ballet and Sergei Diaghilev’s Ballet Russe. Costume payment of $55 due with registration. Minimum age by December 1, 2010.

**Hip-Hop/Jazz Ages 7 to 10 years old**

This program will allow students to take two most popular forms of dance in one class. The Hip-Hop/Jazz class teaches fundamental jazz steps and combines the elements of hip hop moves to contemporary music. We have found that the combination of jazz and hip-hop is ideal for students who want to learn dance often featured in the music videos of the latest pop superstars. Costume payment of $55/$60 due with registration.

Attention Athletes: Pay Your Fees ONLINE!

Athletic Fees can now be PAID ONLINE through the Lincoln Community Education website! Accepting Visa, Mastercard, and Discover Cards
You may have an existing account if you have participated in Community Education classes since 2004 or create a new account. The $18.00 insurance fee has been eliminated.

***Effective June 24, 2010, Lincoln Consolidated Schools DOES NOT PROVIDE accident insurance for student athletes. All students who participate in athletics MUST PROVIDE PROOF of insurance on their athletic physical form. There are inherent risks associated with participation in athletic programs. We encourage all families to have adequate insurance coverage for their children. Parents and their insurance company must pay for any medical bills incurred for injuries sustained at school, school-sponsored events, athletic practices or events, or on school property.
As a service to students and their families, the District is making available a student accident insurance plan for your child at a very nominal cost. Brochures are available in the Lincoln Athletic Office.

Family Sports Pass
Family Sports Passes are available for $125. This pass allows your family (up to 4) to attend all home sports activities. For more information contact the athletic office at 484-7013.

CLASS REUNIONS

REUNION - 40 YEARS – GIVE OR TAKE
It’s a perfect opportunity to mingle, swap stories, and reconnect with friends from Lincoln High School.
Starting October 22, 2010 at Frenchies in Depot Town, Ypsilanti. Then on October 23rd, possibly a tour at Lincoln High School, then on to the Marriot for an evening of old times brought to the present at dinner.
We are still in the planning phase so we are trying to get the word out to as many as we can who graduated from 1968 to 1972 and to any others who wish to visit with those who graduated then. Contact dusty121@comcast.net or log on to ClassmatesEmail@classmates.com for an announcement.

Welcome Back!

MIDDLE SCHOOL MUSTER
All students who are registered to attend LMS in the fall will need to attend the mustering event in the Lincoln Middle School Gym.

7th & 8th Grade
Monday, August 30 - 12:00 - 3:00 p.m.

6th Grade
Tuesday, August 31 - 8:00 - 11:00 a.m.

Students will complete paperwork and pick up their schedules for the current school year.

**If you have a book fine/fee you will need to pay this in the middle school office before receiving your schedule. Books and locker assignments will also be held until obligations are met.

The middle school office will open beginning Monday, August 23, 2009. Regular office hours are 8:00 a.m. – 3:00 p.m.

*If you are not able to attend muster, your child will receive their schedule upon entering the building on September 8th. Pictures will be taken in September.

HIGH SCHOOL ORIENTATION & PICTURE DAY SCHEDULE
The 2010-11 High School Orientation will be held from 9:00 a.m. - 4:00 p.m. Students should enter the main doors of the Arts and Recreation Center and follow the posted signs.

Remember that the photos taken will be the photos that will appear in the upcoming yearbook, so dress appropriately. All students will be photographed for identification purposes.
