MESSAGE FROM THE SUPERINTENDENT

Welcome to the 2013-14 School Year.

Folks often ask me this time of year if I am enjoying the relaxed pace of summer. Even writing those words makes me chuckle a bit. The months of June, July, and August are some of the most hectic and intense for many of us in public school districts. While there are a few vacation days taken, I am consistently impressed with the extraordinary dedication of our full staff to the summer work of Lincoln Consolidated Schools.

Hiring new staff to serve our school community continues to be an exciting part of our summer. Yes, it is sad for us when people leave our school community for retirement or to further their personal goals through alternative employment. However, such change is inevitable and opens the door to extraordinary possibilities. Many of you are aware that recently Principal Mandy Stewart left LCS to take a job with Petoskey Public Schools. I know that her departure has been a great disappointment for us, yet we understand her desire to be closer to family and we wish her every success. This may seem like a strange comment, but it actually makes me proud that our LCS employees are so highly regarded that other public school systems would select one of our own over other all of the other applicants from across the state. You and I know that our Lincoln High School administrators and faculty are very strong, that they have provided expert service to our children in spite of administrative changes, and that we will work together to choose another outstanding principal to continue our high school redesign. The work done thus far has brought great results in improving student achievement, as we will soon be able to document.

The economic climate for public schools in the state has worsened, and what we face in the next few years has been many years in the making. We are tenacious and resilient at LCS. Together, we will work our way through our current financial challenges to regain financial stability. I think about the pioneering spirit evident here, of the respect we afford one another, and of the team we have formed, and I realize how incredibly capable we are of moving successfully into our future. Together, we will seek the path and take the actions necessary to ensure the very best educational opportunities for the children we serve.

Improvements to our facilities and to our classroom resources continue as we wrap-up the final phases of our bond project and as volunteers step forward with extraordinary support of our district.

It seems so cliché, but where has the summer gone? By the time you read this, student activities will be in full swing in preparation for the fall sports season and the first day of school of the 2013-14 school year. I am so excited to welcome everyone back and to be able to say, “I am glad you have made your school home at Lincoln!”

CENTRALIZED ENROLLMENT

Enrollments for grades K-12 are centralized to better serve all of our families, both district residents and through school of choice. All enrollments are taken at the Business Office located in Brick Elementary (west end offices) at 8970 Whitaker Road, Ypsilanti between 8:00 a.m. and 3:30 p.m. See box for documents you will need to bring with you.

You can check online for enrollment forms and more information at www.lincolnK12.org.

STUDENT ENROLLMENT DOCUMENTS

Please bring with you:

- Driver’s license with CURRENT ADDRESS
- PLUS - One of the following in your name at your current address:
  - Tax Bill
  - Rental Agreement or Receipt
  - Mortgage statement
- Child’s Immunization Record with Doctor’s Signature
- Child’s ORIGINAL Birth Certificate
- Previous Report Card or Transcripts (if available)
- School of Choice Approval Letter (if applicable)
- Individualized Education Plan (IEP) and METS (if applicable)

You can contact the Lincoln Business Office staff at 734-484-7042 or email russell@lincolnK12.org with questions.
Lincoln Consolidated Schools

Lincoln Schools uses an automated calling system to communicate with our families. With the Edulink Intouch Parent Notification System you quickly and efficiently receive important school information like snow day notifications, student attendance, and school events directly to your family via phone, email, or text message.

As part of the fall registration process you will receive a letter with information on how to register your own contact information online. You will be able to set your preferences on how you would like to receive messages from Lincoln Schools.

COMMUNICATING WITH THE LINCOLN COMMUNITY

For your convenience Lincoln posts school and sport schedules, school board agendas/meeting minutes, dates for important events, and much more in a variety of formats.

LOWDEN SCHOOLHOUSE ANNUAL PUMPKIN SALE

The Annual Lowden Schoolhouse Pumpkin Sale will be held on **Saturday, October 20th** from 10:00 a.m. - 2:00 p.m. The schoolhouse is located next to Model Elementary on Whittaker Road. There will be pumpkins, cider, and doughnuts. The schoolhouse will be open for visitors and we would enjoy having you stop by.

Lowden Schoolhouse is one of the original one-room schools that consolidated in 1924 to form the Lincoln Consolidated School District. Lowden Schoolhouse is an independent non-profit corporation. All funds raised during the pumpkin sale are used for maintenance on the building, as well as a scholarship that is awarded to a Lincoln graduating senior that will be attending Eastern Michigan University.

WEBSITE ADS EARN MONEY FOR LINCOLN

Lincoln Schools has partnered with Alternative Revenue Development to generate revenue through our district website at [www.lincolnK12.org](http://www.lincolnK12.org). We’re excited to have this opportunity to tap into a revenue stream for the district. By supporting our website advertisers, Lincoln earns money. Revenue generated from the ad sales will be used in a variety of ways to improve our district. If you’re interested in learning more about this advertising opportunity, contact ARD at 248.688.9488.
Lincoln offers a unique opportunity for your child to learn Spanish in elementary school. Lincoln Consolidated Schools offers an exciting new program to immerse students in the Spanish language while teaching the elementary curriculum. This program started with a single K-1 classroom in September 2012 as part of Bishop Elementary School’s multi-age program. We will add a classroom each year until we have a K-5 program. As the program grows, we will evaluate opportunities to expand Spanish offerings into middle school and high school. Immersion teaches the same elementary school curriculum as any other elementary school classroom. The primary difference is that the language of instruction will be Spanish in this classroom. Specials and assemblies will remain English for these students. The Spanish Immersion students will also fully be a part of the multi-age Bishop Elementary School and will experience the High/Scope approach to curriculum delivery. One of the significant benefits of this type of program is that children are immersed in a second language when they can learn it naturally. Natural learning is how we learned our native language. It is the easiest way to learn a second language before our brains age, making second language learning more difficult. Students in these programs develop a near native fluency that, when nurtured, can allow bilingualism to flourish.

The program had a very successful first year with parents giving very positive feedback. Many parents with children in the program are excited about enrolling their younger children in future years. Sixteen students enrolled in our Spanish Summer camp during June, July, and August 2013. The six week summer camp is an excellent learning opportunity for students to maintain their Spanish language and general academic skills while having fun over the summer. We hope to continue this supplemental offering in future years.

The benefits of being bilingual have been studied a great deal over the past few decades. The benefits:

- Positive effect on intellectual growth
- Greater flexibility in thinking, better listening, more sensitive to language
- Improved understanding of native language
- Opportunities to meet new people
- Understanding of other cultures and appreciation for differences
- More prepared for high school and college
- Improved job opportunities and salary potential

To learn more, contact Jeremy Reed (jeremy@lincolnspanishimmersion.com). Program and enrollment information will also be available at the Enrollment Night on August 19. Visit www.lincolnspanishimmersion.com to learn more about our program, as well as language immersion and its benefits.
LINCOLN EARLY CHILDHOOD SERVICES

The Lincoln Early Childhood Center, located in Model Elementary School, offers a range of comprehensive services for children from birth through age five. The center utilizes a model that emphasizes that parents are a child’s first, best, and most influential teachers.

The Early Childhood Center also includes classrooms for Great Start Readiness Program, Early Childhood Developmentally Delayed, and Lincoln’s Early On Program. The goal of the center is to establish a primary prevention community available to all families living in the Lincoln community. Through strong parental involvement, the Early Childhood Center is an avenue promoting the improved social, cognitive, and physical growth of young children in our community.

Pre-School

Lincoln offers two different pre-school programs. Students for these programs must be four years old by November 1st and reside in the Lincoln School District. Great Start Readiness Program (GSRP) is a grant-funded pre-school program. Eligibility for this program is based on household income and a child’s “risk factors.” For more information on this program please call 484-7070.

Lincoln also offers a tuition-based pre-school run by Bemis Farms, and located at Model Elementary. For more information on this program please call 484-7000, ext. 7308 or 994-1709.

ATTENTION: PARENTS OF CHILDREN BIRTH – AGE FIVE

If you have any concerns about your child’s development, the staff at the Lincoln Early Childhood Center at Model Elementary is ready to work with you. We can provide free developmental screenings. When screening results indicate a need for more in-depth information, we can provide evaluation services to determine if a child/family is eligible to receive the following services that our center provides:

- Social Work Services
- Services of School Psychologist
- Speech and Language Services
- Occupational Therapy
- Physical Therapy

For more information, contact 484-7070.

MODEL ELEMENTARY VISITS LOWDEN

Kindergarten classes visited the historic Lowden School in the spring. Greeted by the gong of the bell, they walked in the separate doors designated for boys and girls as they would in the days of long ago. Although the students were able to choose where to sit, Mr. Makarевич, our historian, told them they would be assigned a seat by grade. He talked about the books and assignments using slates, not ipads. He also showed and talked to the students about the interesting “old stuff” throughout the school.

FIRST GRADERS CELEBRATE FROGS!

On April 25th and 26th, the first graders in Mrs. McNeal’s and Mrs. Boterenbrood’s classes showed off their frog projects. The first graders learned about frogs and how important they are to the environment. They made posters to spread the word about “Saving the Frogs.” Each student was assigned a native Michigan frog to report on. They each wrote a report and created a visual piece to display. There were dioramas, clay models, posters, and paintings. Parents were invited to come to school and view all of the projects. There was a great turn out and many proud parents and students. The students shared them with the rest of the Brick community. Mrs. McNeal and Mrs. Boterenbrood were very proud of their first graders and their efforts!

COMPUTER PROGRAMMING CLUB & ART CLASS

Two after-school enrichment classes were offered to Bishop students in April. Bishop parent Melvon Williams instructed upper house participants on digital learning skills. LCS art teachers, Ms. Wice and Ms. Angel, taught students about the artist Matisse!

BRICK STEM WINDMILLS

Third graders from Mrs. Lehto’s class engaged in some incredible activities this spring through Brick’s STEM initiative. These students learned much about Science, Technology, Engineering, and Mathematics. Small groups of teammates worked in pairs to build a structure strong and sturdy enough to hold an identified object using just index cards -- no tape, no glue, just the cards. Students were active in many tasks that were designed specifically around STEM. A culminating activity that allowed small groups to work together to build a windmill proved just how much students learned and enjoyed this thought provoking learning opportunity. Look for more exciting news to come from Brick as we move forward with our STEM curriculum. To quote the students, “When can we do STEM again? It's awesome!”

3RD GRADE FARM FIELD TRIP

On Thursday, April 25, the third grade classes went on a field trip to the Washtenaw Farm Council Grounds. Students learned about different products that come from Michigan and saw lots of farm animals like cows, llamas, pigs, chickens, and baby chicks that had just hatched. They learned about the vehicles and machines used on a farm. Students sampled many different foods including lamb, ice cream, popcorn, cherries, blueberries, sunflower seeds, honey butter, and soy beans. There were people making socks, blankets, and scarves out of wool. The best part was that each student received a baby tree to take home and plant. It was a fun and educational day!
STEM COMES TO BRICK ELEMENTARY

Brick Elementary has been introducing children to engineering and technology through Engineering is Elementary (EiE) projects. The students use mathematical, science, and engineering concepts and skills as they engage in activities to solve environmental problems. As they think like engineers, students become better problem solvers. Ms. Johnson’s fourth grade classroom worked on STEM lessons that introduce green engineering and problem solving. Throughout these lessons, students found ways to solve problems without impacting the environment. Solar ovens were created using materials that can be found in any home. Students had to use the knowledge they gained about thermal properties and then had to create, test, and improve their solar ovens. It proved to be a great learning experience, along with a tasty one. Mrs. Trotsky’s students worked with concepts related to the water cycle. They learned about the importance of clean water and designed a filter that would remove particles from contaminated water. Students focused on an environmental problem found around the world.

5TH GRADERS GO TO CAMP!

From May 28 - 31, Upper House fifth graders, along with staff members and parent chaperone volunteers, attended YMCA Camp Storer for an outdoor environmental education experience. Students and families raised funds within the Bishop community, throughout this school year!

Students in grades second - fifth enjoyed exploring imaginative engineering at after-school “Engineering Adventures.”

All grade levels engage in team work while learning during STEM activities.

Students working hard on STEM activities at before-school academic support.

GIRLS ON THE RUN: SEASON 7

Thanks for another great Girls on the Run season…seven years and still “running.” We couldn’t have had our best season ever without our Lincoln Community! Our 53 girls and five coaches began our season in March. Frigid temperatures couldn’t keep these girls inside. We ran/walked in one of the coldest spring seasons ever. Building friendships and encouraging healthy lifestyle choices made it all worth it. We concluded our season with our community service project Walk-A-Thon, in which the entire Brick community, parents, students, and staff participated. Our girls were able to raise close to $2,000 for a great cause. We couldn’t be more proud of our girls and community. Thanks to all!
SEMLAA TOP 15 STUDENTS

On May 13th, LMS was proud to celebrate the Academic Top 15 students at the SEMMLAA (Southeast Michigan Middle Level Administrators Association) Honors Night held at Chelsea High School. The evening highlighted the top 15 middle school students from Lincoln, Chelsea, Dexter, Manchester, Milan, Pinckney, Tecumseh, and Saline. As part of the ceremony, the schools recognized the “Teacher of the Year” selected by the Top 15 students of their respective school. The LMS students selected eighth-grade math teacher, Mrs. Dani Weathers. The Top 15 students from LMS were Erika Bournival, Sarah Rock, Emma Siebert, Susan Shell, Kirsten Thomas, Kristina Wilhelm, Brendan Williams, Jaia Winn, Kendahl Helzerman, Jacob Kedroske, Jessica Sparks, Kimberly Waters, Kendra Kerner, Lake MacKenzie, and Antonia Williams.

LMS HONORS NIGHT

On May 29th, LMS celebrated the academic achievement, excellent attendance, and good citizenship of our sixth, seventh, and eighth grade students. These high achieving students were honored with a medal and a certificate. The ceremony was followed by a punch and cookies reception. The LMS administration and staff are proud of the achievements of these students.

LMS REWARD TRIPS

This spring Lincoln Middle School continued its reward trip tradition with a trip down the Detroit River on a beautiful Friday afternoon. Eighth grade students danced, ate and socialized as the river boat made its way up the Detroit riverfront. Other rewards include the sixth grade excursion to Rolling Hills Water Park, seventh grade bowling trip, and eighth grade Farewell Dance.

TEACHERS FROM KOREA VISIT CHILDS

Childs Elementary hosted 12 teachers from Busan, South Korea for two weeks last spring. The Busan teachers are a select group of educators who were chosen to participate in an in depth international professional development session in the United States through Eastern Michigan University. The Busan teachers participated in professional development sessions on best practice teaching pedagogy used in the United States, and then observed those best practices in action at Childs Elementary.

Eleven Childs Elementary teachers hosted one of the teachers over nine days so that the Busan teachers could observe and learn about our teaching practices, ask questions, do some interactive teaching themselves, and then debrief as an entire group each day about what they have learned and how they could take it back to their classrooms. In addition, each of the guest Busan teachers taught some lessons on the life and culture of South Korea for our students, so that our students could learn all about life in Busan and South Korea. This was a tremendous opportunity for the Busan teachers, and our teachers, and students here in Lincoln.
FAREWELL, MS. MCCOY

Bishop Elementary School Principal Carol McCoy retired from Lincoln Consolidated Schools at the end of the 2012-13 school year. She was a teacher for 27 years and a principal for ten years, all 37 years at Lincoln. Throughout her career she was involved with innovation in education including multi-age classrooms, High/Scope learning methodology, and the introduction of Spanish Immersion.

Carol is a dedicated educator and in speaking with her you understand her focus on students. She really believes in whole child education including emotional intelligence, creativity, character development, interpersonal skills, self-confidence and other important skills necessary for students to have to develop into productive citizens.

Principals and educators have a remarkable list of responsibilities, many rarely considered by those not working in education. This is a job that only the most committed can do. A principal must love their job and love their school and Ms. McCoy demonstrated this every day. In speaking with Carol about her retirement, she was asked to share some thoughts with educators and families. For educators she said, “Be flexible. Make kids love learning by being open and caring. Make them feel safe. Be innovative. Be open to new ideas and explore those ideas.” For parents her advice was very clear, “Get involved and stay involved all the way through your child’s education. You are their biggest advocate. Make the time for your child and model the behavior you want them to have. It is easy to forget.” She does not want parents to forget to get involved and stay involved. This, she feels, is the most important factor in parent satisfaction. This helps us identify and understand what we want from the education of our children.

Thank you, Ms. McCoy.

MADE IN MICHIGAN BREAKFAST

On Friday, May 31, 2013, the annual third grade Michigan breakfast was held. The students were able to celebrate their learning of Michigan commodities with a breakfast of foods grown or made in Michigan. With Ms. Lehto leading the charge, along with Ms. Cannon, Mr. Whitley, Mr. Clarke and lots of parents, this event went off without a hitch! “It was awesome to eat all together as a third grade.” said Gabby Gaston. “It was cool that all the foods come from Michigan.” agreed Izabella Bowers. “I tried cherry cobbler and it was really good” added Tyrel Brown. “It was really great that I got to spend time with my parents for this breakfast.” said Logan Norton.

THIRD GRADE PICNIC AT BRICK

On Wednesday, June 5, 2013, third grade celebrated with an end of the year picnic. The students were able to eat their lunch of hot dogs, fruit salad, and potato salad outside with all of the other third grade students. “We were able to play football and that was really fun!” said Ryan Walls. “Face painting is so awesome!” chimed in Allyssa Newland. “The food was excellent,” replied Kylie Duczyminski. “Soccer was super fun.” remarked JaShawn Greene. Without the support of our parents these outings could not go on, so a huge thank you to all the parents who were able to make it!
INTEGRATED PEST MANAGEMENT PROGRAM

Lincoln Consolidated Schools practices an integrated pest management program. As part of an effective, environmentally sensitive pest management program, school district buildings and grounds may be treated periodically with chemicals to aid in the control of pests or weed growth. In accordance with regulation 637 of the Michigan Pesticide Control Act, notice will be posted at the entrance of the facility. Parents may choose to be notified by mail, to be postmarked 3 days before the treatment. Return the form below to be notified prior to a treatment of the affected building or grounds. Pesticides may be applied in an emergency situation without prior notification.

If your family lives in any of the following situations:
• In a shelter, motel, vehicle, or campground
• On the street
• In an abandoned building, trailer, or other inadequate accommodations, or
• Doubled up with friends or relatives because you cannot find or afford housing

You need to know that preschool-aged and school-aged children have certain rights or protections under the McKinney-Vento Homeless Education Assistance Act.

You have the right to:
• Go to school, no matter where you live or how long you have lived there. You must be given access to the same public education provided to other students.
• Continue in the school you attended before you became homeless or the school you last attended, if that is your choice and is feasible.
• Receive transportation to the school you attended before you became homeless or the school you last attended, if you request such transportation.
• Enroll in school without giving a permanent address. Schools cannot require proof of residency that might prevent or delay school enrollment.
• Enroll and attend classes while the school arranges for the transfer of school and immunization records or any other documents required for enrollment.
• Enroll and attend classes in the school of your choice even while the school and you seek to resolve a dispute over enrollment.

• Receive the same special programs and services, if needed, as provided to all other students served in these programs.
• Receive transportation to school and to school programs.

When you move, you should do the following:
• Contact the school district’s local liaison for homeless education at 734-484-7054 for help in enrolling your child in a new school or arranging for your child to continue in his or her former school. (Or, someone at a shelter, social services office, or the school can direct you to the person you need to contact.)
• Contact the school and provide any information you think will assist the teachers in helping your child adjust to new circumstances.
• Ask the local liaison for homeless education, the shelter provider, or a social worker for assistance with clothing and supplies, if needed.

• Receive the same special programs and services, if needed, as provided to all other students served in these programs.
• Receive transportation to school and to school programs.

• Contact the school and provide any information you think will assist the teachers in helping your child adjust to new circumstances.
• Ask the local liaison for homeless education, the shelter provider, or a social worker for assistance with clothing and supplies, if needed.
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT
ANNUAL NOTIFICATION OF RIGHTS & DESIGNATION OF DIRECTORY INFORMATION

Each year the Lincoln Consolidated School District is required to give notice of the various rights accorded to parents or students pursuant to the Family Educational Rights and Privacy Act ("FERPA"). Parents and eligible students have a right to be notified and informed. In accordance with FERPA, you are notified of the following:

1. **RIGHT TO INSPECT:** You have the right to inspect and review substantially all of your education records maintained by or at the Lincoln Consolidated School District. This right extends to the parent of a student under 18 years of age and to any student age 18 or older.

2. **RIGHT TO REQUEST AMENDMENT:** You have the right to seek to have corrected any parts of an education record which you believe to be inaccurate, misleading or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if a designated official of the Lincoln Consolidated School District decides not to alter the education records according to your request. If no change is made to the education record after the hearing, you have a right to place a written rebuttal in the record.

3. **RIGHT TO PREVENT DISCLOSURES:** You have the right to prevent disclosure of education records to third parties with certain limited exceptions. It is the intent of the Board of Education to limit the disclosure of information contained in your education records to those instances when prior written consent has been given to the disclosure, as an item of directory information of which you have not refused to permit disclosure, or under the provisions of FERPA which allow disclosure without prior written consent.

4. **RIGHT TO COMPLAIN:** You have the right to file a complaint with the United States Department of Education concerning the alleged failure of the Lincoln Consolidated School District to comply with FERPA. Your complaint should be directed to:
   - Family Policy and Regulations Office
   - Office of Management, U.S. Department of Education
   - 400 Maryland Avenue SW, Washington, DC 20202
   - (202) 732-2057

5. **RIGHT TO OBTAIN POLICY:** You have the right to obtain a copy of the policy adopted by the Board of Education in compliance with FERPA. A copy may be obtained in person or by mail by contacting the office of the Superintendent.

6. **RIGHT TO OBJECT TO RELEASE OF DIRECTORY INFORMATION:** Generally, school officials must have written permission from the parent of a student or an eligible student before releasing any information from a student’s record. However, FERPA allows school districts to disclose, without consent, “directory” type information. The Board of Education of the Lincoln Consolidated School District has designated the following personally identifiable information contained in a student’s education record as “directory information”:
   - Student’s name
   - Address
   - Telephone number
   - Parent or guardian
   - Date and place of birth
   - Height & weight
   - Major field of study
   - Dates of attendance or grade placement
   - Honors and awards received
   - Participation in and eligibility for officially recognized activities and sports
   - Most recent educational agency or school attended by the student

Unless you advise the District that you do not want any or all of this information released, school officials may release the personally identifiable information it has designated as directory information. Upon such objection, this information will not be released without the prior consent of the parent or eligible student.

You have three weeks from the receipt of this notice to advise the District in writing of any or all of those types of information about the student you refuse to permit the District to designate as directory information. Your objections should be addressed to the respective building principal. Completing this form will provide written notification to the District and this information will not be released without the prior consent of the parent or eligible student.

Building Principal: __________________________ Child: __________________________

I would prefer that the following information not be released in regards to the child named above:

Lincoln School Song
(Alma Mater)
Lincoln High, our “Alma Mater”
When we are all far away.
To your school we’ll sing our praise
When our voice to thee we raise.
Rising high above all others
This is our flag of blue and gray.
Lincoln High our “Alma Mater”
Growing stronger day by day.

CONGRATULATIONS!
CLASS OF 2013
THE LINCOLN HIGH SCHOOL THEATRE DEPARTMENT ANNOUNCES ITS NEW SEASON

With the construction of the new Lincoln Performing Arts Center last year, the Lincoln Theatre Department went through a rebranding of sorts to match the quality of the new space. The Lincoln Theatre Boosters have also been renamed and it is hoped that there will be even more theatre volunteers involved during the coming season.

The Lincoln Theatre Department will still be mainly made up of high school students, with middle school students, high school staff, alumni, and community members participating as well. In fact, last year the productions included not only high school students, but six foreign exchange students, four teachers, ten middle school students, several former students, an enthusiastic group of parents, and one community member who just wanted to be in a show.

Additionally, every member of the department who graduated in 2013 was accepted into a four-year university. This included one student, Laura Wynne, who auditioned for and was accepted into an elite theatre program at Pace University in New York City. She follows in the footsteps of 2012 graduates Caleb Foote and Eric Myrick, who both made it into the prestigious theatre program at the University of Michigan.

The coming season is shaping up to be more exciting than the last. It starts off with the musical, “Honk!”, which is based on Hans Christian Anderson’s beloved tale of the “Ugly Duckling” and ends with the an adaptation of the award-winning motion picture and novel, “Picnic at Hanging Rock,” a true life mystery about lost schoolgirls in Australia. Also, in the works for the one-act play competition season in 2014, is a follow-up to the vastly successful spring production, the Greek tragedy masterwork, “Medea.”

Welcome to the 2013-2014 school year! Again this year you will be receiving route information from your child’s building, along with their building and teacher assignments. The letters will work in conjunction with this booklet and are the most current routes as of August 7, 2013. All routes and times are subject to change as enrollment changes are received.

CHILDCARE ARRANGEMENT FORMS

If you had a Childcare Arrangement Form (Babysitter Form) on file at the end of the school year, your child will be scheduled on that bus route until a new request is made to the Transportation Department. You will need to complete a new form if you have changed childcare providers or are no longer utilizing a sitter. Childcare Arrangement Forms can be picked up from the Transportation Department or your child’s school office.

For your convenience the transportation hot line is updated twice a day. The line will inform you of any school closings, school delays, road closures, or late buses during the school year.

Transportation Hot Line:
(734) 484-7000 ext. 6041

Finding Your Bus

To find your child’s bus pick-up location, find the section that applies to your student(s) -- Secondary, Elementary, Childs -- and then find the number and address nearest your home. Because many buses may pick up on the same road, please check the list carefully. You will find the approximate pick-up time by the address nearest your home.

Kindergarten Busing

For your child’s safety, a parent/guardian or appointed emergency contact person (must be on the emergency card) must be at the bus stop to pick up your kindergarten student every day.

Childcare Arrangement Forms

Childcare Arrangement Forms are available at the Transportation Department or in your child’s school office. Forms can be completed and/or dropped off at the Transportation Department between the hours of 8:00 a.m. and 4:00 p.m. There could be up to a two (2) week delay in processing the forms at the start of the school year.

Bus Stop Change Request

Requests for a bus stop change can be made on a Concern/Complaint Form available in the Transportation Office. All requests will be researched and you will be notified of the results within thirty days of the request. Please be aware that all requests must meet the criteria for change and are not automatically honored.

Bus Stop Criteria

For more information on Public Act 187, the list of criteria used to establish bus stops, or frequently asked questions and answers, please visit the Michigan Department of Education website at www.michigan.gov/mde.

PLEASE NOTE

Times are approximate and are subject to change. Please be patient, especially for the first couple of weeks of school. Pick-up times could vary as much as 15 minutes, especially early in the year. Times will improve and changes will be implemented if needed.

Lincoln Consolidated Schools

20 Fall 2013 www.lincolnK12.org
FREE & REDUCED LUNCH

Free and reduced-price meals are available to qualified families. Eligibility is based on family income and size. If you think you may qualify, please fill out one application per family and return to any school office, or mail to Lincoln Consolidated Schools, 8970 Whittaker Road, Ypsilanti, MI 48197. Applications are also available on our website at www.lincolnK12.org, under the Food Service tab. Applications will be accepted at any school building, but please mark Business Office on the envelope to ensure prompt delivery.

If you attended Lincoln Schools and received free or reduced-price benefits last year, you will begin the new school year on the same status. However, a new application must be submitted and processed by September 27, 2013 in order for meal benefits to continue for the 2013-2014 school year. If you received benefits at another school district, you will not be eligible for free or reduced meals at Lincoln Schools until an application has been processed and approved. You may apply for free and reduced-priced meals at any time during the school year. If you are not eligible now but have a later change such as a decrease in household income or an increase in household size, you may complete an application at that time.

New applications must be completed every school year.

WHAT IS A REGULAR LUNCH MEAL??

A regular lunch meal is the meal at the regular meal price or can qualify for the free or reduced meal price. It consists of an entree item (including bread and protein), a fruit, a vegetable, and milk. Students must take three of these items; one of which MUST be a fruit or vegetable for the meal to qualify as a “regular meal”. If they take less than three components or more than the five, they will be charged the a la carte price for each item regardless of free or reduced status.

Milk-only purchase price is $0.75. Milk alone is not free or discounted for eligible students.

At the middle school and high school, baked fries, chips, slush, cookies, bottled drinks, etc... are NOT included in the regular lunch meal. These items are available for purchase separately.

Breakfast @ Lincoln!

If there is a way to be less hurried in the morning, would you take advantage of it? If there is a way to improve your child’s grades, would you consider it worthwhile? Breakfast at school could be the answer!

Finding the time to fit a healthy breakfast into your child’s daily routine is probably just as difficult as fitting it into your own. Studies show that children who acquire the breakfast habit early are less likely to develop illness, while successful in maintaining a healthy weight, good grades, solid attendance, and overall performance.

Breakfast is available at all buildings within Lincoln’s district. The price is $1.20 and menus can be found at each school or on our website at lincolnK12.org under the Foodservice tab. If your children qualify for free or reduced priced lunch, they also qualify for free or reduced priced breakfast!

LINCOLN ATHLETICS: Frequently Asked Questions

Q: What must be turned in BEFORE participation in an athletic program?
A: Student/parent must have submitted to Athletic Office PRIOR TO TRYOUTS:
   • Completed Athletic Physical form (must complete MHSAA form, which is available online at www.lincolnK12.org or in the Lincoln Athletic Office).

Q: My child got a physical to play sports last year, and that physical was given in February of this year. Does that physical still provide coverage?
A: No, that physical will not work. The MHSAA requires that each student-athlete undergo a physical on or after April 15th of the previous school year. In order to participate in athletics during the 2012-2013 school year, your child must have undergone a physical on or after April 15, 2012.

Q: Is there a participation fee for Lincoln athletics?
A: Yes, the district has implemented a “pay-to-participate” program. The yearly cost will be $140 per high school student and $100 per middle school student, allowing the student to participate in as many sports as they choose during that school year. If the family has more than two students participating, the 3rd student (4th, 5th, etc.) is half price.

Q: Can the participation fee be waived if I am on free/reduced lunch?
A: If a student is on free/reduced lunch, his/her participation fee will be half of the original fee ($70 – HS/$50 – MS) once verification is received from the district. Parents can also volunteer to work athletic events to pay off any fees owed for their child.

Q: How do I proceed if I have concerns about a coach?
A: Step 1: Start with the source. The student should talk directly with the coach, in private, face to face, away from the practice site or game arena.
   Step 2: Parent contacting the source. Contact the coach to talk directly, in private, face to face, away from the practice site or game area.
   Step 3: If necessary, talk with the Athletic Director and the person who the difficulty involves.

Appropriate concerns for parents to discuss with coaches:
1. The treatment of your child
2. Ways to help your child improve
3. Concerns about your child’s physical health and welfare, academic progress, or violation of the code of conduct

Areas of control that belong to the coach:
1. Tryout procedures, team placement, team size, and selection criteria
2. Position(s) played, lineups, and playing time
3. Offensive and defensive strategies, play calling, and style of play
4. Practice plans, drills, and scrimmages
5. Coaching staff

Q: What type of commitment is necessary when playing for a high school team?
A: Student-athletes need to be aware that athletics require a commitment to the team. Coaches may allow a student-athlete to participate in another extracurricular activity, but the student-athlete must first consider what the impact will be upon the team. Participation in another activity can result in lost playing time or removal from the team.

PROFESSIONAL PHOTOGRAPHS & ICE CREAM SOCIAL
SATURDAY, OCTOBER 12 ~ 11:00 a.m.
Photographer Lori Nemeth has generously offered to donate a portion of her profits to our senior center!

If you are interested in setting up an appointment, please call Lori at 734-484-3456 to reserve a time slot. She has different backdrops and props to choose from, as well as a variety of packages for your family ranging in price from $75.00-$325.00. Plus there are “Ala Carte” items available such as key chain photos at $15.00 or Christmas cards at $45.00. Lori will be delighted to discuss the options in further detail with you.

In the afternoon you’ll be able to sit down, enjoy the fresh air, listen to some soothing toe-tapping music, and eat some yummy ice cream with your choice of delicious toppings. But don’t rush off too quickly because we will be doing a LUCKY DRAWING and the winner will receive a Kroger gift card to spend as you choose!!

LINCOLN GOLDEN AGES SENIOR CENTER
Are you 55 years old or older and are looking for something NEW? Then the Lincoln Golden Ages Seniors are looking for YOU! We are a group of area seniors who enjoy being social and LOVE to have fun! Our Center offers a variety of educational, social, and physical activities such as yoga, fitness, cards, bingo, community resource speakers, computer classes, quilting and craft classes, monthly trips, and intergenerational activities with our Lincoln students. We are also involved in community outreach projects. The Center is open Tuesday through Friday. Membership dues are $15.00 per year. A hot lunch is also provided four days a week for a nominal fee. If you are ready for a change, stop by anytime to receive a copy of our newsletter and take some time to visit with us. If you call two days in advance to schedule lunch, your first lunch is our treat to you! Make us your “home away from home.” We are located in Brick Elementary, west entrance.

MARK YOUR CALENDARS FOR THE 2013-14 MIDDLE SCHOOL ORIENTATION!

Please join us in welcoming all middle school students back to school during orientation! At this time we will be handing out student schedules, collecting and updating emergency card contact information, immunization information, cell phone registration, and fees and fines. In addition, parents will be able to pick up/turn in a variety of hand-outs including those regarding athletics and free & reduced lunch. Remember, students will be taking their pictures the first week of school. These photos will appear in the upcoming yearbook, so dress appropriately. All students will be photographed for I.D. card purposes.

In an effort to move the middle school orientation process along, we are asking students to attend as listed below. Students should enter via the doors between the Middle School Gym and Cafeteria, which face the football field, as the orientation will be held in the Lincoln Middle School Gymnasium. Families with students in more than one grade are welcome to attend together.

LMS WEB 6TH GRADE TRANSITION PROGRAM

WEB (Where Everybody Belongs) is a middle school orientation/transition program that welcomes sixth graders and makes them feel comfortable throughout the first year of their middle school experience. Through this nationally-recognized middle school transition program, members of the eighth grade class are trained to act as positive role models, mentors, and leaders to help guide the sixth graders to discover what it takes to be successful in middle school. Schools have reported that the WEB middle school transition program has enhanced anti-bullying efforts, reduced discipline issues, and increased school safety, creating an improved school climate and a greater sense of connection for the whole school.

Lincoln Middle School is very excited to use WEB at our school. For more information, visit the website www.theboomerangproject.com.
Welcome Back!

HIGH SCHOOL ORIENTATION UPDATE

Informational Meeting on August 27 at 6:00 p.m. in the Performing Arts Center

The orientation dates previously shared have been CANCELLED for August 21, August 22, and August 23. The LINK Crew session announced for the morning of Tuesday, August 27 will remain as scheduled from 8 a.m. - 12:00 p.m. (see box below), but the afternoon paperwork and picture component is cancelled.

The High School Administrative Team will host an Informational Meeting on August 27 at 6:00 p.m. in the Lincoln Performing Arts Center to share an overview of our first day of school. This meeting is simply informational; schedules not be distributed until the first day of school.

Powerschool will be accessible by August 30 and the start of the school year paperwork will be available at this meeting and on the website.

FRESHMAN LINK CREW ORIENTATION

August 27, 2013 from 8 a.m. - 12 noon

Your student is encouraged NOT to bring backpacks, purses, or other items, as the day is quite active. Because the day is active, please make sure that your student wears comfortable clothing that does not restrict movement. This is a student-only function so we encourage you to let your child attend on her or his own.
