MESSAGE FROM THE SUPERINTENDENT

Hello, Lincoln! I love the farmers markets in our area during the months of August and September. Bins and baskets overflow with produce and fresh flowers which prompt creativity and innovation. I also love our schools at this time of year. Staff and students energize the classrooms and community spaces with creative and innovative activities. Inspiration is in full bloom at LCS. The 2014-2015 school year is ripe with promise.

Student success is our priority and our programs are designed to offer a wide array of opportunities at all grade levels. Would you like your child in an elementary school that includes STEM (science, technology, engineering, mathematics) focused instruction? Would you like a traditional or a multi-age classroom grouping? What about immersing your young child in a foreign language so that fluency is achieved by the end of the elementary years? We offer all of that, and more! At Lincoln Middle School, students engage in full exploration and development of their talents within a team concept, where students learn well in smaller, grade level teams. Whether students find motivation through our advanced technology and pre-engineering classes, through our strong, core curriculum and elective programs, or through extra-curricular sports and activities, there are many ways for students to be excited about their middle school years. Our Lincoln High School students build a firm foundation for their future within our comprehensive courses and advanced programming. More than 80% of our students further their academic careers by attending universities, colleges, and trade programs. On-campus Advanced Placement courses include American government, biology, calculus, chemistry, economics, English, physics, and world history, with additional on-line courses available. Students may participate in Project Lead the Way for science, technology, engineering, and mathematics instruction. LHS participates in consortium programs which include participation in the Early College Alliance at Eastern Michigan University, the SWWC for the full range of vocational programs, the Washtenaw International High School IB Diploma Programme, and other, specialized pathways to graduation. Our award winning performing and visual arts programs include jazz band, symphonic band, five choral groups, drama, and fine arts offerings in metal design, drawing, painting, and ceramics. LCS Railsplitter athletics bring great pride and school spirit. We are Splitter Nation! With 24 interscholastic sports, students experience athletic opportunity, teamwork, and success.

Students thrive where opportunities, creativity, and innovation abound. You have found that place. Welcome to Lincoln Consolidated Schools and to our winning Splitter Nation. Have an outstanding year!

Ellen Bonter
Superintendent of Schools

CENTRALIZED ENROLLMENT

Enrollments for grades K-12 are centralized to better serve all of our families, both district residents and through school of choice. All enrollments are taken at the Community Engagement Office located in Lincoln High School (west entrance) at 7425 Willis Road, Ypsilanti between 8:00 am and 3:30 pm. See box for documents you will need to bring with you.

You can check online for enrollment forms and more information at www.lincolnK12.org.

LINCOLN EARLY CHILDHOOD SERVICES

The Lincoln Early Childhood Center, located in Model Elementary School, offers a range of comprehensive services for children from birth through age five. The center utilizes a model that emphasizes that parents are a child’s first, best, and most influential teachers.

The Early Childhood Center also includes classrooms for Great Start Readiness Program, Early Childhood Developmentally Delayed, and Lincoln’s Early On Program. The goal of the center is to establish a primary prevention community available to all families living in the Lincoln community. Through strong parental involvement, the Early Childhood Center is an avenue promoting the improved social, cognitive, and physical growth of young children in our community.

Pre-School

Lincoln offers two different pre-school programs. Students for these programs must be four years old by November 1st and reside in the Lincoln School District. Great Start Readiness Program (GSRP) is a grant-funded pre-school program. Eligibility for this program is based on household income and a child’s “risk factors.” For more information on this program please call 484-7070.

Lincoln also offers a tuition-based pre-school run by Bemis Farms, and located at Model Elementary. For more information on this program please call 484-7000, ext. 7308 or 994-1709.

BRICK STUDENTS REPLANT GARDEN
One of the subjects taught in the fourth grade social studies curriculum at Brick Elementary is the study, understanding, and memorization of core democratic values of the USA. One of the Core Democratic Values is the "COMMON GOOD." Ms. Curmi’s class let Ms. Jody Churchville, parent coordinator, know that they would like to volunteer for public service acts, as they wanted to begin to work for the common good as a group. The class did a variety of projects, the last one of the 2013-2014 school year was for the Lincoln Golden Ages Senior Center. On June 11th they took on the task of reviving a neglected garden. All 29 students transported, weeded, dug, and planted in the garden. The class ended the job with watering of both the students and the garden!

NASA VISITS BISHOP UPPER HOUSE
Upper House students in Mrs. Abby Smith’s and Mrs. Heather Smith’s classes were treated to a visit in June by a NASA engineer from the Dryden Research Center at Edwards Air Force Base in California. The purpose for the visit was to promote careers in STEM for boys and girls in Bishop’s technology education class taught by Mrs. Carole Ryburg. Nikki Martin is an electrical engineer and explained what classes are needed to become an engineer. Ms. Martin also described all the other professionals she works with at the base including mechanics, computer programmers, mechanical and aerospace engineers, chemists and more. Then Ms. Martin showed examples of several projects she has worked on, one of which involved wing loads and forces. The children had an opportunity to re-enact Bernoulli’s principles of flight by creating lift to levitate a ping pong ball using hair dryers and a piece of notebook paper using their own lung power. Then the engineer led the classes in constructing simple paper airplane darts with a Prandtl wing bend to reduce drag.

RAHS CLINIC: SLEEP AND THE SCHOOL YEAR
This is the time parents think of getting ready for another school year. Pencils, papers, clothing, and shoes are ALL important but getting children set for school also includes changing their sleep habits.

During the summer, with those long sun-filled hours, your family may have been able to stay up late and count on a nap the next day. Making a sudden switch to an earlier bedtime could be very challenging! Here are some helpful hints:

• Start now! Start having your child go to bed earlier along with getting up earlier in the morning. Use sunshine to help reset their internal clock, by opening the curtains in their room. Have your child eat breakfast in a sunny bright spot in the house. Children need between 9-12 hours of sleep a night to feel rested and ready to learn. Routines are important, so even on the weekend, do not let your child sleep in more than an hour later than usual.

• Exercise! Children rest better at night if they have had some physical activity during the day. Have your child stop vigorous activity 2 hours before bed-time and switch to calm, quiet times.

• Slow it down. No scary movies or dramatic music in the last 2 hours before bed. Instead think of soothing routines such as a warm bath/shower, reading, or a small snack. Avoid anything carbonated or with caffeine for at least 4 hours before bedtime.

• Comfort is a must. Bed and bedding need to be comfortable, and having the bedroom at a slightly cooler temperature is helpful for a good night’s rest.

BRICK’S “TEAM KELSEY” SUPPORTS MAKE-A-WISH FOUNDATION

On May 3, 2014 the Make-A-Wish Foundation of Michigan held its 16th Annual “Walk-for-Wishes” at the Detroit Zoo. One of the supporting fund raising teams for this event was “Team Kelsey.” Kelsey Perry is a student at Brick Elementary School.

Kelsey herself has benefited from Make-A-Wish Foundation. She had her wish granted and went to Disney World in May. After that, Kelsey wanted to give back. “Team Kelsey” raised money for the “Walk-for-Wishes.” The team consisted of about 100 members and included friends, family, and other supporters. Together, they went to the zoo and endured damp, rainy, cold conditions for five hours. That’s dedication!

With the help of all the generous donations, “Team Kelsey” was able to raise $11,000 for the Make-a-Wish Foundation. It was the highest amount collected from an individual (non-corporate) team this year. The total amount raised for the walk was over $300,000!

BRICK AND LHS BAND LEADERS MENTORING PROGRAM

The leadership team from the LHS bands visited the fourth and fifth grade classes at Brick Elementary. The band leaders divided into small groups and worked side by side with students throughout the afternoon. The afternoon consisted of participating in classroom activities, coursework, lunch, and recess. They also led discussions with the classes on tolerance and “why do I have to learn that?” for future use of applying skills learned in the classroom. The elementary and high school students engaged in meaningful conversations about the skills they need to be successful in school and how to get along with others in order to keep classrooms a safe place to learn.

This new relationship of the band working with elementary students was two-fold: 1) the band leaders gained leadership training in positive leadership while impacting learning in the classroom and 2) the elementary students were able to gain valuable insight to the future of their education at Lincoln Consolidated Schools.

The LHS Bands enjoyed this opportunity working with Amy Wilhelm, David Northrop, and the fourth and fifth grade teachers at Brick Elementary. We are excited to continue this mentoring program in the 2014-15 school year.

LINCOLN BANDS

While school has not started quite yet, the 2014-15 Marching Band already performed in their first event. The Ypsilanti 4th of July parade welcomed our newest members! We’ll perform again on August 16th for another Ypsilanti favorite: The Heritage Parade!

In the meantime, the band has been to band camp learning quite a bit of music for the upcoming home football games, marching fundamentals, bonding, and leadership. The band leaders have been training with extra sessions in the band room learning how to be positive leaders for their peers. With those skills they are preparing for life in the workforce and working with others in college.

Some of the band members also had some great experiences at a variety of camps. Several band students participated in sessions Blue Lake Fine Arts Camp. Rachel Simonds and Emily Wright, both from the class of 2015, traveled to Europe with the international wind group and performed several concerts abroad. Kal Stewart and Sarah Harmych spent time on Michigan State University’s campus at drum major camp.

We invite the community to any of our performances. The schedule is posted on our web site. If you are new to the district and/or interested in the band program please visit the band web site at www.lincolnhighschoolbands.weebly.com for more details and contact information.
LHS THEATRE DEPARTMENT STARTS ITS ROCKIN’ NEW SEASON!

For its first show of the 2014-1015 season, the Lincoln High School Theatre Department will collaborate with the band and choir department to put on the classic rock n’ roll musical, “Bye, Bye Birdie!” This high energy production tells the story of an Elvis Presley-like singer and his hilarious effect on a small midwestern town. Auditions for this production will be the first week of school and it features a large cast. The show itself will happen from November 20-23. It will be an experience not to be missed.

The production that follows is the Theatre Department’s traveling competition show, “The Actor’s Nightmare.” This hilarious comedy follows the adventures of George Spelvin as he acts in several plays that he never even rehearsed for. Competition and performances of this play will be at the Mid-Michigan Theatre Festival in the beginning of 2015. It will also be part of the Lincoln High School One-Act Festival, returning after its one year hiatus.

The next major production of the season will be an adaptation of the beloved dark romance, “Jane Eyre.” This is the story of Jane, a poor maltreated girl who grows up to be a remarkable, confident, passionate young woman that gets to meet a brooding, fascinating dark man for whom she is governess to his children. She falls in love with him but finds that he has some disturbing secrets. This production will run in May.

From start to finish, the Lincoln High School Theatre Department 2014-2015 season is shaping up to be an entertaining good time!

LINCOLN SPANISH IMMERSION PROGRAM

Lincoln Consolidated Schools offers an exciting program to immerse students in the Spanish language while teaching the elementary curriculum. Immersion teaches the same elementary school curriculum as any other elementary school classroom. The primary difference is that the language of instruction will be Spanish in this classroom. Specials and assemblies will remain English for these students. The Spanish Immersion students will also fully be a part of the multi-age Bishop Elementary School and will experience the High/Scope approach to curriculum delivery. One of the significant benefits of this type of program is that children are immersed in a second language when they can learn it naturally. Students in these programs develop a near native fluency that, when nurtured, can allow bilingualism to flourish.

To learn more, contact Jeremy Reed (jeremy@lincolnspanishimmersion.com). Program and enrollment information will also be available at the Enrollment Night on August 20. Visit www.lincolnspanishimmersion.com to learn more about our program, as well as language immersion and its benefits.
INTEGRATED PEST MANAGEMENT PROGRAM

Lincoln Consolidated Schools practices an integrated pest management program. As part of an effective, environmentally sensitive pest management program, school district buildings and grounds may be treated periodically with chemicals to aid in the control of pests or weed growth. In accordance with regulation 637 of the Michigan Pesticide Control Act, notice will be posted at the entrance of the facility. Parents may choose to be notified by mail, to be postmarked 3 days before the treatment. Return the form below to be notified prior to a treatment of the affected building or grounds. Pesticides may be applied in an emergency situation without prior notification.

To be placed on the notification list, return this form to:
Human Resources Office, Lincoln Consolidated Schools, 8970 Whittaker Road, Ypsilanti, MI 48197

You have the right to:

• Go to school, no matter where you live or how long you have lived there. You must be given access to the same public education provided to other students.
• Continue in the school you attended before you became homeless or the school you last attended, if that is your choice and is feasible.
• Receive transportation to the school you attended before you became homeless or the school you last attended, if you request such transportation.
• Enroll in school without giving a permanent address. Schools cannot require proof of residency that might prevent or delay school enrollment.
• Enroll and attend classes while the school arranges for the transfer of school and immunization records or any other documents required for enrollment.
• Enroll and attend classes in the school of your choice even while the school and you seek to resolve a dispute over enrollment.

You need to know that preschool-aged and school-aged children have certain rights or protections under the McKinney-Vento Homeless Education Assistance Act.

If your family lives in any of the following situations:
• In a shelter, motel, vehicle, or campground
• On the street
• In an abandoned building, trailer, or other inadequate accommodations, or
• Doubled up with friends or relatives because you cannot find or afford housing

• Receive the same special programs and services, if needed, as provided to all other students served in these programs.
• Receive transportation to school and to school programs.

When you move, you should do the following:

• Contact the school district’s local liaison for homeless education at 734-484-7054 for help in enrolling your child in a new school or arranging for your child to continue in his or her former school. (Or, someone at a shelter, social services office, or the school can direct you to the person you need to contact.)
• Contact the school and provide any information you think will assist the teachers in helping your child adjust to new circumstances.
• Ask the local liaison for homeless education, the shelter provider, or a social worker for assistance with clothing and supplies, if needed.

If your family lives in any of the following situations:
• In a shelter, motel, vehicle, or campground
• On the street
• In an abandoned building, trailer, or other inadequate accommodations, or
• Doubled up with friends or relatives because you cannot find or afford housing

you need to know that preschool-aged and school-aged children have certain rights or protections under the McKinney-Vento Homeless Education Assistance Act.
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT
ANNUAL NOTIFICATION OF RIGHTS & DESIGNATION OF DIRECTORY INFORMATION

Each year the Lincoln Consolidated School District is required to give notice of the various rights accorded to parents or students pursuant to the Family Educational Rights and Privacy Act ("FERPA"). Parents and eligible students have a right to be notified and informed. In accordance with FERPA, you are notified of the following:

1. **RIGHT TO INSPECT:** You have the right to inspect and review substantially all of your education records maintained by or at the Lincoln Consolidated School District. This right extends to the parent of a student under 18 years of age and to any student age 18 or older.

2. **RIGHT TO REQUEST AMENDMENT:** You have the right to seek to have corrected any parts of an education record which you believe to be inaccurate, misleading or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if a designated official of the Lincoln Consolidated School District decides not to alter the education records according to your request. If no change is made to the education record after the hearing, you have a right to place a written rebuttal in the record.

3. **RIGHT TO PREVENT DISCLOSURES:** You have the right to prevent disclosure of education records to third parties with certain limited exceptions. It is the intent of the Board of Education to limit the disclosure of information contained in your education records to those instances when prior written consent has been given to the disclosure, as an item of directory information of which you have not refused to permit disclosure, or under the provisions of FERPA which allow disclosure without prior written consent.

4. **RIGHT TO COMPLAIN:** You have the right to file a complaint with the United States Department of Education concerning the alleged failure of the Lincoln Consolidated School District to comply with FERPA. Your complaint should be directed to:
   Family Policy and Regulations Office
   Office of Management, U.S. Department of Education
   400 Maryland Avenue SW, Washington, DC 20202
   (202) 732-2057

5. **RIGHT TO OBTAIN POLICY:** You have the right to obtain a copy of the policy adopted by the Board of Education in compliance with FERPA. A copy may be obtained in person or by mail by contacting the office of the Superintendent.

6. **RIGHT TO OBJECT TO RELEASE OF DIRECTORY INFORMATION:** Generally, school officials must have written permission from the parent of a student or an eligible student before releasing any information from a student’s record. However, FERPA allows school districts to disclose, without consent, “directory” type information. The Board of Education of the Lincoln Consolidated School District has designated the following personally identifiable information contained in a student’s education record as “directory information”:

- Student’s name
- Parent or guardian
- Dates of attendance or grade placement
- Participation in and eligibility for officially recognized activities and sports
- Most recent educational agency or school attended by the student
- Address
- Date and place of birth
- Grades
- Picture
- Telephone number
- Height & weight
- Major field of study
- Honors and awards received

Unless you advise the District that you do not want any or all of this information released, school officials may release the personally identifiable information it has designated as directory information. Upon such objection, this information will not be released without the prior consent of the parent or eligible student.

You have three weeks from the receipt of this notice to advise the District in writing of any or all of those types of information about the student you refuse to permit the District to designate as directory information. Your objections should be addressed to the respective building principal. Completing this form will provide written notification to the District and this information will not be released without the prior consent of the parent or eligible student.

Building Principal: ___________________________   Child: ___________________________

I would prefer that the following information not be released in regards to the child named above:

Parent/Guardian      Date
Welcome to the 2014-2015 school year! Again this year you will be receiving route information from your child’s building, along with their building and teacher assignments. The letters will work in conjunction with this booklet and are the most current routes as of August 6, 2014. All routes and times are subject to change as enrollment changes are received.

CHILDCARE ARRANGEMENT FORMS
If you had a Childcare Arrangement Form (Babysitter Form) on file at the end of the school year, your child will be scheduled on that bus route until a new request is made to the Transportation Department. You will need to complete a new form if you have changed childcare providers or are no longer utilizing a sitter. Childcare Arrangement Forms can be picked up from the Transportation Department or your child’s school office.

For your convenience the transportation hot line is updated twice a day. The line will inform you of any school closings, school delays, road closures, or late buses during the school year.

BUSING CHANGES FOR 2014-15 SCHOOL YEAR
As you review the bus schedule for this school year, you will notice a significant change to the number of buses, as well as the routing at the elementary level. These changes have been implemented to increase efficiency, resulting in significant cost savings to the district. A number of stops have been changed or eliminated, so please take the time to make sure you know where your stop is now.

The number of secondary runs for Lincoln High School and Lincoln Middle School have been reduced. This has been accomplished by more efficient routing and maximizing the number of students riding each bus.

For the elementary bus schedule, you will notice that there are no longer dedicated buses for Child Elementary. We have implemented a shuttle network. For students residing in the northern half of the district, buses will drop off students attending Child Elementary first, and then proceed to the main campus to drop off the remaining students. For students residing in the southern half of the district, all students will come to main campus. Students attending Childs Elementary will then board a shuttle and be brought to Childs Elementary.

For the end of the day, Childs students will be shuttled to the main campus where they will board the buses with all other elementary students.

We ask for your patience as we implement this new process as times may vary until the changes are fully implemented. A full procedure for boarding and disembarking has been created to ensure the safety of all the students.

PLEASE NOTE
Times are approximate and are subject to change. Please be patient, especially for the first couple of weeks of school. Pick-up times could vary as much as 15 minutes, especially early in the year. Times will improve and changes will be implemented if needed.
Finding Your Bus
To find your child’s bus pick-up location, find the section that applies to your student(s) — Secondary or Elementary — and then find the number and address nearest your home. Because many buses may pick up on the same road, please check the list carefully. You will find the approximate pick-up time by the address nearest your home.

Kindergarten Busing
For your child’s safety, a parent/guardian or appointed emergency contact person (must be on the emergency card) must be at the bus stop to pick up your kindergarten student every day.

Childcare Arrangement Forms
Childcare Arrangement Forms are available at the Transportation Department or in your child’s school office. Forms can be completed and/or dropped off at the Transportation Department between the hours of 8:00 am and 4:00 pm. There could be up to a two (2) week delay in processing the forms at the start of the school year.

Bus Stop Change Request
Requests for a bus stop change can be made on a Concern/Complaint Form available in the Transportation Office. All requests will be researched and you will be notified of the results within thirty days of the request. Please be aware that all requests must meet the criteria for change and are not automatically honored.

Bus Stop Criteria
For more information on Public Act 187, the list of criteria used to establish bus stops, or frequently asked questions and answers, please visit the Michigan Department of Education website at www.michigan.gov/mde.

**TRANSPORTATION PROCEDURE**

**CHILDCARE ARRANGEMENT FORMS**

If you had a Childcare Arrangement Form on file at the end of the school year, your child will be scheduled on that bus route until a new request is made to the Transportation Department. You will need to complete a new form if you have changed childcare providers or are no longer utilizing a sitter. Childcare Arrangement Forms can be picked up from the Transportation Department or your child’s school office.

---

If you do not require bus service, please contact 734-484-7044.

Have you visited the Food Service Department webpage at www.lincolnK12.org? Click on District and select Food Service and you can find monthly menus, policy updates, helpful information about the program and nutrition, as well as links to websites to get more information regarding school meals and healthy meals.

ONLINE LUNCH ACCOUNTS
Parents may make online credit card deposits to student food service accounts using our secure food service website. Please note that there is a $2.00 fee per transaction to cover processing costs. One deposit may be split among more than one family member without incurring an additional $2.00 fee. Visa, MasterCard, and Discover cards are accepted.

A parent username and password are needed to review your student’s account and to process a credit card deposit. To request a login and password please e-mail allgoodh@lincolnK12.org. Include student name(s), parent name(s), and home address. Please allow approximately 48 hours for a reply. Your username and password carry over to the current school year and will continue to give you access to your child’s lunch account.

2014 - 2015 LUNCH PRICES
Elementary .................................................. $2.45
Middle School ........................................... $2.70
High School ............................................... $2.70
Milk (purchased separately) ...................... $ .75
Breakfast ..................................................... $1.20

Please direct questions and comments about the lunch program to Karen Thomas, Director of Food Service, at (734) 484-7072.

Welcome back!
FREE & REDUCED LUNCH
FOR QUICKER SERVICE, APPLICATIONS CAN BE COMPLETED ONLINE!

Free and reduced-price meals are available to qualified families. Eligibility is based on family income and size. If you think you may qualify, please fill out one application per family and return to any school office, or mail to Lincoln Consolidated Schools, 8970 Whittaker Road, Ypsilanti, MI 48197. Applications are also available on our website at www.lincolnK12.org. Applications will be accepted at any school building, but please mark Business Office on the envelope to ensure prompt delivery.

If you attended Lincoln Schools and received free or reduced-price benefits last year, you will begin the new school year on the same status. However, a new application must be submitted and processed by September 27, 2014 in order for meal benefits to continue for the 2014-2015 school year. If you received benefits at another school district, you will not be eligible for free or reduced meals at Lincoln Schools until an application has been processed and approved. You may apply for free and reduced-priced meals at any time during the school year. If you are not eligible now but have a later change such as a decrease in household income or an increase in household size, you may complete an application at that time.

New applications must be completed every school year.

WHAT IS A REGULAR LUNCH MEAL??
A regular lunch meal is the meal at the regular meal price or can qualify for the free or reduced meal price. It consists of an entree item (including bread and protein), a fruit, a vegetable, and milk. Students must take three of these items; one of which MUST be a fruit or vegetable for the meal to qualify as a “regular meal”. If they take less than three components or more than the five, they will be charged the a la carte price for each item regardless of free or reduced status.

Milk-only purchase price is $0.75. Milk alone is not free or discounted for eligible students.

At the middle school and high school; baked fries, chips, slush, cookies, bottled drinks, etc... are NOT included in the regular lunch meal. These items are available for purchase separately.

Breakfast @ Lincoln!
If there is a way to be less hurried in the morning, would you take advantage of it? If there is a way to improve your child’s grades, would you consider it worthwhile? Breakfast at school could be the answer!

Finding the time to fit a healthy breakfast into your child’s daily routine is probably just as difficult as fitting it into your own. Studies show that children who acquire the breakfast habit early are less likely to develop illness, while successful in maintaining a healthy weight, good grades, solid attendance, and overall performance.

Breakfast is available at all buildings within Lincoln’s district. The price is $1.20 and menus can be found at each school or on our website at lincolnK12.org. If your children qualify for free or reduced priced lunch, they also qualify for free or reduced priced breakfast!

SENIOR CENTER WELCOMES NEW COORDINATOR
Shelley Feldman is our new Coordinator of the Lincoln Golden Ages Senior Citizens Center. She has lived in Augusta Charter Township/Lincoln Consolidated School District for 15 years with her husband Robert Trevarrow. They have five children and nine grandchildren. She has a bachelor of science degree from Michigan State University. Shelley applied for this position because she is a senior citizen and loves to use her creative skills and organize. At this point in her career she wanted to work in our senior center to assist in the planning of fun events. She enjoys travel and meeting new people. She has settled in very comfortably with the members of this senior organization and looks forward to expanding the membership and bringing in new ideas. Please come in and meet our new Coordinator during our Open House on Thursday, September 4th at noon. Light refreshments will be served.

SCHOOL’S OUT PICNIC
Let the festive times begin! Everybody loves summer and everybody loves a barbecue party. So, we celebrate our annual "School’s Out" picnic with a few good friends of the educational system and administration from our very own Lincoln Consolidated Schools. Ann Hogan always does a superb job in the planning of this event. We played “Corn Hole” and ate terrific hot dogs, hamburgers, side dishes, and plenty of yummy desserts too. It’s just wonderful to spend time together forming new memories along the way.

ABRAHAM LINCOLN STATUE PRESERVATION
Community members David Northrop, John McGehee, Jody Churchville, David McMahon, Ray Schroock, Elaine Stasiak, Daniel Makarewich, and Tom Burdette formed a committee to create a plan of action to relocate our President Lincoln statue. In addition, “Old Abe” must be refurbished to preserve the integrity of our beloved statue. A meeting was held on Monday, June 3, at Brick Elementary School. One of the intentions of the committee members is to create fundraisers and other sources of revenue including materials needed for this project to get the job done in a timely manner.

LINCOLN GOLDEN AGES SENIOR CENTER
Are you 55 years old or older and are looking for something NEW? Then the Lincoln Golden Ages Seniors are looking for YOU! We are a group of area seniors who enjoy being social and LOVE to have fun! Our Center offers a variety of educational, social, and physical activities such as yoga, fitness, cards, bingo, community resource speakers, computer classes, quilting and craft classes, monthly trips, and intergenerational activities with our Lincoln students. We are also involved in community outreach projects. The Center is open Tuesday through Friday. Membership dues are $15.00 per year. A hot lunch is also provided four days a week for a nominal fee. If you are ready for a change, stop by anytime to receive a copy of our newsletter and take some time to visit with us. If you call two days in advance to schedule lunch, your first lunch is our treat to you! Make us your “home away from home.” We are located in Brick Elementary, west entrance. You may also contact us at (734) 483-8366 or (734) 484-7000 ext. 7557.

SHIPSHEWANA TRIP A HIT!
Eleven very eager members gathered at the senior center in anticipation of the journey to Shipshewana Indiana. On June 18th two vehicles (Drivers Jack Lauderman and his wife Karen) packed with travelers and luggage hit the road. What a time they had, beautiful sights to see, interesting things to do, and plenty of shops to visit!
MARK YOUR CALENDARS FOR THE 2014-15 MIDDLE SCHOOL INFORMATION DAYS!

Please join us in welcoming all middle school students back to school! We will be handing out student schedules, collecting and updating emergency card contact information, immunization information, cell phone registration, and fees and fines. In addition, parents will be able to pick up/turn in a variety of hand-outs including those regarding athletics and free & reduced lunch. Remember, students will be taking their pictures the first week of school. These photos will appear in the upcoming yearbook, so dress appropriately. All students will be photographed for I.D. card purposes.

In an effort to move the middle school orientation process along, we are asking students to attend as listed below. Students should enter via the doors between the Middle School Gym and Cafeteria, which face the football field, as the orientation will be held in the Lincoln Middle School Gymnasium. Families with students in more than one grade are welcome to attend together.

SIXTH GRADE/NEW STUDENT ORIENTATION

WEB (Where Every body Belongs) Orientation is for any incoming 6th grade student or any student that is new to Lincoln Middle School. This orientation is designed to make the transition from elementary school to middle school a positive and successful one. Eighth graders will be serving as leaders and mentors. Large and small group activities are designed to address students’ needs and concerns in an enjoyable manner.

Following is some important information:

• Orientation for all sixth graders and new students to Lincoln Middle School is Friday, August 22, 2014 from 7:55 am-12:00 pm.

• You may drop your child off at the parent drop-off loop at the front of the building. Your son/daughter will need to follow the sidewalk to enter through the doors near the gymnasium. This is a student only function so we encourage you to let your child attend on his or her own.

• A parent meeting will be held at 8:00 am in the Middle School Media Center with our administrators and the Middle School parent group, PS3.

• Your child is encouraged not to bring backpacks, purses or other like items, as the day is quite active. Also, please make certain that your child wears comfortable clothing that does not restrict movement. Skirts for girls are not recommended.

A healthy snack will be provided.

FRESHMAN LINK CREW ORIENTATION
August 25, 2014 from 8 am - 12 noon

Lincoln High School Freshmen Orientation, sponsored by the award winning LHS Link Crew program, will be on August 25 from 8am - noon at the East Gym. Current LMS students should have received a save-the-date post card in May announcing Orientation. A follow up mailing will take place in August. This day is also open to ANY new student to Lincoln High School, regardless if they are a freshman or not. Students are encouraged to dress comfortably, the day is very active. Please do not bring bags, purses, or other things due to the active nature of the day. This is a student-only event. If you have any questions, please contact:

Mrs. Ward (makarewich@lincolnk12.org)
