MESSAGE FROM THE SUPERINTENDENT

Welcome back to school, Lincoln Railsplitters! There is such a positive energy on campus as we all prepare for the arrival of our students for the start of the 2015-2016 school year. Personalized service and abundant opportunities to learn and grow await their arrival.

Change is inevitable, especially within our dynamic school community. Our entire staff and Board of Education have worked throughout the summer to meet our challenges head-on and together we have realized outstanding results. Look for status updates on our website throughout the year for how we are thriving academically and improving financially.

The founders of Lincoln Consolidated Schools envisioned a richly diverse learning environment, rigorous in expectations and exemplifying a cooperative spirit. Those things are alive and well at Lincoln today. They are a part of our pioneering spirit, our resiliency, and our future. As a result, our students enjoy the strength and lifelong success that is Splitter Nation!

Ellen Bonter
Superintendent of Schools

Lincoln Consolidated Schools is pleased to announce a NEW ONLINE registration program. This new system will allow parents/guardians of returning students to review/update their child’s information online.

Online review will eliminate the handwriting of information for each child each year; instead, the parent/guardian will be able to make changes to addresses (will require supporting documents be brought to the Enrollment Office), parent/guardian contact information, medical information, emergency contacts, technology usage agreement, as well as reviewing several policies.

We will announce the opening of the website via an automated call to all currently enrolled students. Once the website link is available, you will be provided with login information to gain access to Registration Gateway to update your student’s information. The review can be completed at your convenience at home or if you need access to a computer, computer labs will be open during school open houses or at the Enrollment Office located at Lincoln High School.

Lincoln offers two different pre-school programs. Students for these programs must be four years old by September 1st and reside in the Lincoln School District. Great Start Readiness Program (GSRP) is a grant-funded pre-school program. Eligibility for this program is based on household income and a child’s “risk factors.” For more information on this program please call 484-7045.

Lincoln also offers a tuition-based pre-school run by Bemis Farms, and located at Model Elementary. For more information on this program please call 484-7000, ext. 7308 or 994-1709.

The Lincoln Early Childhood Center, located in Model Elementary School, offers a range of comprehensive services for children from birth through age five. The center utilizes a model that emphasizes that parents are a child’s first, best, and most influential teachers.

The Early Childhood Center includes classrooms for Great Start Readiness Program, Early Childhood Special Education, and Lincoln’s Early On Program. The goal of the center is to establish a primary prevention community available to families living in the Lincoln community. Through strong parental involvement, the Early Childhood Center is an avenue promoting the improved social, cognitive, and physical growth of young children in our community.

Your username and password carry over to the current school year and will continue to give you access to your child’s lunch account.

FREE & REDUCED LUNCH
FOR QUICKER SERVICE, APPLICATIONS CAN BE COMPLETED ONLINE!
Free and reduced-price meals are available to qualified families. Eligibility is based on family income and size. If you think you may qualify, please fill out one application per family and return to any school office, or mail to Lincoln Consolidated Schools, 8970 Whittaker Road, Ypsilanti, MI 48197. Applications are also available on our website at www.lincolnK12.org. Applications will be accepted at any school building, but please mark Business Office on the envelope to ensure prompt delivery.

If you attended Lincoln Schools and received free or reduced-price benefits last year, you will begin the new school year on the same status. However, a new application must be submitted and processed by October 16, 2015 in order for meal benefits to continue for the 2015-2016 school year. If you received benefits at another school district, you will not be eligible for free or reduced meals at Lincoln Schools until an application has been processed and approved. You may apply for free and reduced-priced meals at any time during the school year. If you are not eligible now but have a later change such as a decrease in household income or an increase in household size, you may complete an application at that time.

New applications must be completed every school year.
You are responsible to purchase meals or send a lunch until your application is approved.

WHAT IS A REGULAR LUNCH MEAL??
A regular lunch meal is the meal at the regular meal price or can qualify for the free or reduced meal price. It consists of an entree item (including bread and protein), a fruit, a vegetable, and milk. Students must take three of these items; one of which MUST be a fruit or vegetable for the meal to qualify as a “regular meal”. If they take less than three components or more than the five, they will be charged the a la carte price for each item regardless of free or reduced status.

Milk-only purchase price is $0.75. Milk alone is not free or discounted for eligible students.

At the middle school and high school chips, cookies, bottled drinks, etc. are NOT included in the regular lunch meal. These items are available for purchase separately.

Breakfast @ Lincoln!
If there is a way to be less hurried in the morning, would you take advantage of it? If there is a way to improve your child’s grades, would you consider it worthwhile? Breakfast at school could be the answer!

Finding the time to fit a healthy breakfast into your child’s daily routine is probably just as difficult as fitting it into your own. Studies show that children who acquire the breakfast habit early are less likely to develop illness, while successful in maintaining a healthy weight, good grades, solid attendance, and overall performance.

Breakfast is available at all buildings within Lincoln’s district. The price is $1.20 and menus can be found at each school or on our website at lincolnk12.org. If your children qualify for free or reduced-priced lunch, they also qualify for free or reduced-priced breakfast!

[www.lincolnK12.org](http://www.lincolnK12.org)
Welcome to the 2015-2016 school year! Again this year you will be receiving route information from your child’s building, along with their building and teacher assignments. The letters will work in conjunction with this booklet and are the most current routes as of August 6, 2015. All routes and times are subject to change as enrollment changes are received.

CHILDCARE ARRANGEMENT FORMS

If you had a Childcare Arrangement Form (Babysitter Form) on file at the end of the school year, your child will be scheduled on that bus route until a new request is made to the Transportation Department. You will need to complete a new form if you have changed childcare providers or are no longer utilizing a sitter. Childcare Arrangement Forms can be picked up from the Transportation Department or your child’s school office.

For your convenience the transportation hot line is updated twice a day. The line will inform you of any school closings, school delays, road closures, or late buses during the school year.

Transportation Hot Line:
(734) 484-7000 ext. 6041

Finding Your Bus

To find your child’s bus pick-up location, find the section that applies to your student(s) -- Secondary or Elementary -- and then find the number and address nearest your home. Because many buses may pick up on the same road, please check the list carefully. You will find the approximate pick-up time by the address nearest your home.

Kindergarten Busing

For your child’s safety, a parent/guardian or appointed emergency contact person (must be on the emergency card) must be at the bus stop to pick up your kindergarten student every day.

Childcare Arrangement Forms

Childcare Arrangement Forms are available at the Transportation Department or in your child’s school office. Forms can be completed and/or dropped off at the Transportation Department between the hours of 8:00 am and 4:00 pm. There could be up to a two (2) week delay in processing the forms at the start of the school year.

Bus Stop Change Request

Requests for a bus stop change can be made on a Concern/Complaint Form available in the Transportation Office. All requests will be researched and you will be notified of the results within thirty days of the request. Please be aware that all requests must meet the criteria for change and are not automatically honored.

Bus Stop Criteria

For more information on Public Act 187, the list of criteria used to establish bus stops, or frequently asked questions and answers, please visit the Michigan Department of Education website at www.michigan.gov/mde.

If you do not require bus service, please contact 734-484-7044.

PLEASE NOTE

Times are approximate and are subject to change. Please be patient, especially for the first couple of weeks of school. Pick-up times could vary as much as 15 minutes, especially early in the year. Times will improve and changes will be implemented if needed.

Bemis Farms
CHILD CARE & PRESCHOOL

BEMIS FARMS AT LINCOLN: WHERE FRIENDS MEET FRIENDS
Bemis Farms is pleased to provide Preschool and Extended Care Programs for the children of Lincoln Consolidated Schools. We are proud and excited to be a part of this wonderful school district.

Programs are located inside Model and Childs Elementary Schools. Model, Bishop, and Brick Elementary students go to Model Elementary for Extended Care.

Our theme for Lincoln is “Where Friends Meet Friends.” Our program provides a safe and friendly place where children can have the opportunity to relax and play with their friends after a long school day. Children learn many important social skills to succeed in life through play, and the Bemis Farms staff will help with conflict management skills, talking through problems, and using manners with friends - all important life skills for today and the future.

The children in the Bemis Farms Lincoln program have daily opportunities to engage in activities to help them both scholastically and socially. Teachers are available to help with homework, and all children will have the opportunity to play alone or in a group. Some of the favorite activities have been silent seatball, tag, fuse beads, large puzzles, science experiments, board and card games, sports, and art projects. Bemis Farms offers a variety of programs to meet your needs. Meeting friends in a relaxed environment makes this program special.

For more information on this program please call 944-1709.

WEB (Where Everybody Belongs)
Orientation is for any incoming 6th grade student or any student that is new to Lincoln Middle School. This orientation is designed to make the transition from elementary school to middle school a positive and successful one. Eighth graders will be serving as leaders and mentors. Large and small group activities are designed to address students’ needs and concerns in an enjoyable manner. Following is some important information:

Orientation for all 6th graders and new students to Lincoln Middle School is Monday, August 31, 2015 from 7:55am-12:00pm.

• You may drop your child off at the parent drop-off loop at the front of the building. Your son/daughter will need to follow the sidewalk to enter through the doors near the gymnasium. This is a student only function so we encourage you to let your child attend on his or her own.

• An optional parent meeting will be held at 8:00 am in the Middle School Media Center with our administrators and the Middle School parent group, PS3.

• Your child is encouraged not to bring backpacks, purses or other like items, as the day is quite active. Also, please make certain that your child wears comfortable clothing that does not restrict movement. Skirts for girls are not recommended.

A healthy snack will be provided.
INTEGRATED PEST MANAGEMENT PROGRAM

Lincoln Consolidated Schools practices an integrated pest management program. As part of an effective, environmentally sensitive pest management program, school district buildings and grounds may be treated periodically with chemicals to aid in the control of pests or weed growth. In accordance with regulation 637 of the Michigan Pesticide Control Act, notice will be posted at the entrance of the facility. Parents may choose to be notified by mail, to be postmarked 3 days before the treatment. Return the form below to be notified prior to a treatment of the affected building or grounds. Pesticides may be applied in an emergency situation without prior notification.

• On the street
• In an abandoned building, trailer, or other inadequate accommodations, or
• Doubled up with friends or relatives because you cannot find or afford housing

You have the right to:

• Go to school, no matter where you live or how long you have lived there. You must be given access to the same public education provided to other students.
• Continue in the school you attended before you became homeless or the school you last attended, if that is your choice and is feasible.
• Receive transportation to the school you attended before you became homeless or the school you last attended, if you request such transportation.
• Enroll in school without giving a permanent address. Schools cannot require proof of residency that might prevent or delay school enrollment.

(Or, someone at a shelter, social services office, or the school can direct you to the person you need to contact.)
• Contact the school and provide any information you think will assist the teachers in helping your child adjust to new circumstances.
• Ask the local liaison for homeless education, the shelter provider, or a social worker for assistance with clothing and supplies, if needed.
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT
ANNUAL NOTIFICATION OF RIGHTS & DESIGNATION OF DIRECTORY INFORMATION

Each year the Lincoln Consolidated School District is required to give notice of the various rights accorded to parents or students pursuant to the Family Educational Rights and Privacy Act ("FERPA"). Parents and eligible students have a right to be notified and informed. In accordance with FERPA, you are notified of the following:

1. **RIGHT TO INSPECT:** You have the right to inspect and review substantially all of your education records maintained by or at the Lincoln Consolidated School District. This right extends to the parent of a student under 18 years of age and to any student age 18 or older.

2. **RIGHT TO REQUEST AMENDMENT:** You have the right to seek to have corrected any parts of an education record which you believe to be inaccurate, misleading or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if a designated official of the Lincoln Consolidated School District decides not to alter the education records according to your request. If no change is made to the education record after the hearing, you have a right to place a written rebuttal in the record.

3. **RIGHT TO PREVENT DISCLOSURES:** You have the right to prevent disclosure of education records to third parties with certain limited exceptions. It is the intent of the Board of Education to limit the disclosure of information contained in your education records to those instances when prior written consent has been given to the disclosure, as an item of directory information of which you have not refused to permit disclosure, or under the provisions of FERPA which allow disclosure without prior written consent.

4. **RIGHT TO COMPLAIN:** You have the right to file a complaint with the United States Department of Education concerning the alleged failure of the Lincoln Consolidated School District to comply with FERPA. Your complaint should be directed to:
   Family Policy and Regulations Office
   Office of Management, U.S. Department of Education
   400 Maryland Avenue SW, Washington, DC 20202
   (202) 732-2057

5. **RIGHT TO OBTAIN POLICY:** You have the right to obtain a copy of the policy adopted by the Board of Education in compliance with FERPA. A copy may be obtained in person or by mail by contacting the office of the Superintendent.

6. **RIGHT TO OBJECT TO RELEASE OF DIRECTORY INFORMATION:** Generally, school officials must have written permission from the parent of a student or an eligible student before releasing any information from a student's record. However, FERPA allows school districts to disclose, without consent, "directory" type information. The Board of Education of the Lincoln Consolidated School District has designated the following personally identifiable information contained in a student's education record as "directory information":
   • Student's name
   • Address
   • Parent or guardian
   • Dates of attendance or grade placement
   • Participation in and eligibility for officially recognized activities and sports
   • Most recent educational agency or school attended by the student
   • Telephone number
   • Date and place of birth
   • Height & weight
   • Major field of study
   • Honors and awards received

Unless you advise the District that you do not want any or all of this information released, school officials may release the personally identifiable information it has designated as directory information. Upon such objection, this information will not be released without the prior consent of the parent or eligible student.

You have three weeks from the receipt of this notice to advise the District in writing of any or all of those types of information about the student you refuse to permit the District to designate as directory information. Your objections should be addressed to the respective building principal. Completing this form will provide written notification to the District and this information will not be released without the prior consent of the parent or eligible student.

I would prefer that the following information not be released in regards to the child named above:

BISHOP STUDENTS COMPETE IN SCIENCE OLYMPIAD

Nineteen Bishop students in second through fifth grades represented Bishop Elementary and Lincoln Consolidated Schools in the Washtenaw Elementary Science Olympiad on May 30. The Science Olympiad is a hands-on science competition with over 2,400 students from 38 elementary schools in Washtenaw County participating. The Bishop team competed in nine events. Every event requires students to work as a team to solve problems. The kids had fun, worked together, cheered each other on, and won medals too! Bishop took first place in third grade Water Rockets, third place in third grade Aerodynamics, and fourth place in third grade Puff Mobiles.

SPANISH IMMERSION PEN PALS

The Spanish Immersion 2/3 students have been writing to their pen pals in another Spanish Immersion school in southwest Detroit for the past two years. In May, they were finally able to meet. We had a meet and greet at their school, Academy of the Americas, and enjoyed a tour of the school and lunch in their courtyard!

THE SPANISH IMMERSION 2/3 CLASS PARTNERS WITH CARDZ FOR KIDZ

Cardz for Kidz! is an organization dedicated to uplifting the spirits of hospitalized and/or traumatized children across the globe by delivering inspiring homemade cards. The students have made over 100 Spanish heartfelt cards which have been delivered to hospitals in Mexico, Honduras, and south Texas!

YUMMY END TO THE SCHOOL YEAR!

Students celebrated the end of the year with an ice cream social on the Model Elementary playground. Families were invited to attend to make their own sundaes and enjoy the sunshine on a beautiful June day. Principal Aldridge called all her Kindergarten students to join a school-wide dance on the blacktop showcasing one of the songs they practiced weekly in their Monday Movement activity. This was a memorable way to cap off a great Kindergarten year.
S.T.E.M.ING OUT!

Brick teachers and paraprofessionals have been spreading the word about their S.T.E.M. curriculum to several daycares in the area. Pre-school to school aged children worked on building towers to rescue animals from floods, created new bubble wands for a Bubble Bonanza, and created parachutes that would descend slowly for safety. S.T.E.M. lessons work right along with standards for science, technology, engineering, and math by providing hands on lessons that challenge students to think critically about life problems and solutions. These lessons help prepare students for careers in the technology fields and gets them ready for the ever changing world. If you are interested in finding out more about S.T.E.M. education please contact David Northrop at 734-484-7031.

CHILD'S ELEMENTARY SUPER SCIENCE DAY

The more you find out about the world, the more opportunities there are to improve it! That's what science is all about – curiosity, investigation, and a whole lot of learning by experimentation. On Wednesday, May 6th, Childs Elementary hosted the Ann Arbor Hands-On Museum for a school wide “Super Science Day.” Over 40 high school and parent volunteers supervised stations to assist students through different science experiments. There were a wide variety of stations covering many different aspects of science. All our young scientists had fun and learned something new too. The event was coordinated by the Science Committee at Childs and partially funded by the PTO. The new opportunities explored were priceless.

BRICK ELEMENTARY SCHOOL AWARDED GRANT FOR MAKER SPACE

Brick Elementary School was awarded a grant for $11,288 from the Michigan STEM Partnership on June 29, 2015. The grant will be used to create a Maker Space at Brick Elementary School. Principal David Northrop said, “This grant moves the Brick Maker Space from vision to reality.” The Brick Maker Space will enhance the existing STEM program, which was implemented two years ago.

The Brick STEM Program features engineering, robotics, and 3D Printing. This program was the recipient of a 2015 Ann Arbor/Ypsilanti Regional Chamber E3 Award. The Brick Maker Space will be located in a full-sized classroom. It will be a place where students and families can make a variety of things using 3D printers, 3D scanners, a milling machine, a sewing machine and hand tools. Some items will be made during the school day and be sold in the school store. The Brick Maker Space will help students attain the skills they need in the 21st century for jobs that do not yet exist.
LMS HURON VALLEY HUMANE SOCIETY PET TOY AND SUPPLY DRIVE

Lincoln Middle School staff and students were at it again! Beginning in March and running through the end of April, LMS students and staff collected hundreds of items for the second annual HVHS Pet Toy and Supply Drive.

Donated items ranged from food, toys, and newspapers to handmade blankets and dog beds. Staff at the HVHS were delighted to see the amount collected on behalf of our school and even more pleased to hear that this is an annual event.

A special thanks to Mrs. Hughes and Mrs. Jayne for all of the blankets they made. Also, a very special thanks to:

Vivian Johnson & Hannah Cyrbok
Kiley Lewandowski & Julia Hogston

LMS BANDS

The LMS seventh and eighth grade bands wrapped up another successful year by marching in a Memorial Day Parade in downtown Ypsilanti on May 25th. Approximately 150 students participated in this annual event.

LMS bands have a proud tradition of representing the Lincoln Community with dedication and excellence. The middle school band experience starts in sixth grade with beginning band and continues with seventh and eighth grade bands. Most students have already registered for next year’s classes, but it is not too late to sign up for sixth grade band:

Prospective sixth grade band members:

• No previous band experience necessary
• You don’t need to know which instrument you’d like to play
• You don’t already have to own an instrument (Information about where to rent/buy an instrument is available)
• Contact Mary Tornquist at tornquist@lincolnk12.org for more information!

LHS BANDS HOPE YOU ARE ENJOYING YOUR SUMMER BREAK

Since school dismissed for the summer the band has met a few times and also marched in the Ypsilanti Fourth of July Parade. The event was successful and the LHS Bands marched in front of one of the largest crowds we have seen at this community parade. Our drum majors attended Smith Walbridge Clinics at Eastern Illinois University to learn strategies and technique in marching, mace, leadership, and teaching. Sarah Harmych (senior) and Kiera Osborn (junior) are excited to lead this year’s marching band.

The band is looking forward to playing for the Lincoln Community this year. There is no better place than LCS! We hope that you will clap along to the fight song when you hear it played this fall and know that these students are committed to music education and the LCS community.
LHS THEATRE DEPARTMENT PROUDLY PRESENTS ITS TWENTIETH SEASON

Mr. Martin Jacobs is excited to present his 20th year of Lincoln High School Theatre Department productions with a variety of shows during the 2015-2016 school year. Interested in participating in the Theatre program at Lincoln? Here is a quick description of what we do.

The department produces a full musical with a live pit orchestra every fall and a full dramatic play every spring. Students rehearse for about 2 ½ months for each production, and also participate in building sets, creating costumes, makeup, publicity, and all other aspects of producing a play. Lighting and stage crew opportunities exist for those who would like to participate behind the scenes.

Each winter, the department produces a traveling show, which is performed at the district and regional competitions of MIFA, and at the Mid-Michigan Performing Arts Festival at Garber High School in Essexville, MI. The play is also performed for one night only at the LCS Performing Arts Center.

Each spring, a small group of students perform a short Children’s Show which is written and directed by students. This show will be performed several times in April at local elementary schools, day care centers, and retirement centers, with one public performance in the LCS Performing Arts Center.

Finally, the department has traditionally hosted a school wide talent show, however, participation has declined greatly. So this year, the department will host the first annual Movie Competition. Any high school student may submit an original, short, digital movie for judging. The best digital shorts will be shown in the LCS PAC in March.

Abraham Lincoln Statue Restoration and Relocation Project

1938 WPA Statue Registered with the Smithsonian Institution

In 1938, this statue of Abraham Lincoln was placed at the dirt crossroads in a farming community at the corner of Willis and Whittaker Roads. The sculptor, Samuel Cashwan, was compensated by the Works Progress Administration (WPA), a federal program that paid artists during the Great Depression to create art for public spaces. The artist worked with students and staff at Lincoln Consolidated Schools to raise funds for the purchase of materials.

Over the years, road and utility improvements in the area have caused this sound foundation to sink more with each passing day. Today this historically recognized Abraham Lincoln Statue, complete with a two-layer pedestal, is about two feet shorter than it once was.

The Abraham Lincoln Statue Preservation Committee is working to preserve and relocate the statue. The vision for the new location will feature sidewalk access to the Lincoln Plaza, commemorative pedestals for the 13 one-room schools that became Lincoln Consolidated Schools, and complementary landscape. The new location will become a community/school focal point and treasure for future generations of Lincoln students.

Lincoln Consolidated Schools is pleased to announce a NEW ONLINE registration program. This new system will allow parents/guardians of returning students to review/update their child’s information online.

As a result, Lincoln High School and Lincoln Middle School will not be having on-site orientation for grades 7-8 & 10-12.

The online review of student information will eliminate the handwriting of information for each child each year; instead, the parent/guardian will be able to make changes to addresses (will require supporting documents be brought to the Enrollment Office), parent/guardian contact information, medical information, emergency contacts, technology usage agreement, as well as reviewing several policies.

We will announce the opening of the website via an automated call to all currently enrolled students. Once the website link is available, you will be provided with login information to gain access to Registration Gateway to update your student’s information. The review can be completed at your convenience at home or if you need access to a computer, computer labs will be open during school open houses or at the Enrollment Office located at Lincoln High School. With online review you will be able to view your student’s schedule.
