LETTER FROM THE SUPERINTENDENT

As the summer months come to an end, I can’t help but reflect on what we have accomplished and what we have to look forward as the 2008-2009 school year approaches. What an exciting and challenging time to be the Superintendent of Schools!

I would like to welcome our school of choice families to Lincoln Consolidated Schools. I personally had the opportunity to meet many of the families who decided to enroll their children in our school district and I am impressed with the newest members of our family. Welcome and we look forward to many productive years.

As school begins this fall, all staff and students will be studying under a new English/Language Arts curriculum. The Board of Education voted unanimously to purchase the K-12 materials which will encompass the current curriculum benchmarks in this area. The ELA curriculum includes the Treasures program, which incorporates reading, writing, spelling, and grammar in K-5. The middle school will now have grade-level book rooms for grades 6-8 and the high school will have new literature anthologies in grades 9–12.

As mentioned in the summer edition of The Communicator, the community forums addressed raising expectations of our students and we listened. Beginning in September, high school students have the opportunity to enroll in the following AP courses: English, Calculus, American History, Government, Physics, and Biology. It is our intention to expand these offerings for the 2009-2010 school year to include AP courses in Statistics, African American Humanities, Foreign Language, and Chemistry. The high school will also be moving to a trimester schedule for the 2009-2010 school year, which will provide more elective opportunities for our high school students and accommodate all of the high school graduation requirements. We also have over 75 students enrolled in the Early College Alliance SM program with Eastern Michigan University and we will be partnering with The Michigan Institute of Aviation and Technology at Willow Run Airport to open the door to a career in aviation technology.

As you know, last May the school district asked community members to vote on a millage to fund and enhance the community education and senior citizen programs. As I have become more familiar with the needs of the community, I have concluded that I should again seek Board approval to place this request on the ballot. My intent, if this millage is successful, is to expand the community education program to what it once was in past years. Our community has grown in size, yet has our community education offerings have decreased. Watch for additional information in upcoming editions of The Communicator. I would like to see an expansion of the community education program to include such offerings as computer applications, wellness classes, foreign language, and beginning string classes to develop a community orchestra program. The ideas are endless and it is our intent to see these offerings become reality. As a taxpayer, you need to know that this .10 millage equates to approximately $10.00 per year for a house valued at $100,000.00 and would be in effect for the next five years.

As the Board of Education and I unfold the 2008-2009 district goals and strategic plan, be assured it is my objective to ensure Lincoln Consolidated Schools provides an exemplary educational experience where students develop the foundation for lifelong learning. This is the district mission and by working together, we will succeed in this endeavor. I eagerly await the start of the school year and look forward to seeing many of you throughout the year.

VOLUNTEERS NEEDED

The Lincoln Educational Achievement Foundation (L.E.A.F.) is a non-profit organization made up of volunteers from the Lincoln community. Our mission is to raise funds to support innovative and compelling enrichment programs for all students within Lincoln schools.

We are actively looking for people to help us. Whether it’s helping to organize a fundraiser, providing advice, suggesting an idea, or writing a thank-you letter -- there are a number of small and large ways to help.

If you are willing to help, either by donating, volunteering, or in some other way, please contact Toni Micik at micik@gw.lincoln.k12.mi.us.

Lincoln School Song (Alma Mater)
Lincoln High, our “Alma Mater”
When we are all far a-way.
To your school we’ll sing our praise
When our voice to thee we raise.
Rising high above all others
This is our flag of blue and gray.
Lincoln High our “Alma Mater”
Growing stronger day by day.

This summer, many wonderful things took place to enhance and improve our overall academic program. During the last two weeks in June, approximately 80 students attended the first annual Lincoln Engineering Gateway Academy. Thanks to a grant from the Society of Manufacturing Engineers and from support from Eastern Michigan University, The University of Michigan, Paschal Engineering and Forensic Consulting, and three dedicated teachers, the Lincoln Engineering Academy allowed students to participate in four sessions that ran over two weeks. The academy students learned mathematics and science concepts behind rocket building, aerodynamics, bridge making, catapults, and much more. In addition, students learned valuable critical thinking and team building skills, and they even participated in the science behind virtual reality engineering simulations at The University of Michigan Engineering Cave.

In addition to the engineering academy several Lincoln elementary and middle school students participated in the Lincoln Skills Academy during July and August. Students learned the critical skills behind writing and publishing their work for an intended audience. Students spent several weeks in intense writing workshops that incorporated some hands-on and literature connections to make their writing come alive.

While many great summer learning opportunities happened, perhaps two of the most important educational moves the district made will greatly impact the upcoming school year, as well as future years. In June the Board of Education approved two important agenda items that will greatly enhance and improve our overall academic program.

The first item the Board approved was a set of short-term student achievement goals developed out of the community stakeholder forums held during the past school year. Goals to overhaul the district language arts program, develop an elementary foreign language program, create more enrichment and elective opportunities, and develop more advance placement courses were set, and the district has already begun working to make them happen. Additionally, the district is in the final stages of finishing the mid-range and long-term goals.

For more information on this please contact the Curriculum Department or go to the website.

The second important move the Board made this summer was to approve the adoption of a new, comprehensive language arts program for all K-12 students. Stemming from student achievement plan goal one, the board unanimously approved the K-12 Language Arts Committee proposal brought before them, and the new curriculum and textbooks will be fully implemented this fall.

More PowerSchool to You!

PowerSchool, our new student information system came online over the summer. District secretaries, administrators, and teachers have been attending training sessions, importing data, designing reports, configuring report cards, and working hard to make the transition as smooth as possible. This new system is a giant step forward to improve communication between teachers and parents. The PowerSchool parent portal will provide high school and middle school parents the ability to access their child’s current grades, assignments, attendance, and tardy information. Parents will be able to access the student information via the system’s Internet parent portal and/or receive regular weekly emails. The parent portal is expected to be fully implemented this fall. Parents of high school and middle school parents should watch for information announcing the “Getting Connected” parent event. Parents will be required to attend a short training session to receive their unique login ID and password.

Computer Replacement Plan Continues

The Lincoln Board of Education approved the purchase of 231 new computers. This purchase is part of the five-year technology equipment replacement plan. The Board continues to demonstrate a strong commitment to preserve the district’s state-of-the-art technology equipment. Lincoln students continue to have access to the latest and greatest technology.

Secondary Math Instructors Get Interactive White Boards

Math instructors at the high school and middle school will be implementing the use of interactive white boards in their classrooms this fall. Each teacher received an electronic whiteboard and LCD projector as part of the initiative. Teachers attended training over the summer and will implement the new technology devices into instruction this fall. The new program includes a new online student assessment program.

TALK TO US

The Lincoln Consolidated School District is committed to increasing community input through new and improved methods of communication. As the district implements new electronic methods of communication it is critical that we get feedback from parents, staff, and community residents. We are conducting an online survey and ask for your participation. Let us know how Lincoln Schools can best service your communication information needs. Log on to www.lincoln.k12.mi.us and click on the “Communications Survey” button on the right hand side. We value your input as we venture into this new world of online communications.

Thank You
ATTENTION: MIDDLE SCHOOL STUDENTS & PARENTS
You will receive a packet in the mail the week before school begins which will contain:

- Your team teacher assignment (core teachers)**
- Emergency card: Complete & return on the first day of school
- Free/reduced lunch form: Complete & return on the first day of school
- Memo outlining the beginning of the year events

**If you have a book fine/fee your schedule will be held – book fine letter will be in its place and you'll have to pay your book fine in order to receive your teaching assignment, locker assignment, and textbooks from your teachers.**

The middle school office will open beginning Wednesday, August 20, 2008. Regular office hours are 7:30 am – 3:00 p.m.

Breakfast ............................ $1.20

FREE & REDUCED LUNCH
Free and reduced-price meals are available to qualified families. As a part of the federal National School Lunch program, the federal government reimburses Lincoln Schools for free and reduced-price lunches provided to eligible students. Eligibility is based on family income and size.

If you think you may qualify, please do not hesitate to complete an application. Only ONE application per family is needed. Students will never be overtly identified as receiving free or reduced-price meals at any time. If you receive notification from Lincoln Consolidated Schools that you are pre-approved for free meals, there is no need to fill out an application at the beginning of the school year.

Completed applications may be returned to school with your child, in an envelope addressed to the attention of Cathy Secor, Business Office, or may be mailed to:
Cathy Secor
Lincoln Schools Business Office
8970 Whittaker Rd.
Ypsilanti, MI  48197

Family finance is a personal matter and your application will be handled with strict confidentiality.

You may apply for free and reduced-priced meals at any time during the school year. If you are not eligible now but have a later change such as a decrease in household income or an increase in household size, you may complete an application at that time.

Applications will also be sent home the first day of school. If your child(ren) received free or reduced-price lunches last school year, there is a grace period during which you will receive the free/reduced meal until a new application is turned in for review and approval.

New applications must be completed every school year.

Lunch Application forms available online
www.lincoln.k12.mi.us.

STUDENT ENROLLMENT
Listed below is some important information that will assist new residents in enrolling their children for the first time.

All students in kindergarten through fifth grade will register at the Business Office, (located in Brick Elementary, west side of building) from 8:00 a.m. to 3:30 p.m. Middle school and high school students will register in those specific buildings from 8:00 a.m. to 3:00 p.m.

Please bring with you:
• Proof of Residency
• Child’s Immunization Record
• Child’s Birth Certificate and Social Security Card
• Previous Report Card (if available)

You can reach the Lincoln Business Office staff at 734-484-7042.
LINCOLN EARLY CHILDHOOD SERVICES

The Lincoln Early Childhood Center, located in Model Elementary School, offers a range of comprehensive services for children from birth through age five. The center utilizes a model that emphasizes that parents are a child’s first, best, and most influential teachers.

The Early Childhood Center also includes classrooms for Michigan Readiness, Early Childhood Developmentally Delayed, and the integration of Lincoln’s Early-On Program with First Steps Washtenaw. The goal of the center is to establish a primary prevention community available to all families living in the Lincoln community. Through strong parental involvement, the Early Childhood Center is an avenue promoting the improved social, cognitive, and physical growth of young children in our community.

Pre-School

Lincoln offers two different pre-school programs. Students for these programs must be four years old by December 1st and reside in the Lincoln School District.

Michigan Readiness is a grant-funded pre-school program. Eligibility for this program is based on household income and a child’s “risk factors.” For more information on this program please call 484-7070.

Lincoln also offers a tuition-based pre-school run by Bemis Farms, and located at Model. For more information on this program please call 484-7000, ext. 7130.

First Steps Washtenaw

Enrollment for the First Steps Washtenaw program is ongoing. This program offers play groups for children birth through age five. Families enroll in First Steps when they attend their first playgroup session. Call the school office for the schedule.

ATTENTION PARENTS OF CHILDREN BIRTH – AGE FIVE

If you have any concerns about your child’s development, the staff at the Lincoln Early Childhood Center at Model Elementary is ready to work with you. We can provide free developmental screenings. When screening results indicate a need for more in-depth information, we can provide evaluation services to determine if a child/family is eligible to receive the following services that our center provides:

- Teacher Consultant Services
- Services of School Psychologist
- Occupational Therapy
- Social Work Services
- Speech and Language Services
- Physical Therapy

Contact Nicola Northrop, Early Childhood Teacher Consultant, at 484-7051.
BESSIE HOFFMAN EGG DROP “EGGS..TRAVAGANZA”!
The Bessie Hoffman Egg Drop was an egg-citing event! Fifty-eight vehicles were designed by the children from kindergarten through fifth grade. The invented vehicles were designed with the capability to cushion the fall of two fresh eggs from the roof of the school. The vehicles were tossed by Lincoln’s Executive Director of Human Resources, Sylvester Rowan, and Curriculum Director, Rick Schaffner, with the assistance of the Mitchell brothers, alumni of Bessie. The whole school turned out to cheer for success! Check out a sampling of the vehicles on our website at lincoln.k12.mi.us

CHILDS ICE CREAM & POET’S SOCIAL
Childs first graders Alaina Escobar, Devon Rose, Garron Little, and Nicholas Morgan recited poems on Tuesday, May 20th. Authors such as Jack Prelutsky, Joy Cowley, and Shel Silverstein were featured at the Childs Elementary Ice Cream and Poet’s Social.

REDNER STUDENT “SAVES THE PLANET”
For her science fair project, Redner fourth grade student Ashleigh Emerson-Lloyd has decided to “Save the Planet.” Ashleigh decided to submit a project that was as eco-friendly as possible, for most Science Fair projects end up in the landfill as opposed to being broken down and reused or recycled. By making her science fair project website based, she is trying to reduce her carbon imprint on this planet.
You can visit Ashleigh’s project at www.freewebs.com/ashleighsavestheplanet to learn more about how you can help reduce your carbon footprint too.

PIONEER DAY AT MODEL
Model Elementary School’s kindergarten children spent time in the 19th century, as the Tin Cub Adventures traveling Museum of Pioneer Life came to the school. Mrs. Cindy Leidlein was one of many parent volunteers who assisted children like Josie Bledsoe with old-fashioned activities such as grinding corn into cornmeal. Students also washed clothes on a washboard with a wringer, panned for gold, carded wool, rolled bread dough, and talked about the hardships the pioneers endured. Several classes followed up this special event with a visit to Lincoln’s one-room schoolhouse, Lowden.
LMS RESEARCH PROJECTS
As their final exam grade, one hundred eighth grade students presented a research project to their peers and families in the Middle School Media Center. Students could choose any topic for their research as long as they had five questions they wanted answered about the subject. Project topics ranged from global warming to chocolate, and everything in between. Students used a range of tools in their presentations—PowerPoint, food samples, posters, videos, music, and much more.

AMERICA’S WHITE TABLE
By Alex Owen, Brick Elementary Student

The small table is for a soldier’s lonely battle. The white table cloth is for a soldier’s pure heart. The empty pushed in chair is for the missing soldiers; the P.O.W.’s (prisoners of war) and the M.I.A.’s (missing in action). You set an empty plate down. On the plate sprinkle some salt on the plate for the tears of the waiting families. After you put the salt on the plate, put a lemon slice for the soldier’s bitter fate. Then put a black napkin on and it is for the soldier’s sorrow of captivity. Then put a turned over glass for a meal not eaten. Then put a white candle on the table for peace. And last but not least, a red rose with a red ribbon tied around it for hope that the soldiers will come back home. I just want to say that this is making me feel an emotion that I can not explain until now. I have so much gratitude in my American history.

REMEMBERING THE HOLOCAUST
Eighth graders at Lincoln Middle School studied the devastating effects of the Holocaust during World War II. The Holocaust literally means a fire that destroys everything and, indeed, the hatred, intolerance, propaganda, and genocide which occurred were like a deadly fire. Over six million Jewish people were killed at this time. Countless others from groups Hitler and the Nazi party did not like were also targeted such as Poles, gypsies, and the handicapped, to name a few. Students learn about the Holocaust to understand various novels they read during their eighth grade year. Knowledge of this terrible time may encourage a kinder more tolerant world.

On May 12, 2008, two Holocaust survivors spoke to the class about their experiences. Vera Shey, from Budapest, Hungary, was just 21 years old when the Nazis invaded her town. On returning home from a picnic with her friends on a beautiful day, she faced the Holocaust first hand.

Fred Lessing, a five year old child at the time, living in Holland, faced being taken from his family. At the end of the war, he still had his teddy bear which gave him comfort throughout the terrible years. They were hidden by kind neighbors, sometimes going from family to family to outwit the ever seeking Gestapo. They are known today as the Hidden Children.

Students gave the Hidden Children speakers their rapt attention, listening to the horrific stories which brought to life the information they had been studying in class. Students felt privileged and honored to have Vera Shey and Fred Lessing come to LMS and share their stories. It was an event students will long remember.

LINCOLN DRAMA

The Lincoln High School Drama Department ended the 2007-2008 school year with a bang. The spring production of Shakespeare’s “Macbeth” was an amazing success. Set in a post-apocalyptic world, “Macbeth” is the department’s highest earning spring production.

Drama Awards Night was held to celebrate the end the year. This year two seniors won the Dedication and Participation Award. This award goes to those who were members and participants of Drama Club for all four years of high school, in eight main stage productions, involved in three Mid-Michigan/ MIFA productions, and at least seventy percent of all Drama Club activities and fundraisers. We would like to congratulate Sarah Bamrick and Stephen Brown for receiving this award, and thank them for their commitment to drama. Congratulations to all of our seniors, and good luck to them in all that they choose to pursue.

The department is very enthusiastic to say that for the next spring play, a stage adaptation of “Alice in Wonderland” will be done. In the stage production, both “Alice in Wonderland” and “Through the Looking Glass” will be integrated in the play. We are very excited to bring this to Lincoln, and hope it will be a great success. This summer our annual children’s show “If Life Were a Fairytale,” student written and directed by Analea Lessenberry, will be showing at the Heritage Festival on August 15th and 16th. With the fall musical, one acts, MIFA, the children’s show, and “Alice in Wonderland,” there is much to look forward to in the Lincoln High School Drama Department. We hope to see you soon!

HOVERCRAFTS TAKE OVER THE HALLS AT LHS

Class of 2008 Seniors Austin Pitch, Geoff Janowiak, and Coleen Huling test drive their team-built Hovercraft for Mr. Nuzzo’s Advanced Research & Experimentation class.

Mr. Nuzzo observes Kyle Anguilm and Brandon Freeman test the technical systems of their team-built Hovercraft. For further information about how the teams accomplished these incredible feats see: http://web.lincoln.k12.mi.us/Buildings/HS/nuzzo/web0708/hovercraft08.htm
Welcome to the 2008-2009 school year! Again this year you will be receiving route information from your child’s building, along with their building and teacher assignments. The letters will work in conjunction with this booklet and are the most current routes as of August 8, 2008. All routes and times are subject to change as enrollment changes are received.

For your convenience the transportation hot line is updated twice a day. The line will inform you of any school closings, school delays, road closures, or late buses during the school year.

**Transportation Hot Line:**

### Finding Your Bus

To find your child’s bus pick-up location, find the section that applies to your student(s) – Secondary, Elementary, Childs, Multi-age (Bessie Hoffman) -- and then find the number and address nearest your home. Because many buses may pick up on the same road, please check the list carefully. You will find the approximate pick-up time by the address nearest your home.

### Kindergarten Busing

For your child’s safety, a parent/guardian or appointed emergency contact person (must be on the emergency card) must be at the bus stop to pick up your kindergarten student every day.

A.M. Kindergarten students will ride to school in the morning on their respective elementary buses, and P.M. Kindergarten students will ride home on their respective elementary buses.

### Bus Stop Change Request

Requests for a bus stop change can be made on a Concern/Complaint Form available in the Transportation Office. All requests will be researched and you will be notified of the results within thirty days of the request. Please be aware that all requests must meet the criteria for change and are not automatically honored.

### Bus Stop Criteria

For more information on Public Act 187, the list of criteria used to establish bus stops, or frequently asked questions and answers, please visit the Michigan Department of Education web site at www.michigan.gov/mde.

**PLEASE NOTE**

Times are approximate and are subject to change. Please be patient, especially for the first couple of weeks of school. Pick-up times could vary as much as 15 minutes, especially early in the year. Times will improve and changes will be implemented if needed.
KEEP WATCH FOR CHILDREN

We ask all community residents to slow down in residential areas and to be alert for students walking and crossing streets. Thank you for protecting our most precious resource.

### NEED BEFORE- OR AFTER-SCHOOL CARE?

Bemis Farms Preschool and Daycare in Saline provides pre-school and before- and after-school care in the Lincoln Consolidated Schools. Programs include:

- Pre-Kindergarten
- K-Wrap Enrichment
- Extended Care

Bemis Farms also provides all-day or half-day care for those days when Lincoln schools are closed for conferences, in-service training, or weather. For an informational or enrollment packet, please call 734-944-1709 or visit us online at [www.bemisfarmsdaycare.com](http://www.bemisfarmsdaycare.com).

---

### SCHOOL CLOSING PROCEDURE

Any time there is inclement weather in the forecast, our Transportation Director and one of our mechanics check road conditions between 3:30 and 4:30 a.m. The school closing relay is then activated and the media and school personnel are notified. Check the following media outlets for up-to-date school closing information:

- **Local TV Broadcast**
- **Local Radio Stations**
- **Lincoln Website**
- **Lincoln Email/Text Alerts**

LINCOLN GOLDEN AGES SENIOR CENTER

Are you 55 or older? The mature adults of the Lincoln School District would like to invite you to join us at the Lincoln Golden Ages Senior Center. We are always busy creating crafts, going on trips, playing cards and bingo, enjoying educational classes, learning to dance and, of course, exercising with the best instructors in Washtenaw County. The membership cost for the entire year is only $10.00, with activities such as swimming, art classes, meeting new friends, sharing hot meals four days each week, and much, much more. Stop by and meet these warm, friendly people. The center is located in Brick Elementary, west doors. For more information, contact the Lincoln Senior Center at 734-484-7000, ext. 7557.

LOWDEN SCHOOLHOUSE ANNUAL PUMPKIN SALE

The Annual Lowden Schoolhouse Pumpkin Sale will be held on Saturday, October 18th from 10:00 a.m. - 2:00 p.m. The schoolhouse is located next to Model Elementary on Whittaker Road. There will be pumpkins, cider, doughnuts, and perhaps even a raffle. The schoolhouse will be open for visitors and we would enjoy having you stop by.

Lowden Schoolhouse is one of the original one-room schools that consolidated in 1924 to form the Lincoln Consolidated School District. The Lowden Schoolhouse is an independent non-profit corporation. All funds raised during the pumpkin sale are used for maintenance on the building along with a scholarship fund which is awarded to a Lincoln graduating senior that will be attending Eastern Michigan University.
Lincoln Community Education is expanding to include after-school and adult enrichment programs. Look for more information to come home soon.

Request for Non Disclosure of High School Student Personal Information to Military Recruiters

I hereby request that the name, address, and telephone listing of, ____________________________, a current Student at Lincoln High School NOT be released to military recruiters without prior parental and student consent. I do, however, consent to the disclosure of such information to institutions of higher education other than military schools.

Signed by (check one): ______ Student ______ Parent

Signature ___________________________________ Date __________

Name_______________________________________________________

Address ___________________________________________________

City _______________________ State _________ Zip______________

Note to students/parents: This certificate can be signed by either student or parent. A student does not need parental consent to submit this certificate. Any secondary school student, regardless of age, can sign this certificate for him/herself. Return this form to the Lincoln High School office.
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT
ANNUAL NOTIFICATION OF RIGHTS & DESIGNATION OF DIRECTORY INFORMATION
Each year the Lincoln Consolidated School District is required to give notice of the various rights accorded to parents or students pursuant to the Family Educational Rights and Privacy Act ("FERPA"). Parents and eligible students have a right to be notified and informed. In accordance with FERPA, you are notified of the following:

1. **RIGHT TO INSPECT:** You have the right to inspect and review substantially all of your education records maintained by or at the Lincoln Consolidated School District. This right extends to the parent of a student under 18 years of age and to any student age 18 or older.

2. **RIGHT TO REQUEST AMENDMENT:** You have the right to seek to have corrected any parts of an education record which you believe to be inaccurate, misleading or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if a designated official of the Lincoln Consolidated School District decides not to alter the education records according to your request. If no change is made to the education record after the hearing, you have a right to place a written rebuttal in the record.

3. **RIGHT TO PREVENT DISCLOSURES:** You have the right to prevent disclosure of education records to third parties with certain limited exceptions. It is the intent of the Board of Education to limit the disclosure of information contained in your education records to those instances when prior written consent has been given to the disclosure, as an item of directory information of which you have not refused to permit disclosure, or under the provisions of FERPA which allow disclosure without prior written consent.

4. **RIGHT TO COMPLAIN:** You have the right to file a complaint with the United States Department of Education concerning the alleged failure of the Lincoln Consolidated School District to comply with FERPA. Your complaint should be directed to:
   
   Family Policy and Regulations Office
   Office of Management, U.S. Department of Education
   400 Maryland Avenue SW, Washington, DC 20202
   (202) 732-2057

5. **RIGHT TO OBTAIN POLICY:** You have the right to obtain a copy of the policy adopted by the Board of Education in compliance with FERPA. A copy may be obtained in person or by mail by contacting the office of the Superintendent.

6. **RIGHT TO OBJECT TO RELEASE OF DIRECTORY INFORMATION:** Generally, school officials must have written permission from the parent of a student or an eligible student before releasing any information from a student’s record. However, FERPA allows school districts to disclose, without consent, “directory” type information. The Board of Education of the Lincoln Consolidated School District has designated the following personally identifiable information contained in a student’s education record as “directory information”:

   • Student's name
   • Address
   • Picture
   • Date and place of birth
   • Participation in and eligibility for officially recognized activities and sports
   • Most recent educational agency or school attended by the student
   • Telephone number
   • Honors and awards received
   • Parent or guardian
   • Height & weight
   • Major field of study
   • Dates of attendance or grade placement

Unless you advise the District that you do not want any or all of this information released, school officials may release personally identifiable information which it has designated as directory information. Upon such objection, this information will not be released without the prior consent of the parent or eligible student.

You have three weeks from the receipt of this notice to advise the District in writing of any or all of those types of information about the student which you refuse to permit the District to designate as directory information. Your objections should be addressed to the respective building principal. Completing this form will provide written notification to the District and this information will not be released without the prior consent of the parent or eligible student.

Building Principal:_______________________   Child:________________________

I would prefer that the following information not be released in regards to the child named above:__________________________________________________________

## INTEGRATED PEST MANAGEMENT PROGRAM

Lincoln Consolidated Schools practices an integrated pest management program. As part of an effective, environmentally sensitive pest management program, school district buildings and grounds may be treated periodically with chemicals to aid in the control of pests or weed growth. In accordance with regulation 637 of the Michigan Pesticide Control Act, notice will be posted at the entrance of the facility. Parents may choose to be notified by mail, to be postmarked 3 days before the treatment. Return the form below to be notified prior to a treatment of the affected building or grounds. Pesticides may be applied in an emergency situation without prior notification. For further information on this subject, contact the Facilities Department at 484-7037.
