SUPERINTENDENT’S LETTER
Welcome back to the 2020-2021 school year. I hope this letter finds you and your family well. The Lincoln Consolidated Schools community truly is a special place. We are home to an amazingly caring and gifted staff. A school community like no other in the world. Evidence of this can be seen by how our community has rallied to support one another in midst of a global Pandemic. Last spring our community ensured our families were attended to both social-emotionally and academically. Groups of volunteers, along with transportation department, and food service staff ensured the delivery of over 75,000 meals to OUR kids! I’m so proud and privileged to work in partnership with you to help each of our children reach their full potential. I’m so excited for this upcoming school year and all the possibilities. I’m confident that we will get through the Covid-19 Pandemic together. We will closely monitor safety, and by partnering with you, we will ensure we meet the needs of each of our amazing students. On behalf of the talented and caring staff, we are waiting with eager excitement to greet our students back to school on August 31 for the first day of school.

Despite the Covid-19, our school bond work continues on schedule this summer. In 2018, Lincoln Consolidated School voters supported a $25 million bond to improve facilities for athletics, fine arts, transportation, technology, security and more. As you drive around campus you can see ongoing construction work. We have created a page on the district’s web page to highlight and communicate the progress.

We are in the midst of unprecedented times and there is a great deal of uncertainty across our country and world. I believe with great confidence by us partnering together we will get through this time and will help every child thrive to their full potential. Working together we can make Spitter Nation the model community. On behalf of our entire LCS community, we are looking forward to an outstanding year together.

Sincerely,
Robert Jansen, Superintendent

Communication is vital in all organizations and ours is no different. To keep the communication lines open, I have established the following opportunities during the 2020-2021 school year to keep in touch with community members. Please feel free to attend any of the locations that fit your schedule.

Blended Learning vs. Virtual Academy

**Blended Learning**
- In-person and online learning
- While online, Google Classroom is the LMS
- Students assigned to staff as normal
- LCS’ current curriculum resources
- Work will be available for the entire week beginning on Monday
- More daily opportunities to meet synchronously (LIVE) with teachers

**Virtual Academy**
- 100% online for the whole school year
- Agilix Buzz/Learning Tools
- Interoperability are the LMSs
- Students assigned a mentor teacher
- Lincoln Empowered/Edmentum Curriculum resources
- Work will be completed at the student’s pace, with more flexible due dates
- Mostly asynchronous (NOT LIVE)
- Requires greater independence

**Both Options**
- Begin the ‘20-’21 school year 100% online
- Staffed by LCS teachers
- Support services will be provided
- Standards-based curriculum for all subjects + report cards
- Synchronous SEL lessons
- Allow for extracurricular participation when safe
- Require community support

A Day in the Life of a Blended Learning Student to start the ‘20-’21 school year*

- Log into Google Classroom(s)
- Check any announcements on the Stream page
- Attend synchronous (LIVE) lessons with teachers**
- Complete work asynchronously (on their own)
- Make sure all work for the day has been completed

*Remember - the blended learning model will begin the year 100% online, so this is a look at that school day
**Recordings will be available

Elementary students will not meet with their teacher every day for each subject, but they will have at least 3 short live lessons with their teacher, four days per week.

Middle and high school students will meet with every teacher every day, but will have at least 3 live lessons with a teacher, four days per week.

A Day in the Life of a Virtual Academy Student

- Log into Lincoln Learning Solutions/Edmentum Courseware
- Check the student homepage for announcements, to-do list, guides, and current scores
- Begin working asynchronously (on their own), one course at a time using digital supports if needed*
- May check in with mentor teacher during office hours as needed
- May attend synchronous (LIVE) lessons for extra instructional support**
- Make sure all work for the day has been completed

*Be sure to work with student’s mentor teacher to establish a schedule for how many lessons must be completed on an average school day, so students do not fall behind.
**On an as-needed basis, these will not be regularly scheduled for all students

Students will have a regularly scheduled phone call with their mentor teacher to check in, ask questions, and build that essential teacher-student bond.

Students will have a synchronous (LIVE) social-emotional lesson and check in with their mentor teacher once per week.

(See full Board Policy at www.lincolnk12.org)

Any person or group, having a legitimate interest in the operations of this District shall have the right to present a request, suggestion, or complaint concerning District personnel, the program, or the operations of the District. At the same time, the Board of Education has a duty to protect its staff from unnecessary harassment. It is the intent of this policy to provide the means for judging each public complaint in a fair and impartial manner and to seek a remedy where appropriate.

It is the desire of the Board to rectify any misunderstandings between the public and the District by direct discussions of an informal type among the interested parties. It is only when such informal meetings fail to resolve the differences, shall more formal procedures be employed.

Any requests, suggestions, or complaints reaching the Board, Board members, and the administration shall be referred to the Superintendent for consideration.

LINCOLN EARLY CHILDHOOD SERVICES

The Lincoln Early Childhood Center, located in Model Elementary School, offers a range of comprehensive services for children from birth through age five. The center utilizes a model that emphasizes that parents are a child’s first, best, and most influential teachers.

The Early Childhood Center includes classrooms for the Great Start Readiness Program, Early Childhood Special Education, and Lincoln’s Early On Program. The goal of the center is to establish a primary prevention community available to families living in the Lincoln community. Through strong parental involvement, the Early Childhood Center is an avenue promoting the improved social, cognitive, and physical growth of young children in our community.

Pre-School

Lincoln offers two different pre-school programs. Students for these programs must be three years old by September 1st and reside in the Lincoln School District. Great Start Readiness Program (GSRP) is a grant-funded pre-school program. Eligibility for this program is based on household income and a child’s “risk factors.” For more information on this program please call 484-7070.

Lincoln also offers a tuition-based pre-school run by Bemis Farms, and located at Model Elementary. For more information on this program please call 734-678-7778.

ATTENTION:
PARENTS OF CHILDREN BIRTH – AGE FIVE

If you have any concerns about your child’s development, the staff at the Lincoln Early Childhood Center at Model Elementary is ready to work with you. We can provide free developmental screenings. When screening results indicate a need for more in-depth information, we can provide evaluation services to determine if a child/family is eligible to receive the following services that our center provides:

- Social Work Services
- Services of School Psychologist
- Speech and Language Services
- Occupational Therapy
- Physical Therapy

For more information, contact 484-7070.

BEMIS FARMS AT LINCOLN: WHERE FRIENDS MEET FRIENDS

Bemis Farms is pleased to provide Preschool and Extended Care Programs for the children of Lincoln Consolidated Schools. We are proud and excited to be a part of this wonderful school district.

Programs are located inside Model and Childs Elementary Schools. Model, Bishop, and Brick Elementary students go to Model Elementary for Extended Care.

Our theme for Lincoln is “Where Friends Meet Friends.” Our program provides a safe and friendly place where children can have the opportunity to relax and play with their friends after a long school day. Children learn many important social skills to succeed in life through play, and the Bemis Farms staff will help with conflict management skills, talking through problems, and using manners with friends - all important life skills for today and the future.

The children in the Bemis Farms Lincoln program have daily opportunities to engage in activities to help them both scholastically and socially. Teachers are available to help with homework, and all children will have the opportunity to play alone or in a group. Some of the favorite activities have been silent seatball, tag, fuse beads, large puzzles, science experiments, board and card games, sports, and art projects. Bemis Farms offers a variety of programs to meet your needs. Meeting friends in a relaxed environment makes this program special. For more information on this program please call 734-678-7778.
Welcome back to Lincoln Consolidated Schools for the 2020-2021 school year! We have all worked tirelessly to make the school buses as safe as possible under this unprecedented time that we live in, and as always have made every decision on how we transport our most precious cargo to school, your students. There are many changes this year in the Transportation Department. Some of these changes were already planned improvements prior to the COVID-19 pandemic. Please understand that every change we make here is to keep your student and every student safe while on our buses.

**BUS RIDERSHIP PROGRAM**

Transportation is adding new technology to increase safety and manage the routing. Each student riding the bus will be given new transportation ID badge that they will need to scan on and off the bus daily. There is also a new parent software application for your devices to track the buses location individualized for your students. Once we begin transporting students to campus, please make sure that your student has the new ID badge on the bus daily and you have registered your student through the new registration link on the Transportation page on the Lincoln website so that their specific seat is reserved on the bus. We understand that anything new will take some time to get into a routine and we will help you with the new processes.

**KINDERGARTEN STUDENTS**

There MUST be a parent or guardian at the bus stop daily to receive your kindergarten student from the bus. We will not leave a kindergarten student at a bus stop without a parent or guardian present.

**BUS ROUTES**

Prior to the start of students returning to campus for in-person classes, bus route information will be sent out via robocall and email.

The most important information to take away from transportation this year is SAFETY, SAFETY, SAFETY!!! The safety of your student and our staff are our paramount concern. We have been working since school released in March on creating a safe environment for your student following the health department and CDC guidelines.

**WLSI EARNS E3 AWARD**

In March, 2020, WLSI Spanish Immersion Television, SI TV, was named the recipient of the E3 Award for Lincoln Consolidated Schools by the Ann Arbor/Ypsilanti Regional Chamber. WLSI is a student-run television station located in the Upper House Spanish Immersion classroom of Maestra Cristina Heredia at Bishop Elementary. The twelve fourth- and fifth-grade students who comprise the main crew write the stories, act as on-air reporters, and direct, film, and edit the broadcasts. The students also researched cameras, video editing software, and other necessary equipment in preparation for the running of the station. WLSI discovered that a classroom television station is sustainable, and easily reproducible in other classrooms using technology already available in our district, in the WISD, or easily obtainable online.

The goal of WLSI is to increase Spanish proficiency of the elementary Spanish Immersion students via the classroom student-led television station. Acquiring a second language involves being able to speak, write, comprehend, and read in the target language. WLSI accomplishes all of this and more. All the language used in this project is meaningful to the students in the crew, the rest of the class, and other immersion students. In addition, parents and all viewers of the broadcasts receive classroom and Spanish Immersion Program updates. Since part of their audience is non-Spanish speaking, students use their native English skills to produce bilingual broadcasts. WLSI is looking forward to beginning new productions with the 2020-2021 school year.
PERSONAL CURRICULUM ALTERNATIVE

Generally, to earn a high school diploma, a student must satisfy the requirements of Michigan's Merit Curriculum. The District may modify those requirements, however, by developing a personal curriculum for a student. All students are entitled to a personal curriculum.

A parent or guardian of a student who has completed ninth grade (or the student if at least 18 years old or emancipated), or a student's teacher or counselor, may request a personal curriculum by contacting the High School Principal. A group that includes the student; the student's parent or guardian; and a teacher, guidance counselor, or person acting in a counseling role, will consider the request. If the personal curriculum request is made by a student who is at least 18 or who is emancipated, or by a parent or guardian, the group will grant the request and will develop a personal curriculum for the student. For all other requests, the group will develop a personal curriculum if the group determines one is appropriate. For most students, the group that develops the personal curriculum may make only certain modifications to the Merit Curriculum.

For students with disabilities under the Individuals with Disabilities Education Act and for certain students transferring to the District from a nonpublic school or from out of state, the group may make additional modifications. For all students, a personal curriculum must incorporate as much of the Michigan Merit Curriculum content expectations as is practicable for the student, must include measurable goals for the student to achieve while in high school, must include a method to evaluate whether the student met those goals, and must align with the student's educational development plan.

Before a personal curriculum becomes effective, the High School Principal and the student's parent or guardian (or the student if at least 18 or emancipated) must agree to its terms. Once effective, the student's parent or guardian (or the student if at least 18 or emancipated) must communicate with each of the student's teachers to monitor the student's progress on the personal curriculum goals. A student who successfully satisfies his or her personal curriculum may earn a high school diploma even if the student does not otherwise satisfy all of the Michigan Merit Curriculum requirements.

For more information on personal curricula, including what may and may not be modified, please visit the Michigan Department of Education's Personal Curriculum page at: http://www.michigan.gov/mde/0,1607,7-140-6530_30334_49879---,00.html

To request a username and password, please call 734-484-7072 or email thomask@lincoln.k12.mi.us. Please include students name(s), parent name(s), and home address. Please allow approximately 48 hours for a reply. If you have a user name and password that was assigned in the previous year, it carries over to the current school year and will continue to give your access to your family lunch accounts.

We will only allow two (2) non-sufficient fund checks per school year per household, after which deposits must be made by cash or credit card only.

Monthly menus are on the website under Food Service. Please direct questions and comments about the meal program to Karen Thomas, Director of Food Service at (734) 484-7072.

2. HOW DO I KNOW IF MY CHILDREN QUALIFY AS HOMELESS, MIGRANT, OR RUNAWAY? Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and haven’t been told your children will get free meals, please call or e-mail EPHYContact@washtenawisd.org.

3. DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD? No. Use one Free and Reduced-Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: Lincoln Food Service, 7425 Willis Rd Ypsilanti MI 48197.

4. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE ALREADY APPROVED FOR FREE MEALS? No, but please read the letter you received carefully and follow the instructions. If any children in your household were missing from your eligibility notification, contact Lincoln Food Service at 734-484-7072 immediately.

5. CAN I APPLY ONLINE? Yes! You are encouraged to complete an online application instead of a paper application if you are able. The online application has the same requirements and will ask you for the same information as the paper application. Visit fs.lincoln.k12.mi.us to begin or to learn more about the online
application process. Contact Lincoln Food Service at 734-484-7072 to get your login credentials or if you have any questions about the online application.

6. MY CHILD’S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE? Yes. Your child’s application is only good for that school year and for the first few days of this school year, through October 13th 2020. You must send in a new application unless the school told you that your child is eligible for the new school year. If you do not send in a new application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals.

7. I GET WIC. CAN MY CHILDREN GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced-price meals. Please send in an application.

8. WILL THE INFORMATION I GIVE BE CHECKED? Yes. We may also ask you to send written proof of the household income you report.

9. IF I DON’T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced-price meals if the household income drops below the income limit.

10. WHAT IF I DISAGREE WITH THE SCHOOL’S DECISION ABOUT MY APPLICATION? You should talk to school officials. You may also ask for a hearing by calling or writing to: Robert Jansen, Superintendent, 7425 Willis Rd Ypsilanti MI 48197.

11. MAY I APPLY IF SOMEONE IN MY HOUSEHOULD IS NOT A U.S. CITIZEN? Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced-price meals.

12. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make $1000 each month, but you missed some work last month and only made $900, put down that you made $1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime occasionally. If you have lost a job or had your hours or wages reduced, use your current income.

13. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.

14. WE ARE IN THE MILITARY, DO WE REPORT OUR INCOME DIFFERENTLY? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.

15. WHAT IF THERE ISN’T ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY? List any additional household members on a separate piece of paper, and attach it to your application.

16. MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for Food Assistance Program (FAP) or other assistance benefits, contact your local assistance office or call 1-855-275-6424.

If you have other questions or need help, call 734-484-7072.

Sincerely,

Karen Thomas, Director of Food Service
**HOW TO APPLY FOR FREE AND REDUCED-PRICE SCHOOL MEALS**

Please use these instructions to help you fill out the application for free or reduced-price school meals. You only need to submit one application per household, even if your children attend more than one school in Lincoln Consolidated Schools. The application must be filled out completely to certify your children for free or reduced price school meals. Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact Lincoln Food Service 734-484-7072.

**PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.**

### STEP 1: LIST ALL HOUSEHOLD MEMBERS WHO ARE INFANTS, CHILDREN, AND STUDENTS UP TO AND INCLUDING GRADE 12

Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household.

**Who should I list here?** When filling out this section, please include ALL members in your household who are:
- Children age 18 or under AND are supported with the household’s income;
- In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth;
- Students attending Lincoln Schools, regardless of age.

A) **List each child’s name.** Print each child’s name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children present than lines on the application, attach a second piece of paper with all required information for the additional children.

B) **Is the child a student at Lincoln Consolidated Schools?** Mark ‘Yes’ or ‘No’ under the column titled “Student” to tell us which children attend Lincoln Consolidated Schools. If you marked ‘Yes,’ write the grade level of the student in the ‘Grade’ column to the right.

C) **Do you have any foster children?** If any children listed are foster children, mark the “Foster Child” box next to the child’s name. If you are ONLY applying for foster children, after finishing **STEP 1**, go to **STEP 4**.

D) **Are any children homeless, migrant, or runaway?** If you believe any child listed in this section meets this description, mark the “Homeless, Migrant, Runaway” box next to the child’s name and complete all steps of the application.

### STEP 2: DO ANY HOUSEHOLD MEMBERS CURRENTLY PARTICIPATE IN SNAP, TANF, OR FDPIR?

If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:
- The Supplemental Nutrition Assistance Program (SNAP)
- Temporary Assistance for Needy Families (TANF)
- The Food Distribution Program on Indian Reservations (FDPIR).

A) **If no one in your household participates in any of the above listed programs:**
- Leave **STEP 2** blank and go to **STEP 3**.

B) **If anyone in your household participates in any of the above listed programs:**
- Write a case number for SNAP, TANF, or FDPIR. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact your case worker.
  
  Go to **STEP 4**.

### STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS

**How do I report my income?**
- Use the charts titled “**Sources of Income for Adults**” and “**Sources of Income for Children**,” printed on the back side of the application form to determine if your household has income to report.
- Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents.
  - Gross income is the total income received before taxes.
  - Many people think of income as the amount they “take home” and not the total, “gross” amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS

Write a “0” in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write “0” or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated.

Mark how often each type of income is received using the check boxes to the right of each field.

A. REPORT INCOME EARNED BY CHILDREN

B) Report all income earned or received by children.

Report the combined gross income for ALL children listed in STEP 1 in your household in the box marked “Child Income.” Only count foster children’s income if you are applying for them together with the rest of your household.

Child income is money received from outside your household that is paid DIRECTLY to your children. Many households do not have any child income.

B) List each household member’s name. Print the name of each household member in the boxes marked “Names of Adult Household Members (First and Last).” Do not list any household members you listed in STEP 1.

C) Report income from work.

Report all income from work in the “Earnings from Work” field on the application. This is usually the money received from working at jobs. If you are a self-employed business, you will report your net income.

D) Report income from public assistance/child support/alimony.

Report income from that work as a net amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts.

E) Report income from pensions/retirement/all other income.

Report all income that applies in the “Pensions/Retirement/All Other Income” field on the application.

F) Report total household size.

Enter the total number of household members in the field “Total Household Members (Children and Adults).” The number of household members listed in STEP 1, STEP 2, and STEP 3 plus the number of household members listed in STEP 1, STEP 2, and STEP 3.

G) Provide the last four digits of your Social Security Number.

An adult household member must enter the last four digits of their Social Security Number in the space provided. Applicant must enter the last four digits of their Social Security Number.

All applications must be signed by an adult member of the household. By signing the application, that household member is promising that all information has been truthfully and completely reported.

STEP 4: CONTACT INFORMATION AND ADULT SIGNATURE

A) Provide your contact information.

Write your current address in the fields provided if this information is available. If you have no permanent address, this does not make your children ineligible for free or reduced-price school meals. Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.

B) Print and sign your name and write today’s date.

Print the name of the adult signing the application and that person signs in the box “Signature of adult.”

C) Mail Completed Form to: Lincoln Food Service 7425 Willis Rd Ypsilanti MI 48197

D) Share children’s racial and ethnic identities (optional).

On the back of the application, we ask you to share information about your children’s race and ethnicity. This field is optional and does not affect your children’s eligibility for free or reduced-price school meals.
**2020-2021 Household Application for Free and Reduced-Price School Meals**

One application per household. Please use a pen (not a pencil)

**STEP 1:** List ALL Household Members who are infants, children, and students up to and including 12 (If more spaces are required for additional names, attach another sheet of paper).

**Definition of Household Member.** “Anyone who is living with you and shares income and expenses, even if not related”. Children in Foster care and children who meet definition of Homeless, Migrant or Runaway are eligible for free meals. Read How to Apply for Free and Reduced-Price School Meals for more information.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT
ANNUAL NOTIFICATION OF RIGHTS & DESIGNATION OF DIRECTORY INFORMATION

Each year the Lincoln Consolidated School District is required to give notice of the various rights accorded to parents or students pursuant to the Family Educational Rights and Privacy Act ("FERPA"). Parents and eligible students have a right to be notified and informed. In accordance with FERPA, you are notified of the following:

1. RIGHT TO INSPECT: You have the right to inspect and review substantially all of your education records maintained by or at the Lincoln Consolidated School District. This right extends to the parent of a student under 18 years of age and to any student age 18 or older.

2. RIGHT TO REQUEST AMENDMENT: You have the right to seek to have corrected any parts of an education record which you believe to be inaccurate, misleading or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if a designated official of the Lincoln Consolidated School District decides not to alter the education records according to your request. If no change is made to the education record after the hearing, you have a right to place a written rebuttal in the record.

3. RIGHT TO PREVENT DISCLOSURES: You have the right to prevent disclosure of education records to third parties with certain limited exceptions. It is the intent of the Board of Education to limit the disclosure of information contained in your education records to those instances when prior written consent has been given to the disclosure, as an item of directory information of which you have not refused to permit disclosure, or under the provisions of FERPA which allow disclosure without prior written consent.

4. RIGHT TO COMPLAIN: You have the right to file a complaint with the United States Department of Education concerning the alleged failure of the Lincoln Consolidated School District to comply with FERPA. Your complaint should be directed to:
   Family Policy and Regulations Office
   Office of Management, U.S. Department of Education
   400 Maryland Avenue SW, Washington, DC 20202
   (202) 732-2057

5. RIGHT TO OBTAIN POLICY: You have the right to obtain a copy of the policy adopted by the Board of Education in compliance with FERPA. A copy may be obtained in person or by mail by contacting the office of the Superintendent.

6. RIGHT TO OBJECT TO RELEASE OF DIRECTORY INFORMATION: Generally, school officials must have written permission from the parent of a student or an eligible student before releasing any information from a student’s record. However, FERPA allows school districts to disclose, without consent, “directory” type information. The Board of Education of the Lincoln Consolidated School District has designated the following personally identifiable information contained in a student’s education record as “directory information”:
   • Student’s name
   • Address
   • Telephone number
   • Picture
   • Parent or guardian
   • Date and place of birth
   • Height & weight
   • Major field of study
   • Dates of attendance or grade placement
   • Honors and awards received
   • Participation in and eligibility for officially recognized activities and sports
   • Most recent educational agency or school attended by the student

Unless you advise the District that you do not want any or all of this information released, school officials may release the personally identifiable information it has designated as directory information. Upon such objection, this information will not be released without the prior consent of the parent or eligible student.

You have three weeks from the receipt of this notice to advise the District in writing of any or all of those types of information about the student you refuse to permit the District to designate as directory information. Your objections should be addressed to the respective building principal. Completing this form will provide written notification to the District and this information will not be released without the prior consent of the parent or eligible student.

INTEGRATED PEST MANAGEMENT NOTIFICATION

State of Michigan law requires that schools and day care centers that may apply pesticides on school or day care property must provide an annual advisory to parents or guardians of students attending the facility.

Please be advised that Lincoln Consolidated Schools utilizes an Integrated Pest Management (IPM) approach to control pests. IPM is a pest management system that utilizes all suitable techniques in a total pest management system with the intent of preventing pests from reaching unacceptable levels or to reduce an existing population to an acceptable level. Pest management techniques emphasize sanitation, pest exclusion, and biological controls. One of the objectives of using an IPM approach is to reduce or eliminate the need for chemical applications of pesticides. However, certain situations may require the need for pesticides to be utilized.

As required by State of Michigan law, you will receive advance notice regarding the non-emergency application of a pesticide such as an insecticide, fungicide, or herbicide, other than a bait or gel formulation, that is made to the school or day care grounds or buildings during this school year. Please note that notification is not given for the use of sanitizers, germicides, disinfectants, or anti-microbial cleaners. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied without prior notice to prevent injury to students, but you will be notified following any such application.

Advance notification of pesticide applications, other than a bait or gel formulation, will be given by at least 48 hours to the application by the following two methods. The first method will be by posting at the main entrance to your school/day care center. The second method will be posting in a public, common area of the school or day care center, other than an entrance. We will post in your school’s Main Office.

Please be advised that parents or guardians of children attending the school or day care center are entitled to receive the advance notice of a pesticide application, other than a bait or gel formulation, by first class United States mail postmarked at least 3 days before the pesticide application, if they so request. If you prefer to receive the notification by first class mail, please contact your building/program administrator for a form and return it to our office.

YOUNG FIVES IS A FUN WAY TO BEGIN SCHOOL!
Successful learning is an important goal at LCS. It starts at the beginning of a student's school career. Our district stretches the option for students by offering Young Fives Kindergarten for those students who turn 5 after the first day of school in the fall. It is a two year kindergarten program to address the needs of those students who benefit from a high level, activity-based program. The academic program uses a variety of learning modes to reach all student levels in all subjects. Many hands on activities are implemented to involve students in a full day of fun and productive learning!

BRICK YOUNG BANKERS CLUB
Brick has teamed up with 5/3 Bank to participate in the Young Bankers Club. Bank employees visit the classroom and educate our students on finances and how the economy works. Students get hands on experience with real world financial concepts.
BISHOP MADRID ADVENTURE
We are incredibly proud of this third group of Bishop Elementary students that ventured out across the Atlantic Ocean to learn from Liceo Europeo in Madrid, Spain. Here they are at The Plaza Mayor (Main Square) which is a public space in the heart of Madrid, the capital of Spain. It was first built (1580–1619) during the reign of Philip III. The Plaza Mayor is for the people of Madrid and tourists to shop, walk around, eat, and enjoy the outdoors. Thank you to our sponsors for supporting this amazing opportunity!

PENNIES FOR PATIENTS
Pennies for Patients connects schools with local blood cancer patients, provides tangible life skills to participants, and allows students to see the impact they’re making in the lives of others. Bishop Elementary was able to raise $1,511.37. What amazing generosity from our community!

ROCKIN’ AT BISHOP
At Bishop Elementary, Mr. Brann taught the Middle House kids a dance based on the song “Rocking Robin”. They had a great time showing off various moves like the side-shuffle, the mashed potato, and the floss!

HELLO SONG
Students from Mrs. Curtis’s Young 5 class at Brick Elementary lead the singing of the "Hello Song" for the class. Each week two students take a turn at the microphone where they get to shine!

BRICK BAGELS WITH BOOKS
Brick recognizes the importance of literacy and how our students view themselves as readers. Several times a year Brick hosts literacy events where friends and families come together to enjoy our reading successes.

MAPLE SYRUP AT BRICK
Ms. Nelson’s second grade class at Brick Elementary tapped the maple trees near Lowden School House this past spring and used the sap to make 100% pure maple syrup products with the help of a local expert. The children learned how to identify the maple tree and looked for sugar maple trees because they produce the highest sugar content. The children put taps into the trees, attached bags, then collected sap everyday over the course of about two weeks. During this time the children researched the process and heard stories such as “Sugar Bush Spring” by Marsha Chall. Once they collected enough sap, they were able to see the process of how it is boiled down as the water steams off and the sugar concentrate carmalizes into a color ranging from golden to a rich dark brown depending on when the sap is collected. The children were planning to have a classroom Pancake Party, however with in-class instruction halting child received a box for their family to enjoy at home sponsored by local company Begziak PPC from Milan. Overall, it was an awesome learning experience for the children, as well as, Ms. Nelson!

BRICK FRIENDSHIP FESTIVAL
Brick enjoys and embraces our diversity! One way we celebrate our diversity is through our annual Friendship Festival. Families are invited to hear our students sing, recite poetry, and share a friendship meal with us.

BRICK’S LIVING WAX MUSEUM
Brick celebrates history and the outstanding individuals that have shaped our world by researching and creating a living wax museum. Students write speeches and dress like a person that has made significant contributions to the world. Families are able to visit the museum to learn about famous historians.

FIRST ELEMENTARY ROBOTICS for FALL 2020
is on! We’re looking at various ways to keep it running. Look for details.
BRICK STUDENT COUNCIL
Brick Student Council worked hard at making our community a better place even when COVID-19 kept them from gathering in person. Brick council found different, exciting ways to serve the community. They collected trash in local areas this spring. The students decorated rocks and placed them on porches around the community to help brighten the days of many in quarantine. They also wrote letters and recorded themselves reading to share virtually with the community.

DISTANCE LEARNING FOR SPANISH IMMERSION
Our Spanish language acquisition continued through distance learning for our Spanish Immersion program! Distance learning had its own unique benefits. It provided greater flexibility for students to work at their own pace and review work as needed. This also tied in with the fact that students accessed the course material at the times that work best for them!

THE LION SONG
Mrs. Peterson's class enjoyed playing a multi-instrument arrangement of the song "Lions" during music class at Childs Elementary with Mr. Brann. The students were excited to take on the challenge of playing different parts at the same time as they were singing!

LMS EIGHTH GRADE CELEBRATION
LMS hosted a wonderful celebration of our graduating 8th graders. Looking for great things from this amazing group of kids as they move on to high school!

CHILDS FIFTH GRADE RECOGNITION
Childs fifth graders received one last surprise! The teachers made deliveries to the students' homes. Thank you to the Childs PTO for making this possible and helping with the purchase of the items.
LINCOLN HIGH SCHOOL DRAMA DEPARTMENT

Are you interested in finding ways to show off your skills as an actor, a crew member, makeup artist, choreographer, costumer, set designer, painter, sound designer, light designer, videographer, or other artistic design area? Whether you excel in these areas or want to learn more, the LHS Theatre Department welcomes you to join in our family this upcoming year. The LHS Theatre program is open to any LHS, LMS, ECA or WIHI student willing to come out of their shell and flourish onstage -- or backstage, as we are also seeking to build a more robust technical theatre program to support the shows. If you have interests in makeup, costumes/sewing, art, painting, construction, CAD, electronics, lighting, or sound, we need you! Please contact our Booster Board at booster-board@lincolntheatreboosters.org for more information on where, when, and how to get involved.

The Theatre Boosters can never have too many parent volunteers. If you have a student in the program, or have a student moving up from the middle school, please reach out to the Theatre Boosters to discover how you can volunteer. There are many kinds of opportunities available, some behind the scenes and some are out front. We greatly appreciate help with both. We specifically need amazing folks who are willing to organize and guide a committee and/or join our executive board. Please send an email to booster-board@lincolntheatreboosters.org if you are interested or if you would like to nominate someone. We love to see new and returning parents at our monthly booster meetings. Join us to see what we’re all about.

Our performance season would usually consist of a fall musical, a winter traveling competition show, and a spring play. But with the uncertainty of the future, our top priority is the safety of our students. Throughout the year we will be nimble and let our students propose alternative productions or projects that fit within the guidance provided by Lincoln Schools. We are most confident saying at this time that we will try our best to safely put on one show this upcoming year, “Matilda: The Musical”. Whether that is this fall, or sometime this winter or spring remains to be seen.

"Matilda: The Musical" is adapted from the book published in 1988 by Roald Dahl which we all know and love. The show was first performed in London in 2010 and saw a transfer to Broadway in 2012. Watch for announcements on Facebook and Instagram (addresses below) for audition and show dates. We encourage any LHS, LMS, ECA or WIHI student to audition and any LHS, ECA or WIHI student to sign up for set and stage crew. Please contact: booster-board@lincolntheatreboosters.org for any further inquiries.

Tickets for all shows will be available in advance at www.LincolnTheatreBoosters.org/tickets. Remaining tickets will be available at the box office starting 30 minutes before the show. For further information, send an email to booster-board@lincolntheatreboosters.org
