#SchoolEveryDay
Missing just 2 days a month means a child misses 10% of the school year.
SUPERINTENDENT’S LETTER

I am excited that the school bond passed and we have started the work to enhance our facilities for all of our students. This month the school district will receive the money passed by the voters. With the passing of the recent school bond, we will keep the community informed of our progress and have developed a page on our website. Please look for this image for details:

The school district finances have improved tremendously in recent years. One of the key measures of our financial strength is our fund balance as a percentage of expenditures. Our audited financial statements can be found on the school district’s website on the transparency reporting page.

This year our finances were again subject to a credit rating. We received the best rating in over a decade. Our current rating is even better than the State of Michigan’s AA- rating.

There is a national shortage of bus drivers and like many districts in our region it is a constant posting on our website. We are asking anyone who is interested in driving a bus to please contact the Transportation Department. I have increased the hours of the dispatcher and increased the secretarial help to allow for greater communication with families during these trying times. We appreciate your patience on the days we have to hold students until a driver returns to the building.

Communication is vital in all organizations and ours is no different. To keep the communication lines open, I have established the following opportunity during the 2018-2019 School year to keep in touch with community members.

We understand that you are the first teacher in your child’s life and we wish to work collaboratively with you to better understand how we can meet the needs of your child. Our staff and I are very open to your questions and feedback, as we are here to serve the Lincoln families. Please do not hesitate to contact me at mcnatts@lincolnk12.org. I make every effort to get with everyone within one to two business days. I can also be reached at 734-484-7001.

BEMIS FARMS AT LINCOLN: WHERE FRIENDS MEET FRIENDS

Bemis Farms is pleased to provide Preschool and Extended Care Programs for the children of Lincoln Consolidated Schools. We are proud and excited to be a part of this wonderful school district.

Programs are located inside Model and Childs Elementary Schools. Model, Bishop, and Brick Elementary students go to Model Elementary for Extended Care.

Our theme for Lincoln is “Where Friends Meet Friends.” Our program provides a safe and friendly place where children can have the opportunity to relax and play with their friends after a long school day. Children learn many important social skills to succeed in life through play, and the Bemis Farms staff will help with conflict management skills, talking through problems, and using manners with friends - all important life skills for today and the future.

The children in the Bemis Farms Lincoln program have daily opportunities to engage in activities to help them both scholastically and socially. Teachers are available to help with homework, and all children will have the opportunity to play alone or in a group. Some of the favorite activities have been silent seatball, tag, fuse beads, large puzzles, science experiments, board and card games, sports, and art projects. Bemis Farms offers a variety of programs to meet your needs. Meeting friends in a relaxed environment makes this program special. For more information on this program please call 734-678-7778.
A Parent’s Guide For Communicating With Your Child’s School

Problem Solving: A Two-Way Process

Get Started
• Establish your goal.
• Agree to discussion guidelines.
  • Listen without interrupting.
  • Be honest in your discussions.

Listen and Define the Concern
• What is the problem or concern?
• Is there more than one perspective from which to view the problem?
• Is the information each person has about the problem accurate?

Identify Solutions
• Each person suggests at least one solution to the problem.
• All parties evaluate each possible solution:
  • Can all parties agree with the solution?
  • Is everyone committed to working on the suggested solution?
  • Will the solution work now and in the future?
  • Is everyone willing to share equal responsibility for making the solution work?
  • Does the solution tell who, when and how?

Move Forward
• Agree upon a proposed solution and the role each party will have in implementing it.
• Set a date for checking in with each other.

LINCOLN EARLY CHILDHOOD SERVICES

The Lincoln Early Childhood Center, located in Model Elementary School, offers a range of comprehensive services for children from birth through age five. The center utilizes a model that emphasizes that parents are a child’s first, best, and most influential teachers.

The Early Childhood Center includes classrooms for the Great Start Readiness Program, Early Childhood Special Education, and Lincoln’s Early On Program. The goal of the center is to establish a primary prevention community available to families living in the Lincoln community. Through strong parental involvement, the Early Childhood Center is an avenue promoting the improved social, cognitive, and physical growth of young children in our community.

Pre-School

Lincoln offers two different pre-school programs. Students for these programs must be three years old by September 1st and reside in the Lincoln School District. Great Start Readiness Program (GSRP) is a grant-funded pre-school program. Eligibility for this program is based on household income and a child’s “risk factors.” For more information on this program please call 484-7070.

Lincoln also offers a tuition-based pre-school run by Bemis Farms, and is located at Model Elementary. For more information on this program please call 734-678-7778.

FREE & REDUCED LUNCH
FOR QUICKER SERVICE, APPLICATIONS CAN BE COMPLETED ONLINE!
Free and reduced-price meals are available to qualified families. Eligibility is based on family income and size. If you think you may qualify, please fill out one application per family and return to any school office, or mail to Lincoln Consolidated Schools, 7425 Willis Road, Ypsilanti, MI 48197. Applications are also available online at fs.lincoln.k12.mi.us. Applications will be accepted at any school building, but please mark Food Service on the envelope to ensure prompt delivery.
If you received benefits at another school district, you will not be eligible for free or reduced meals at Lincoln Schools until an application has been processed and approved. New applications must be completed every school year. You are responsible to purchase meals or send a lunch until your application is approved.

WHAT IS A REGULAR LUNCH MEAL??
A regular lunch meal is the meal at the regular meal price or can qualify for the free or reduced meal price. It consists of an entree item (including bread and protein), a fruit, a vegetable, and milk. Students must take three of these items; one of which MUST be a fruit or vegetable for the meal to qualify as a “regular meal”. If they take less than three components or more than the five, they will be charged the a la carte price for each item regardless of free or reduced status.
Milk-only purchase price is $0.50. Milk alone is not free or discounted for eligible students.
At the middle school and high school chips, cookies, bottled drinks, etc. are NOT included in the regular lunch meal. These items are available for purchase separately.

Breakfast @ Lincoln!
If there is a way to be less hurried in the morning, would you take advantage of it? If there is a way to improve your child’s grades, would you consider it worthwhile? Breakfast at school could be the answer!
Finding the time to fit a healthy breakfast into your child’s daily routine is probably just as difficult as fitting it into your own. Studies show that children who acquire the breakfast habit early are less likely to develop illness, while successful in maintaining a healthy weight, good grades, solid attendance, and overall performance.
Breakfast is available at all buildings within Lincoln’s district. The price is $1.20 Elementary/$1.25 LMS/LHS and menus can be found at each school or on our website at lincolnK12.org. If your children qualify for free or reduced-priced lunch, they also qualify for free or reduced-priced breakfast!
For your convenience the transportation hotline is updated twice a day. The line will inform you of any school closings, school delays, road closures, or late buses during the school year.

What Multiage is and isn’t...

Multiage classrooms are classrooms with students from more than one grade level. They are created because of a pedagogical choice of a school or school district. They are different from split classes which are formed when there are too many students for one class - but not enough to form two classes of the same grade level.

Some Advantages of Multiage Practices

The school should fit the child....

Rather than grouping students by grade level, we can group and regroup students based on developmental needs, interests, skills, and learning styles. We value the process of learning and lay the ground work for lifelong learning.

It is an efficient and effective learning environment....

A multi-year placement encourages friendships, trust, bonding, and a sense of belonging. Knowing a child over time increases a teacher’s understanding of that child’s needs and how he/she learns best. At the start of a year, the teacher knows a majority of the class, and the students know each other.

Multiage classrooms promote collaboration, cooperation, self-esteem, and a caring community....

Younger children get a preview of what they will eventually be able to do. Students can work with children who possess a similar skill level but a different chronological age. There is an opportunity for all children to be both the younger and older members of a peer group. A child can reinforce a newly learned skill by teaching it to someone else. It brings out older children’s willingness to help younger ones, and older children accept the responsibility of being role models.

LINCOLN ALUMNI TALKS RAILROAD HISTORY & SAFETY
Brick third, fourth and fifth graders were visited by Lincoln Alumni Mr. Leonard in September. He came to discuss railroad history and safety!

BISHOP TOMATOPALOOZA
In September, Bishop Upper House students from the Rowell/Goerlitz/Gowman team participated in a two day event deemed Tomatopalooza.

The first day, groups of students harvested tomatoes, onions, peppers, eggplant, rhubarb, and herbs from the Bishop garden beds.

Then students made marinara sauce, tomato juice, dehydrated tomatoes, roasted eggplant, and tasted raw tomatoes and rhubarb. They also bundled herbs and saved tomato seeds to be used next spring.

On day two, both classes came together at a sit down meal in the cafeteria and enjoyed the marinara sauce served over pasta with the roasted eggplant. It was amazing!

CHILD’S STUDENT COUNCIL ELECTION
Childs Elementary’s Student Council Election was held on Oct 19th 2018. Students worked hard making posters and preparing their speeches for President, Vice President and Secretary. We are so proud they are choosing to be great role models and leaders in our school.

CHILD’S ACTIVE DAY
Childs Elementary students recently participated in Childs Active Day. This day consisted of two events that promoted healthy activity. All students enjoyed raising money for the PTO and participating in the Fun Run.

There was a Zumba Warm-Up provided by parent, Mrs. Bolton and noon supervisor, Mrs. Mauder. Students then ran, walked, galloped and skipped to fun music! Childs students were excited to use their new walking path which was generously donated by The Wilkerson Family and Childs PTO.

The second event was an evening Family Fitness Night. Families were put into teams and played the game "Mission Impossible" where they had to complete various fitness stations. It was a great ACTIVE DAY!
ELEMENTARY FIRST LEGO LEAGUE JR.

Our new all elementary FIRST Lego League Jr. (FLL Jr.) robotics program is meeting this year’s Mission Moon challenges eagerly! Grades 1-3 work in teams from September through December along with teacher mentors and parent volunteers to construct the rocket to the moon, move the payload, understand gravity and water and more as we practice the national organization’s philosophy of gracious professionalism. The goal of FIRST is to encourage students to pursue education and careers in STEM-related fields, and inspire them to become leaders and innovators. Next year we plan on starting an upper elementary FIRST.

KINDNESS MATTERS

Kindness Matters at Brick; that is why we focused the start of this school year working on the good citizen attribute, kindness. We made “Kindness Quilts” in each hallway and are enjoying watching it grow!

BRICKS 4 KIDZ LOVES LINCOLN AND LEGOS!

Bricks 4 Kidz offers after-school programs at Bishop and Childs for all elementary students. This program offers fun and educational classes where kids experience hands-on engineering fundamentals. We introduce kids to S.T.E.M concepts as they build motorized models using Lego bricks. Bricks 4 Kidz also offers summer camps, school programs, workshops, birthdays, and other fun. Check out the website for upcoming classes: https://www.bricks4kidz.com/michigan-annarbor-ypsilanti/

STEM AT BRICK

Brick students designed a pipeline to move water during a drought. The criteria for the pipeline was that it had to carry water from an elevated tank to a smaller tank and it had to be 100cm long. It could not leak! They used the Engineering Design Process to create a pipeline after reading and discussing how rescuers in Kenya are creating pipelines to help baby elephants.
SPECIAL THANKS TO OUR MEDIA VOLUNTEERS

At Childs Elementary, we are especially thankful to our Media Center volunteers who make it convenient for teachers to bring down their students each week to check out books. For the second year now, a small group of dedicated moms have spent numerous hours working on the book inventory, shelving books, assisting students as they choose books and then checking out the books for the students. They keep the media center organized and efficient while also adding their own touches to make it more attractive. We appreciate all of our parent volunteers who give of their time and talent. THANKS!

BRICK BOOHOO/YAHOO BREAKFAST

Brick PTO hosted a “Boohoo/Yahoo” Breakfast for our Brick Young 5-Kindergarten parents on the first day of school. It was a place to connect with other families in our district! Positive relationship building events are very important at Brick!

LINCOLN ELEMENTARY CROSS COUNTRY

The Lincoln Elementary Cross Country team had another amazing season this fall. Coaches Chad and Lori Richert had 34 elementary runners participate in the 2018 program. Elementary cross country is a six week program that introduces young athletes to the fundamentals of distance running. The elementary team competed in four meets throughout the fall.

#WHATLIFTSYOU

BISHOP COLLABORATIVE MURAL

In Art class, Ms. Angel was inspired by the street murals of Kelsey Montague. Montague wanted people to interact with her artwork and think about what “lifts” them. She has created many murals around the country.

At Bishop Elementary there are over 480 students, each unique and special in their own way, so Ms. Angel decided she wanted to create a mural that our students could interact with as well. Each student designed a feather using the elements of line, shape, color and pattern. Then the feathers were compiled into the giant wings. Art is meant to bring people together and that is just what this mural does.

LMS HOSTS MOMS & DADS

LMS was pleased to have over 200 parents visit our school for “Muffins with Moms” on October 9th and “Dads and Donuts” on October 16th. The parents, grandparents, aunts and uncles enjoyed spending time with their students and discussing upcoming events. The meetings will continue every other month through the school year.

TEAM AVENGERS

Sixth grade, Team Avengers, had a STEM exploration day. We built rafts out of aluminum foil and straws to test buoyancy and surface tension.

Calling all 5th Grade Lincoln Students!

Fifth Grade band will begin soon! Registration is open on the Community Education website. The cost is $65 per student. The book is included in the fee and each class is approximately $4.30 making this a great deal! The class will run on Mondays from 6:00 - 7:15 for 15 sessions and conclude with a concert on April 22nd. Parent meeting and Fitting Night will be on Monday, November 26th at 6:00 p.m. in the high school band room. Classes will begin on Monday, December 3rd. Any questions can be sent to Ms. Schwegler at schwegler@lincolnk12.org.

* The course must have 30 students registered to run the session. Families are responsible for renting or purchasing an instrument for their student.
MEET CHERRY OUR LINCOLN THERAPY DOG!

Cherry is a specially trained Golden Retriever who loves to bring calmness and creativity to our school environment! She is five years old. Cherry spends most of her time at Brick Elementary, but she and her handler, Ms. Terpay, take her to the Middle School and to other elementary schools upon request from teachers and principals.

Research has shown therapy dogs can reduce stress and provide a sense of connection in difficult situations. Given the impact therapy dogs can have on student well-being, schools and universities are increasingly adopting therapy dog programs as an inexpensive way of providing social and emotional support for students.

The benefits of having therapy dogs in the classroom include:

- Physical benefits: Interaction with therapy dogs has been shown to reduce blood pressure, provide physical stimulation and assist with pain management.
- Social benefits: A visiting therapy dog promotes greater self-esteem and focused interaction with other students and teachers.
- Cognitive benefits: It has been empirically proven that therapy dogs stimulate memory and problem-solving skills.
- Emotional and mental health benefits: A recent national survey of adolescent mental health found that about 8 to 10 percent of teen’s ages 13 to 18 have an anxiety disorder.

- A therapy dog can lift moods in the classroom, often provoking laughter. The therapy dog is also there to offer friendship and a shoulder to lean on for students. Please email Ms. Terpay (Koker) at koker@lincolnk12.org if you are interested in a visit!

NATIONAL HISPANIC HERITAGE MONTH AT LINCOLN

Spanish-speaking students at Lincoln High School and Spanish Immersion students from Lincoln Middle School celebrated National Hispanic Heritage Month with refreshments and conversation. ¡Qué divertido!

ANOTHER AMAZING TRIP TO COSTA RICA!

Señora Mata, one of the Spanish teachers at the high school, took 14 students to Costa Rica in June of 2018. Every day was an adventure in nature!

About 25%-33% of Costa Rica is protected conservation and nature territories, and it is one of the top bio diverse areas of the world.

Each day there we were busy. We went to a turquoise waterfall, went kayaking, zip-lining, horse-back riding, swimming in the ocean, hiking in the forest for tree frogs and white water rafting. We visited a local school, donated school supplies and played soccer with the kids. We visited a chocolate plantation and learned some local dances. It was the trip of a lifetime. We have so many amazing memories!

Hopefully, we’ll take even more students on our next trip to Costa Rica in the summer of 2020. If you’d like any information about that, please contact Sra. Mata at mata@lincolnk12.org Or leave a message at 734-484-7000 ext 7255.

LHS BANDS

Lincoln High School Bands have completed a successful fall season of marching band and kicking off the jazz band. Events included marching at the Belleville Halftime Review, entertaining the crowd at the home football games, performing our Fall Concert and welcoming in a large freshmen class. Currently, we are in a fundraising campaign to raise money for new marching uniforms. You may have seen members collecting pledges for the March-a-thon or recruiting drivers to test drive a Ford vehicle. Our next fundraiser is the Holiday Cookie Walk on December 15th from 10:00 a.m. - 12:00 p.m. This event generally sells out so get there early for delicious holiday treats.

Our next performance will take place December 12th at 7:30 p.m. in the Performing Arts Center. The performance is free and you will be able to enjoy sounds of the season with the three concert bands and jazz band. Always a great performance for the holiday season!

DOLLARS FOR SCHOLARS

On October 1st, nine Lincoln High School Students joined over 100 other Detroit Regional Dollars for Scholars (DFS) students from 13 local high schools at Michigan State University for their first campus visit of the year. The rain did not stop them from attending a great information session, taking a campus tour, and having lunch at Brody Square Dining Hall, one of the largest cafeterias in the country! Lincoln High School has partnered with DFS since 2012, providing students with etiquette and leadership training, campus visits, and a $4000 scholarship upon successful completion of the program. If you would like more information about DFS, visit: drdfs.org.

LHS NATIONAL HONOR SOCIETY

The National Honor Society members at Lincoln have had an exciting and productive fall. There was an Induction ceremony on October 23rd for 33 new members. Last year the chapter was awarded a $5,000 beautification grant from Lowe’s Home Improvement store. Eagle Scout, Austin Kollar, led the way in the design and overall supervision of the beautification project. You can check out the new landscaping at the East Gym/ Counseling Office entrance at the high school. The chapter continues to host blood drives and serve meals to the homeless through agencies such as Hunger Coalition and Interfaith Hospitality Network.

LINCOLN HIGH SCHOOL DRAMA DEPARTMENT

The 2018-2019 season will open with a bang this fall as the Performing Arts Department presents “Chitty Chitty Bang Bang”, the stage version of the popular 1968 movie of the same name. The musical premiered on the West End in 2002 and the Chitty car holds the Guinness record for most expensive prop ever. I guess we have some fundraising to do...

This year the department will perform the Shakespeare comedy “The Taming of the Shrew” at the Michigan Interscholastic Forensics Association (MIFA) Theatre Festival (District, Regional and hopefully State) and at the Mid-Michigan Theatre Arts Festival. In a unique twist, “The Taming of the Shrew” will be set in the 1970’s in a Disco themed set. The only performance at the Performing Arts Center will be Friday, February 8 at 7 pm.

Each year a student from the department directs a show specifically for a young audience which is performed at the Lincoln Elementary schools and often at other child-oriented settings. This year’s show will be “Charlie Brown.” It will be performed at the LCS PAC on April 26, 2019.

The spring play will be “The Women of Lockerbie”, a poetic drama written with the structure of a Greek tragedy. This powerful play tells the story of the women of Lockerbie, Scotland, in the aftermath of the bombing of Pan Am flight 103 in 1988, and their attempt to find and symbolically wash the clothing of all the children who died in the tragedy; passengers of the plane as well as inhabitants of the houses destroyed by the crash. This emotional play will be presented at the LCS PAC May 9-12, 2019.

The LHS Theatre program is open to any LHS, ECA or WIHI student willing to audition and work hard, as well as a small number of middle school students. We are also seeking to build a more robust technical theatre program to support the actors on stage. We are looking for students with interests in makeup, costumes/ sewing, art, painting, construction, CAD, electronics, lighting, and sound. Please contact Mr. Jacobs to volunteer for these opportunities. Participation for the fall musical and spring play are $70 for actors and $30 for crew/technical.
