Dear Lincoln School Community,

Members of our Crisis Response Team have been working throughout the day to meet with students individually and in groups. We will continue to provide support and will communicate with parents to care for our students. We appreciate our parent community for sharing concerns with us.

Over the weekend, there was a lot of misinformation put out on social media. Today, we received information from the Sumpter Township Police Department. Detective Toth has issued the statement that based on their investigation at this time, there is no indication of bullying linked to the Lincoln Middle School student death.

We appreciate your partnership in helping to monitor your child's social media communications. If you have any factual concerns, please reach out to Sumpter Township Police Department. Please continue to keep the family in your thoughts.

Sincerely,

Sean McNatt, Superintendent
Lincoln Consolidated Schools

Eric Luke, Chief of Police
Sumpter Township Police Department
