The signatories shall be the sole parties to this Agreement.

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Employer and the Union. The parties recognize that the interest of the community and the job security of the employees depend on the Employer's success in establishing a proper service to the community. To these ends the Employer and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

ARTICLE 1

B. The bargaining unit includes all full-time, part-time, temporary bus drivers, bus aides and mechanics excluding substitutes and student employees, supervisors, and all other employees.

Employees assigned and working less than 20 hours per week (less than 4 hours per day) shall not normally be eligible for healthcare insurance unless they pay 100% of the costs incurred in joining the MESSA A Group Plan. Employees hired after March 1, 2016 will require a scheduled work week of thirty (30) hours or more to qualify for any Employer provided healthcare insurance. For purpose of this Agreement any and all hours regularly scheduled within the District will count for thirty (30) hour minimums for fringe benefit qualifications.

2. Transportation employees pay one-half (1/2) of annual HSA, effective with this contract. The district will pay their 2018 one-half (1/2) in January and April of each year.

6. Dual Coverage
   a. Prohibition of Dual Coverage - It is understood that insurance coverage paid for by the District is not to provide double coverage for employees or their families. If an employee or their family is covered under another policy, the employee shall elect which coverage they wish to receive and must notify the District of the election. Falsification of information concerning double coverage may result in loss of insurance coverage for the employee and disciplinary action up to and including discharge.
b. Hardship Committee - A committee composed of two (2) members appointed by the Board and two (2) members appointed by the Union will be formed to review petitions from employees on a case-by-case basis who request consideration for exemption from the prohibition of dual coverage language.

7. Exemptions will not be considered merely because a spouse's employer requires the spouse to take an entire insurance package. Consideration will be given for serious reasons, including but not limited to; if the spouse's insurance is minimal in nature and the spouse is required to take the insurance; if the spouse, because of impending retirement is required to retain or resume coverage for a short period of time; or if the spouse's health insurance (which he/she is required to take) does not provide for a benefit and the tax-sheltered annuity benefit noted in five (5) above does not make up the difference. The Committee will make its recommendation to the Superintendent. The employee shall, within five (5) workdays of the Superintendent's recommendation, have the right to grieve the recommendation at the Board level. The final decision for the grievance and the recommendation shall rest with the Board. Employees on unpaid leave of absence shall have premiums for insurance coverage continued by the Board for ninety (90) calendar days (subject to applicable COBRA notification). An employee returning from an unpaid leave of absence must work at least thirty (30) calendar days to qualify for continuation of insurance coverage during an additional unpaid leave unless the ninety (90) calendar days unpaid leave coverage was not exhausted. In such instance during subsequent unpaid leave taken less than (30) calendar days from the return date the employee would be eligible for the balance of unused unpaid leave health insurance coverage.
   c. An employee is responsible for coverage application and/or notification of change in family status. Failure to apply for proper coverage and/or notification of change in family status is entirely the responsibility of the employee and shall not result in any cost or expense to the district.
   d. Employees shall have the monthly premium for healthcare co-pays taken out over a minimum of 18 pay periods divided equally.

SENORITY, LAYOFFS, REDUCTION OF STAFF

A. Seniority - Seniority shall be defined as length of service within the bargaining unit (Article I, Recognition) as of the employee's first working day. In the circumstances of more than one individual beginning employment on the same date, all individuals so affected shall be placed on the seniority list based upon the date they started working for the district as a substitute driver, aide, or mechanic. The earlier substitute driver, aide, or mechanic shall have the higher seniority status. The Employer's records shall be used to determine the date. If one of the individuals involved disputes the Employer's records, it shall be that person's obligation to provide convincing evidence refuting the Employer's records.

1. An employee shall lose his or her seniority rights if he or she retires, resigns, or is discharged.
2. Each new employee of the bargaining unit shall be considered a probationary employee for the first calendar year of employment as a regular employee. A probationary employee who was employed in the same position as a temporary employee, immediately prior to being appointed a regular employee, shall have the probation period reduced by the length of the temporary employment in that position, not to exceed thirty (30) calendar days. On completion of the probationary period, the employee shall be placed on the seniority list of the bargaining unit and his/her seniority shall start from his/her last date of hire as a regular employee regardless of hours worked. "Last date of hire" shall mean the date on which the employee begins work, regardless of when such employee was advised of being hired or having been hired.
3. An employee who was in the bargaining unit as of July 1977, or thereafter, and who transfers to a position excluded from the bargaining unit, and who subsequently returns to the bargaining unit shall have such seniority as was held at the time of such transfer.
4. An employee who is on a leave or layoff without pay or who otherwise leaves the school payroll shall not accrue seniority during the period of such leaves of absence or layoff but shall retain seniority accrued to the initial date of the approved leave of absence or layoff. When an employee returns from layoff or leave of absence, the employee's seniority date shall be adjusted on the seniority list provided in Section 6. Seniority of up to one (1) year shall accrue while an employee is on approved medical leave.
5. An employee shall lose seniority if on layoff for a period of three (3) consecutive years.
6. Within sixty (60) calendar days after the effective date of this agreement, the Personnel Office will provide a listing of all employees of the bargaining unit showing hire date, seniority date, and classification of each employee. This list shall be published by June 1st of every year and distributed to each employee and the Union.
7. No employee shall be required to successfully complete more than one (1) probationary period in each classification. If an employee, while serving an additional probationary period, is found to be unsatisfactory or elects to return to their original classification, the following shall apply:
   a. Within the first ten (10) workdays the employee shall be returned to their original position without penalty.
   b. After ten (10) workdays, the employee shall be returned to the first available position in his/her classification with no reduction in benefits or seniority and at the same rate of pay he/she earned immediately prior to the probation period.
   c. Illness of more than ten (10) consecutive workdays shall extend the additional probationary period and the option of returning to the first available position in
his/her former classification. The total additional probationary period shall not exceed ninety (90) workdays of actual on-the-job performance.

d. If the position to which the probationary employee returns is subject to bidding processes described elsewhere in this agreement, that bidding process shall occur first and the assignment of the employee shall follow.

e. In order to accommodate the above timelines, the posting requirement in Article 10 will be waived. The vacated position will not be posted for the first ten (10) workdays of the second probationary period. In the event bargaining unit members bid into another classification and has successfully completed an initial probationary period, his/her seniority will accrue continuously, and any other time worked in any previous classification(s) will be combined into his/her total accumulative seniority.

If possible, five (5) calendar days' notice shall be given to employees if Employer reduces or eliminates position.

2. If a layoff becomes necessary, newly hired probationary employees within each classification to be affected shall be laid off first. If further layoff is necessary, layoff shall be according to seniority within each classification to be affected (least senior employees shall be the first laid off). When the least senior person within a classification is to be laid off, the employee may bump the least senior within another classification in the bargaining unit if immediately qualified to perform the job and if he/she has more accumulated seniority than the employee in the other classification.

   a. Provided, however, that an employee scheduled for layoff who desires to bump into either a "Mechanic/Garage Manager" or a "Mechanic" position, may do so only if, in addition to being "immediately qualified" and having more accumulated seniority than the "Mechanic/Garage Manager" or "Mechanic" to be bumped, the laid-off employee also has prior working experience in a position with responsibilities like the position sought.

3. Whenever layoff occurs, any employee with more seniority who is scheduled to be laid off shall be allowed to displace the least senior employee of equal or more hours within the employee's classification or within another classification or fill a vacancy within the employee's classification or within another classification, providing in all cases that the laid-off employee is qualified to perform the work of the less senior employee's or the vacant position. The more senior employee shall be allowed to displace the least senior employee working less than equal hours should an equal hour position be unavailable within the employee's classification or within another classification.

   a. Provided, however, that an employee scheduled for layoff who desires to bump into either a "Mechanic/Garage Manager" or a "Mechanic" position, may do so only if, in addition to being "immediately qualified" and having more accumulated seniority than the "Mechanic/Garage Manager" or "Mechanic" to be bumped, the laid-off employee also has prior working experience in a position with responsibilities similar to the position sought.

4. A laid off employee may transfer to a vacancy in another classification series, provided the employee meets the stated qualifications.

5. Laid off employees shall be recalled in reverse order of layoff, but in all cases the most senior qualified laid off employee shall be recalled first.
6. Should the Board reinstate a position that had been eliminated or fill a position that had been allowed to remain vacant, the employee who previously held said position, if not on layoff, shall be offered the position before it is offered to laid off employees.

7. Notice of recall shall be sent by certified mail to the employee's last known address. The employee shall have ten (10) calendar days to report to work from the date that the notice was delivered to the employee's last known address.

Notice of vacancies shall be posted in all workstations. In addition, notice shall be sent to all employees (including those on layoff) of vacancies which occur during the "summer break period."

C. The Board declares its support for a policy of filling vacancies from within the bargaining unit. Therefore, applicants from the bargaining unit will receive first consideration over applicants equally qualified from outside the bargaining unit. Any vacancies filled from within the bargaining unit shall be based on seniority, experience and competency.

D. If a vacancy is not filled within the above-specified time, there shall be an immediate meeting between the Union and the Superintendent or designee for show cause.

2. The discharged or suspended employee will be allowed to discuss the discharge or suspension with a Union representative and the Employer will make available a meeting room where he or she may do so before he or she is required to leave the property of the Employer.

D. Appeal of Suspension and Discharge - Should the suspended or discharged employee or the Union President or his or her designee consider the suspension or discharge to be improper, a complaint shall be presented, in writing, through the Union to the Superintendent within three (3) regularly scheduled working days of the suspension or discharge. The Superintendent or his or her designated representative will review the suspension or discharge and give his or her answer in writing three (3) regularly scheduled working days after receiving the complaint. If the decision is not satisfactory to the Union, the matter may be appealed directly to Step 5 of the grievance procedure within fifteen (15) working days of issuance of the Superintendent's decision.

E. Dismissal of any employee (except probationary employees) shall be subject to the grievance procedure. A dismissed probationary employee shall be given a show cause hearing by the Superintendent or designee if requested by the employee provided, however, that in the event a current employee who is serving an additional probationary period in a different classification is found to be unsatisfactory, he/she shall be returned to his/her prior position with no loss of seniority subject to Article 9, A. This does not prohibit management from dismissing an employee for just cause.

ARTICLE 19

STEP 1 - Before an employee is given a written unsatisfactory evaluation in job performance, the administrator shall meet with the individual at least one (1) month prior to such a rating being submitted in order to put the employee on notice that job performance is not considered to be satisfactory and to discuss means of improvement. A written summary of such a conference shall be prepared by the Transportation Supervisor and given to the employee within two (2) workdays with a copy submitted to the President of the Union.
   2. STEP 2 - Annual job performance evaluation.
   3. STEP 3 - If the employee receives an unsatisfactory rating, an evaluation shall be made sixty (60) calendar days following the annual evaluation.

D. An employee whose overall performance is deemed unsatisfactory, shall have the opportunity, if an opening exists (or if another employee mutually agrees to exchange assignments) and upon the approval of the Executive Director of Human Resources for six (6) months to bring the job performance up to a satisfactory condition. If services are rated satisfactory at the end of the six (6) month period, the employee shall be retained in the current assignment. If the employees’ services are rated unsatisfactory, a hearing shall be scheduled by the Office of Personnel in accordance with the steps in Section B of this Article.

I. Drivers shall not be required to load or unload supplies or equipment, except books and classroom supplies for handicapped students.

J. While the buses are waiting to pick up students in the loop, the buses should only be running if the temperature is below 40 degrees Fahrenheit, or the wind chill index is below 45 degrees Fahrenheit.

K. If there is any disagreement between management and labor on the temperature or wind chill index, we will use a website to resolve the issue (weather.com).

A. A fifteen (15) minute duty-free, paid rest period away from workstation will be allowed during each four (4) hour work period scheduled as near as possible to the mid-point of the period. A thirty (30) minute duty-free, uninterrupted, unpaid lunch period will be provided. With prior supervisory approval, an employee may extend their lunch up to sixty (60) minutes.

B. Where available, the Board shall provide in each building, adequate lunchroom, rest room and lavatory facilities exclusively for employee's use and at least one (1) room reasonably furnished shall be reserved for use as a lounge. Provisions for such facilities will be made in all future buildings. The Board shall provide daily cleaning services for the facilities mentioned above.

C. Protective clothing shall be provided to personnel when they perform maintenance work which could result in spoiling or staining beyond that which could normally be cleaned by a home laundry. Raincoats will be made available to employees who perform bus washing tasks.

H. The rights granted herein to the Union shall not be granted or extended to any other competing labor organization. This section does not in any way restrict the Board from carrying out its legal obligations.

ARTICLE 24
UNION RIGHTS

A. Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that every employee shall have the right freely to organize, join, and support the Union for the purpose of engaging in collective bargaining or negotiations. As a duly elected body, exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly, discourage or deprive or coerce any employee in the enjoyment of any rights conferred by the Act or other laws of Michigan, or the Constitutions of Michigan and the United States of America; that it will not discriminate against any employee with respect to hours, wages, or any terms or conditions of employment by reason of his or her membership in the Union, his or her participation in any activities of the Union or collective negotiations with the Board; or his or her institution of any grievance, complaint, or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

D. In the event that any provision of this Agreement shall, at any time, be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided for doings so, such provision shall be void and inoperative, however, all other provisions of this Agreement shall continue in effect.

ARTICLE 25
BOARD RIGHTS

A. The Board, on its own behalf and on behalf of the electors of the school district, hereby retains their services unto itself, without limitations, all powers, rights, authority, duties and responsibilities conferred upon and invested in it by the laws and Constitutions of the State of Michigan and of the United States, including, but without limiting, the generality of the foregoing, the right:

ARTICLE 27
REVISED JOBS AND NEW JOBS

A. In the event the Employer changes a classification description or creates a new position which is not covered by an existing classification, the Employer will notify the Union within two (2) working days of an official change and provide a copy of the classification description of the new or revised position and pay grade. Upon request of the Union, within ten (10) working days, the Employer will meet with the Union to discuss the classification and pay grade as provided under Article 6.
   1. The Board reserves its right to reorganize any program or department when it deems such reorganization to be in the best interest of the school district.
2. If such changes would eliminate bargaining unit jobs, cut hours, or change job classifications, the Employer shall first meet with the Union as provided in Article 6.

3. If the Union feels that the matter has not been resolved as a result of this meeting, and/or that the individual rights of an employee has been violated, the matter may be submitted through the grievance procedure starting at Step 4.

B. Although current job descriptions shall remain in the contract, the parties do hereby agree to form a committee if necessary to revise existing job descriptions. This committee will meet within thirty (30) calendar days upon receiving request from either party to revise existing job descriptions. Should the parties be unable to agree on the job descriptions, the Board shall have the final authority in determining their content. Any changes made in job descriptions after this committee has completed its task shall only be made after consultation with the Union.

ARTICLE 28
BARGAINING UNIT WORK

A. The duties and responsibilities of any position in the bargaining unit shall not be transferred to other employees of the School District outside the bargaining unit unless it is the result of a major revision.

B. Supervisory personnel shall not perform work to be performed by regular employees in the bargaining unit (1) except in emergencies or when no other driver is available (2) or in cases of those absences due to vacation (3) or regular absences or where work is of such a technical nature that no other employee has the technical knowledge to perform the task. In no case shall a supervisor be assigned work resulting from regular employee layoff, discharge or resignation. This does not exclude supervisors from performing such work on an occasional day when substitutes are not available.

ARTICLE 29
ROUTE SELECTION

A. Selection of Special Education and regular bus routes that include high school, middle school, elementary (including GSRP and ECSE), RCTC, and Saline consortium, will be made by drivers and bus aides prior to each school year, according to seniority and classification. Drivers shall be provided with a record of available routes for the selection process.

B. Routes, direction of routes, and bus stops shall be established by the administration and no changes will be made without administration approval. Routes shall be made up of a run for each tier. Each run shall be paid for a minimum of sixty (60) minutes. Midday runs will also be paid for a minimum of sixty (60) minutes. The Monday prior to the start of the school year will be set as route pick day. The routes shall be available for review on Wednesday and Thursday two weeks prior to the start of the school year.

C. Employees who cannot be present must pre-arrange with the Transportation Supervisor or designee to select a route according to the employee's respective seniority. Drivers on a medical leave of absence which will terminate prior to December 1st shall be permitted to bid, or make arrangements for a bid, as prescribed above, in order to establish their annual assignment. If the driver does not return prior to December 1st, their assignment will be put up for permanent bid subject to a maximum of four bumps.

D. Shuttle runs include daily runs to transport vocational education students to and from RCTC program. Regional Career Technical Center runs shall be selected as follows. RCTC runs that conflict with morning or afternoon routes will be included with the morning or afternoon routes. RCTC runs that do not conflict will be bid separately.

E. Late runs and/or kindergarten runs shall be awarded to the applicant employees on the basis of classifications and seniority. When the driver of a late run/kindergarten run provides the Employer with less than one (1) hour notice that they cannot do the run, the Employer is authorized to get a substitute for that run from the available regular drivers on the basis of seniority to ensure a timely run. The Employer shall select the most senior person available. If one (1) hour or more notice is provided, then the substitute
N. Employees will be paid for actual time spent during these periods. "Available" shall be defined as when an employee is able to get to the pick-up point at the required time.

F. Bus routes will be made up by the administration in accordance with acceptable standards, capacities, and relevant law.

G. After the initial route selection in August, if a route is then vacated, the route must be posted to be bid on by lower seniority drivers. Higher seniority drivers who have had an opportunity to choose the route at route selection time shall be exempt from the bidding.

H. Shared Routes
   1. All drivers on these route(s) will be solely responsible to report for work on half-days (1/2), etc. The program shall be defined as follows: Special education routes are exempt from shared route(s). Routes are established by the administration and elementary runs will be connected to specific high school runs.
   2. Drivers sharing routes shall be required to substitute for each other, except when a doctor's written verification is provided. No other employment may interfere with shared route participants. If a sharing driver resigns the continuing sharing driver shall have the option to assume the full position. If he/she opts not to assume the full run, the position will be posted for three (3) working days for members of the bargaining unit to bid on.

I. All new buses, as acquired, shall remain with drivers as long as drivers are continuously employed, or until a bus is removed from service. In order to comply with this provision, if for demonstrable reasons a bus cannot be assigned to a route, the driver to which that bus is assigned shall not be entitled to select that route during the route selection process. Required medical accommodations may necessitate reassigning a bus. It is agreed that larger buses (more than 65 passengers) will remain with the assigned route.
   1. It is understood that, in order to balance mileage, buses may be assigned to kindergarten and late runs. This does not mean the driver will be assigned to the route in question.

J. A driver shall not be required to carry more students than allowed by law.

K. Temporary group changes shall be requested twenty-four (24) hours in advance through the Business Office and shall be allowed as long as the bus does not exceed capacity as spelled out in part I of the section.

L. Drivers on pre-kindergarten routes shall not carry more than twenty-five (25) students unless an aide is assigned. Management will make every attempt to balance kindergarten runs and keep kindergarten loads at fifty (50) students or less.

M. Drivers of Special Education buses shall not carry more students than the capacity of the bus. If a student is to be transported who is considered hazardous, an aide will be assigned. If there is a dispute over whether or not a student is hazardous, an administrator or designee shall ride with the student and will make the final decision.

N. The practice run shall be scheduled in August as an in-service day and shall occur between 8:00 a.m. and noon. All drivers shall sign in and sign out and each employee who participates in the practice run shall be paid a minimum of two hours or the length of time the run takes, if beyond two hours.

O. The daily cleaning of the bus garage restrooms and the driver's lounge shall be bid as a one (1) hour per day job at an employee's regular rate of pay. Bus washing duties shall be bid as a two (2) hour per day job at an employee's regular rate of pay and bid as two (2) open positions to be filled by two (2) employees. Employees will be paid for actual time spent during these periods.
ARTICLE 30
FIELD TRIPS AND/OR EXTRA CURRICULAR ACTIVITIES TRIPS

A. There shall be three (3) lists used to assign field trips:
   1. A regular field trip list.
   2. A bonus field trip list to be used to fill trips that become available after the regular trips have been posted but need to be assigned prior to Friday and to cover driver-requested cancelations (DRC) of an assigned field trip.
   3. A weekend and holiday field trip assignment list.

B. All lists shall be in seniority order and rotate through the list until all employees have been offered the opportunity to take a field trip. Field trips will continue to be offered per the rotating list until June 30; the new list shall restart July 1.
   1. A new employee entering the bargaining unit shall be placed on the lists at the point where their seniority allows them.

C. An interfering trip is defined as a field trip that requires a substitute to cover a portion of the selecting drivers' regular assignments. If there are no other field trips scheduled earlier that day, then a field trip that begins at 4:00 p.m. shall be defined as an interfering run. The District has authority to determine whether it will staff interfering field trips.

D. The system shall be as follows to fill a normally received field trip:
   1. All trips shall be placed on the board on Friday;
   2. Employees shall sign up for the trips that they are interested in filling from Monday through Friday after trips are posted.
   3. The trips shall be assigned from the regular field trip list starting with the first name following the last person assigned a trip from the previous week as follows:
      a. The earliest calendar trip (date and time) shall be assigned by comparing the regular field trip list to the names of the employees who signed for that trip.
      b. If the employee whose turn it is for a trip assignment has signed that trip, then they shall be designated for that trip and the process shall move to the next person and the next calendar field trip and the system repeated.
      c. If the employee has not signed for that trip, then each of the next calendar trips (in date and time order) shall be viewed using paragraphs a. and b. above until that employee is assigned a trip or skipped.
      d. Repeat the system until all field trips are assigned.

E. Field trips and/or extra-curricular activities trips outside of the school district to adjacent communities where more than one (1) bus is required, shall be permitted to be used as a shuttle to transport more than one (1) group of students to the same location.

F. Upon written request of a driver, and if mutually agreed upon by the Superintendent or his/her designee, elementary and secondary routes may be separated in order to allow the driver to take a field trip or extra-curricular activity trip which would conflict with a portion of the driver's regularly assigned elementary and secondary routes.

G. Canceled Trips –
   1. Field trip cancellation
      a. When a trip is canceled, that driver shall be given the opportunity to take the next trip not already assigned.
      b. When a driver is notified of trip cancellation after they have reported for the trip they shall receive one (1) hour's pay at the rate the trip would have paid and shall be given the opportunity to take the next trip not already assigned.
   2. Drivers’ cancellation
a. When a driver is unable to take an assigned field trip, the trip will then be reassigned to the next driver on the rotation list that had signed for the trip, providing that reassigned driver does not have a field trip for the same day. Drivers will be allowed an excused field trip cancellation only with a doctor's note, court subpoena, or with funeral leave for immediate family. If a driver has over three (3) unexcused trip cancellations over a period of one (1) school year, the driver shall not be allowed to sign for field trips for the remainder of that year.

b. A driver chaperon/supervisor shall ride on each bus.

c. Drivers will not be charged a driver cancellation if the date is changed or if the posting is incorrect due to clerical error. If the time is changed so that it results in the loss of a run there will be no driver cancellation charged should the driver elect to cancel. The driver must notify the Transportation Director of need for cancellation, upon notification, due to changes identified above.

d. If a driver cancels to drive for a field trip, and if the field trip is subsequently canceled, then the driver will not be charged to DRC (Driver Requested Cancellation), nor will they be assigned to the next field trip.

H. All field trips and/or extra-curricular activities trips shall be posted five (5) working days in advance or a bus will not be assigned, except in the case of athletic team trips or superintendent approval.

I. Drivers shall be reimbursed for any expenses occurring on a field trip such as gas, admittance to events, etc. within five (5) working days from the date receipts are turned into the Business Office.

J. Any driver who is on a field trip for four (4) to six (6) hours will be paid a flat rate of six dollars ($6.00) for meals. If a driver is on a field trip for more than six (6) hours, they will receive flat rate of twelve dollars ($12.00) for meals. No receipts are required.

K. All reimbursements, with the exception of the meal allowance, shall be paid as payment for a bill, not in the employee's paycheck.

L. Field trips and/or extra-curricular activities trips shall be assigned on a rotation basis according to seniority, except employees with late runs, RCTC, or kindergarten runs are not eligible if the field trip interferes with the kindergarten, RCTC, Special Education or late runs.

M. A driver may be allowed to take an authorized chaperone on a field trip terminating after 6:00 p.m. The driver must file a request form (Appendix H) with the Executive Director or designee for approval.

N. Subject to the supervisor's approval, the drivers may use their own bus for extracurricular trips, when a substitute is put on the driver's route and when the trip is to a destination more than 30 miles from the district.

O. An adult chaperon/supervisor shall ride on each bus.

P. One-way trips will be allowed on a limited basis. All one-way trips must be clearly posted as one-way. Trips where drop off and pick up occur on different days shall not be considered one-way trips. They are considered and will be posted as two (2) trips, e.g., camp trips.

ARTICLE 31
HOURS OF WORK

A. Workday
   1. Bus Drivers - The regular workday shall consist of operating the buses on the assigned routes according to the established schedules. A normal school schedule shall consist of:
      a. A morning route,
      b. An afternoon route, and;
c. A midday run, if selected by the driver, which will qualify for an extra half hour pay if the driver must report a third time that day.

2. For selective elementary school routes, a shuttle run is assigned and consists of transporting students from the main campus to the Vocational Training Center (RCTC) or to other educational centers, and a return to the main campus at designated times.

3. Mechanics/Garage Manager- The regular workday shall consist of eight (8) hours, exclusive of a duty-free sixty (60) minute lunch period without pay, except that a shorter lunch period may be attained by mutual agreement between employee and the Transportation Supervisor.
   a. Lunch period schedules may be determined by the Employer.
   b. A fifteen (15) minute paid, duty-free rest period during the first half (1/2) of the working period and fifteen (15) minute paid, duty-free rest period during the second half (1/2) of the working period shall be available to the employee.
   c. The regular work week shall consist of five (5) consecutive workdays for a total of forty (40) hours in any given week. For summer hours, refer to Article 21 E.

4. Aides shall be paid for actual time worked.

ARTICLE 32
STUDENT/DRIVER CONDUCT

A. Student Conduct - Beginning with the boarding of passengers, and continuing until passengers de-board, the driver is responsible for the supervision of student behavior and is authorized to enforce written rules as established by Board policy or administration. Such rules and policies involve matters pertaining to safety, care of equipment, and relationships with other persons. Enforcement steps for drivers shall include: The terms and conditions under which students may ride the Lincoln Consolidated Schools buses as adopted by the Student Bus Discipline Committee dated October 1998. If the disciplinary referral is found to be accurate, then discipline shall be implemented as prescribed in the Transportation Handbook which was developed in October of 2000. This handbook may be revised by mutual consent of representatives from the bus drivers (3), building administrators (3), Transportation Director, and Executive Director. The Transportation Office shall be notified by the principal or designee the same day the decision is rendered to suspend a student's bus privileges. This notification may be through a phone call or email. The Transportation Office shall notify the drivers of the decision prior to the first run affected by the suspension.

B. Driver Deportment

      b. No profanity.
      c. Make only authorized stops, except in emergency cases.
      d. Permit only assigned students and appropriate school officials to board, except for approved exceptions, and to seek parental assistance.
      e. Carrying family members who are not assigned to his or her bus is prohibited without prior authorization from the Superintendent or designee.

ARTICLE 33
SUBSTITUTING BY REGULAR EMPLOYEES

A. Regular drivers will be given preference in order of greatest seniority to substitute for absent drivers on any kindergarten run, midday pre-kindergarten run, RCTC runs, midday aide positions, and/or shuttles that may be part of the absent driver's assignment provided it does not interfere with the regular driver's daily assignments. Such assignments shall continue for the length of an employee's absence. Special Education drivers shall not be allowed to substitute in vacancies of less than three (3) months which interfere with their regularly scheduled runs. This does not exclude a special education driver from occasionally incorporating a regular end-of-the-day run if no substitutes are available. The driver would receive his/her special education run pay and regular run pay for the incorporated regular run. Regular
drivers substituting on absent runs shall not lose the assignment due to attendance at a funeral, an unscheduled closing day, or if off work under a doctor's care.

B. When a regular driver is granted a leave of absence for three (3) months or longer, or if the regular driver is on sick leave expected to be three (3) months or longer, or when it becomes apparent that a driver's absence will be for three (3) months or longer retroactive to the onset of the absences, the absent driver's regular runs will be posted and bid as temporary assignments for regular drivers.
   1. Only drivers less senior than the absent driver will be eligible to bid.
   2. The most senior applicant will be given the temporary assignment.
   3. The position of the successful applicant and each subsequently resulting temporary vacancy will be posted and bid as temporary assignments in the same manner.
   4. A substitute will be assigned to the fourth (4th) temporary vacancy (i.e. not more than three (3) regular drivers will be permitted to assume temporary assignments as the result of each such lengthy absence).
   5. Elementary and secondary routes shall not be separated for any reason in order to facilitate drivers wishing to bid on runs under this Article.

C. Upon return from absences filled according to B above, all regular drivers holding temporary assignments resulting from that absence shall be returned to their regular assignments.

D. Employees who have bid into the relief positions (Floaters) must be able and available to work all runs including Special Education and/or aide positions.

E. The parties may elect to revisit the issue of relief positions (Floaters) as long as a request is sent to the other party no less than thirty (30) days prior to the bid session for the year.

C. The employer shall post for relief positions (Floaters) at the normal bid time in accordance with the contract Article 30.

D. The regular employees who have bid into the relief positions (Floaters) shall be used as the first employees to cover a.m. and p.m. secondary/elementary and special education runs of other regular drivers.
E. An employee in the relief position (Floater) must be aware that he or she could be called and/or scheduled to cover routes that would have earlier leave times than posting. On a limited basis and if by mutual agreement floaters need to trade assignments, management would have no objections so long as management is provided with prior notification and service is not interrupted.

F. An employee in the relief position (Floater) shall not be permitted to sign for an evening field trip that is required to leave before 4:45 p.m. or any trip that interferes with his/her a.m. or p.m. responsibilities to cover other drivers.
