The Lincoln Giving Vine

Lincoln High School’s wonderful art teacher, Christina Czaja has painted a beautiful Giving Vine in the entrance of our Performing Arts Center. You can now purchase a leaf to go on the vine that will be on permanent display. What a unique and exciting way to highlight an achievement, milestone or just to say thanks! Please join in this great opportunity to support Lincoln Schools while celebrating your favorite student, teacher, club or business.

Each leaf can have up to 3 lines with 20 characters. Fill out the form below and turn in or mail to the High School counseling office with your payment of check, money order or cash. Checks can be made out to LHS LINC. The mailing address is Lincoln High School, 7425 Willis Rd. Ypsilanti 48197.

Profits from this project will go to support LHS LINC (High School Parent Group) and the Performing Arts Center. Thank you so much for your support!

Name: _____________________________________    Phone: _____________________

Email: ____________________________________________________________
