Anita's Corner:

I would like to thank Cliff, Laura, Polly, and Denise for helping the at Augusta Township clean up .

I would also like to thank Becky C for donating a hot dog warmer to the center. This will make things easier in the kitchen during our Fundraisers, thank you Becky.

I am already getting things in place for our Christmas Fundraiser with Santa that will be held Saturday December 7th . We will be raffling off the Christmas quilt and are currently selling tickets for that raffle at \$5.00 per ticket or buy 4 and get one free. We will also be doing our other baskets, if you have an idea and want to donate a basket please speak with me. We will need Bake Sale items. We will again have crafters in the Brick gym, talk to me if you have an interest in having a table.

I would like to address our Birthday Celebrations here at the center. We unfortunately cannot celebrate each individual's birthday throughout the month, this is why we have designated the last Wednesday of each month for a group birthday celebration. We understand that a few members do have individual celebrations outside of the center. I am asking if you do plan to hold individual celebrations at a restaurant or other setting that you give your invitations "privately." It can be hurtful to some if they overhear the invite and are not included. We are not discouraging you from having "private" parties we are just trying to be sensitive to other's feelings. We really hope that you will join us for our monthly birthday celebrations.
